Showcasing our absolute best, on a ground which wasn't offering much assistance with a very slow, boggy outfield, I'm proud of the resilience and determination of our boys. Nick was outstanding with the bat, clearing the fence on numerous occasions with excellent support from Henry and Harry. Our bowling is the real stand-out of the season, superior consistency and rigour which has been outstanding. Special thanks to Nicholas Doherty for his tremendous scoring efforts and to all the parents for their support. I am already really excited for the continuation of the season in Term 4 later in the year!

Zhi Qiao WOO 6/2, Henry McKAY 6/3 Doubles Win: EDDINGTON M WOO 6/2 McKAY/ Doyle 6/2 This victory against a quality team that has only lost to us in Round 1, completes a clean sweep of all opposition and an undefeated term. This is a talented bunch and we set the bar high, and it was great to meet the expectations we had for ourselves. Well done team!
Tennis	David Carey	Primary B Red	W	St Peter's College	SIC 6 sets 36 games SPC 0 sets 7 games	An excellent win against St Peter's College with all players contributing. It is wonderful to see the boys displaying excellent sportsmanship and tennis etiquette in all matches played this season. Well done on all your efforts throughout the term!
Tennis	Alexia Surace	Primary B Blue	W	St Paul's	SIC 9 sets 54 games St Paul's 0 sets 5 games	Doubles Results Inesh/James 6-0 Marcel/Joshua 6-0 Sebastian/Elijah 6-0 (forfeit) Singles Results Inesh 6-0, James 6-0, Marcel 6-0, Joshua 6-4, Sebastian 6-0, Elijah 6-1

Our opposition team was still fairly new to playing tennis and were down a player this time around. This meant some matches/games were forfeited. The boys are to be commended on their display of patience, kindness and understanding towards the St Paul's players, and their wonderful sportsmanship. Well done team!

Teeball	<i>Lachlan Bartlett</i>	Year 4/5	W	St Andrews	SIC 19 runs STA 10 runs	Sam Turner 2 home runs Henry Willoughby 2 home runs It was a similar story this week with the opposition team not being able to field a whole team. However, it was pleasing to see when players were rotated to play for St Andrews they did so without complaint and tried they best whilst playing for the opposition. The class of the Ignatian team was evident from the start as they restricted St Andrews to only 3 runs in the first innings whilst piling on 7 runs for the Ignatian batting innings. This was a constant theme with Saint Ignatius' running out comfortable winners.
Netball	<i>Lucy Roberts</i>	Year 2 Blue	W	Rose Park PS	5-2	The team arrived full of excitement for their first ever game of competitive netball. We were fortunate to have so many supporters and the students worked hard to listen to their coach as they are still learning the very basic rules of

						netball. Maddy was a standout with her focussed pivoting and leading towards the ball. There were several goal scorers which is amazing at this level. Players had a chance to try several positions and we look forward to this groups' performance as the season progresses.
Netball	<i>Natasha Morgan</i>	Year 2 Red	W	Murrayville	7-0	The year 2 red team had an amazing game on the weekend, energy levels were high and everyone was excited. All players got a turn in a shooting position and many players scored goals. The final result was St Ignatius winning 7 nil against Marryatville. All players were rotated through a bunch of positions on game day, and no one made a fuss. All in all, the year 2 Red team played very well, everyone was in high spirits and all were very well mannered in their victory despite only having 6 players all game. MVP: Vivienne Channon
Netball	<i>Nerissa O'Brien</i>	Year 3/4 White	L	Linden Park PS Maroon	0-9	A fantastic team effort for our first game together. A big shout out to three of our team members playing their first netball game, Jasper, Patrick and Katelyn L. I was so impressed with their courage and ability to keep positive. Great support from other team members who really made them welcome. Looking forward to working on our game plan moving forward.
Netball	<i>Ayesha Brine</i>	Year 4 Blue	L	Campbelltown Comets	2-11	The sun was shining for the first game of the season and the team has moved up a division playing against stronger opponents. We did not get many opportunities in the goal circle, but all the team worked very hard in their attacking and defending. There were many positive aspects of play that we look forward to building on as the season progresses. Whilst not the result that was desired the team was to be commended on their attitude and effort throughout the entire match.
Netball	<i>Naomi Prescott</i>	Year 4 Gold	W	East Marden	23-7	The girls were on fire for the first game of the season and picked up where they left off in 2023. With no subs available, everyone played a full game, but no one showed signs of fatigue and a special mention needs to go to Margot Perry for playing a brilliant game after being ill last week. Goals – Olivia 11, Susie 6, Lauren 6
Netball	<i>Julia Simcock</i>	Year 4 Red	W	Rose Park PS	18-5	For the first game of the season the girls played a quick and aggressive first game. I saw steady passes into the attacking third; a strong defence that was able to rebound quickly into attack after each turnover and an accurate shooting team, led by the most valuable player, Aria Lalic. Watching the shooters move the ball around the goal circle looking for that accurate shooting spot was excellent. As were the potential for long passes from the centre third into the goal circle. I saw high energy, determination and focus from all the girls. It was an insight into a very promising year ahead. Well done girls!
Netball	<i>Angela Klawitter</i>	Year 5 Blue	W	St Martins Navy	21-18	Get your sunglasses out because these girls shone brighter than the sun! The showed some great team play, I couldn't pick a best player as every single team member contributed. The team was super excited for the netball season to start,

						until they saw how much taller the opposition was, after a little pep talk they were able to put those nerves aside, run their hearts out and never gave up. Team Spirit goes to Eadie – for excellent cheering her team on from the sidelines when she was off.
Netball	<i>Natasha Morgan</i>	Year 5 Red	W	Dernancourt	12-0	The year 5 red team had an amazing game on the weekend, energy levels were high, and everyone was excited. Alesha Rutt scored 9 goals, barely missing when she had a shot at goal. Abby Ruston scored 1 goal in the 1st quarter as GA, then moved into a Defending role and was intercepting left, right & centre. All the girls were putting in all their effort and, in the end, it resulted in a 12 nil victory against Dernancourt.
Netball	<i>Sarah Jackson</i>	Year 5/6 White	L	Loreto College	5-21	Saturday we took the court as a new team with a few players having played together before, our opposition were an experienced team who had obviously played together for some time. Everyone tried their best in the warm sun for the entire game but things just didn't go our way. We had some magical passages of play showing the potential our team has. A special mention this week to our defenders who kept the pressure on the entire game.
Netball	<i>Amelia Bennett</i>	Year 6 Blue	w	Campbelltown Comets	27-25	We had an incredible start with a 19-10 half-time score. Goalies got the ball in the ring from all distances, middies were quick and sighting our goalies, and defenders were relentless in turning ball over and rebounding. After half-time we put our foot off the pedal and made a few passing and footwork errors. Comets defenders became more confident and put a lot more pressure on us in the last half. We were lucky to finish the game winning by two.
Netball	<i>Chloe Whiteman</i>	Year 6 Gold	w	Campbelltown Comets	16-12	What a great first game for Ignatius Gold! Attack was brilliant, with Patrick, Makayla, and Imogen working together excellently to bring the ball down the court through their leading and good passing. Our defenders, Dylan, Laura, Ayesha and Elsie stuck tight on their players, forcing a number of turnovers. Their continued effort was great to see. Highlight for everyone would have to be that Jemima's goal just before the siren, rounding out an amazing first game!
