Basketball	<i>Tom Smales</i>	Year 5/6 Blue	L	St Andrews	9-34	St Andrews had some very fast players, and we weren't able to keep up. Billy was a standout, finishing the game with 18 rebounds. Isaac and Ben's tenacity on defence helped us to get on the board.
Basketball	<i>Tom Smales</i>	Year 5/6 Gold	L	PAC	13-17	The boys fought hard against PAC, it was score for score, going down by 4 points when the final buzzer rang. Best Players: Ricardo, Aaron, Kaveer
Basketball	<i>Emma Lilley</i>	Year 5/6 Red	L	St Peters	16-22	A hard-fought contest where our players showed great determination and motivation. The dominance of 1 opposition player brought some challenges but the players worked hard in both attack and defence. We shifted our focus to 1:1 and this helped us narrow the scoreline. With continued movement in attack and finesse on our finish, we have a lot of promise for the season ahead!
Basketball	<i>Glenn Doherty</i>	Year 5/6 White	W	St Peters	21-11	The boys came out of the gates firing for their first game of the season. Jumping away to a 10-0 lead early in the first half. Putting St Peters under immense pressure leading to many scoring opportunities. Aggressive defending by Harry, Josh and Sam helping to turn the ball over. While Charlie was cutting lines and providing scoring opportunities. We were a little wayward in the second half with our shooting but still a very good win and credit to all the boys given it was the first game playing with each other. Can't wait to see the development as a team over the season. Charlie – 8 points, Harry – 4 points, Aveer – 4 points, Josh – 3 points
Football	<i>Michael Cronin</i>	Year 5/6	W	St Peter's	SIC: 14.9 (93) SPC: 4.4 (28)	A mixture of new and old faces meant there was plenty of nervous and excited energy for the first game of the season. Birthday boy Zayden Reaich (5 goals) proved that birthday cake is truly the breakfast of champions. With a run up rivalling that of Ben Brown, Nicholas Eddington also bagged 5 majors. Patrick Beltrame (2 goals) and Rupert Doyle were strong around the contest all day. New recruits Pip Ogden and Julian Hani kicked their first goal for the year. Benjamin Taylor and Oliver Butler provided great contests in new positions. A good first up win. Goals: Zayden, Nicholas 5, Patrick 2, Henry, Jullian 1 Best Players: Zayden, Nicholas, Patrick, Rupert, Noah
Soccer	<i>Hillol Das</i>	Year 5 Blue	W	PAC	5-1	The boys were holding their positions as directed and shared the ball with all their peers with lots of passing to each other. A lot of ground cover by Nathan and Sebastian to score goals and cover defence when needed. The team played out the full game with no substitution, so an excellent win by the boys.

						Goals Scored – Oscar 2; Nathan 1; Sebastian 1; Jackson 1.
Soccer	<i>Stefan Mazur</i>	Year 6 Red	W	St Peters	10-3	<p>First game of the season went well for this Year 6 team. Showing little rust from the off-season the team was straight into an exciting brand of attacking soccer with plenty of ball movement, running into space and creating opportunities for each other to score. Although playing against a team with plenty of subs and even allowing St Peters extra players on the field as the game progressed, Iggies continued to dictate the pace and style of the game and ran out deserved winners. We are looking forward to an exciting season ahead.</p> <p>Best Players: Marcel Mawette – lethal goal scoring from up front. Eli Krammer – dictated play and controlled tempo in the middle of the park. Ashton Pattinson – ran hard and tackled willingly at the back to give the opposition little relief.</p>
Basketball	<i>Emma Lilley</i>	Year 5/6 Red	W	St Peters	20-10	<p>Highlights: All played well with Ben Taylor scoring game high 10 pts. Another solid team performance, with only 5 players the team worked tirelessly to produce impressive play over the court. Again, we started with strong defence and our second half brought greater ball and player movement in attack. Sam and Noah controlled the play down the court, with Ben, Ollie and William presenting options in attack. Our thought and control in making the right decisions into attack saw plenty of shots, with Ben scoring 10 pts and Sam 4pts. A great game!</p>
Basketball	<i>Tom Smales</i>	Year 5/6 Gold	W	PAC	23-7	<p>What a win and what a team effort it was! Srihaan led the defence alongside Elliot and Patrick, working as a team to get that ball back, Aaron and Archie were strong on backup grabbing most of the rebounds in the game. Ricardo and Kaveer were too strong on offensive scoring 19 of our 23. Patrick's almost 3-point shot was the highlight overall. Best Players: Srihaan, Patrick, Kaveer</p>
Basketball	<i>Glenn Doherty</i>	Year 5/6 White	W	SIC Blue	24-19	<p>The boys came out firing and dominated the first half jumping to lead 12-4 at the first break. However, in the second half Iggies Blue came back strong as we lost our defensive shape and left too many opposition players open. Our skill levels dropped off as we gave the ball back too easily. But to the boy's credit, they dug in and while we lost the quarter 12-15, the work in the first half was enough to take the win. A few skills to work on but the boys are showing improvement after a couple of games together. Charlie – 8 points, Harry – 4 points, Josh and Sam both with 4 points each.</p>
Football	<i>Michael Cronin</i>	Year 5/6	L	Immanuel College	SIC: 6.2 (38) IC: 6.6 (42)	<p>This week's game against Immanuel met expectations of a tough, tight contest. The game ebbed and flowed throughout the game. Henry McKay was the rock in defence, making crucial stops and rebounding well from the back half. Patrick Beltrame kicked an early contender for goal of the year as he snapped his second from the pocket. The boys gave it everything and played it out to the very end. Benjamin made some crucial intercept marks late. However, it wasn't enough to stop Immanuel from kicking the go-ahead goal with one minute left on the clock. Goals: Zayden 2, Patrick 2, Nicholas 1, Jullian 1</p>

						Best Players: Henry, Zayden, Rupert, Nicholas, Benjamin
Soccer	<i>Hillol Das</i>	Year 5 Blue	L	St Paul's College	3-1	The team only had 6 players on the day and played the opposition against 9. It was a tough game for our boys due to insufficient players. While we dominated the ground, defending goals became tough for the boys due to shortage of players. Thomas was our star of this match as he was covering a lot of ground, scoring the team's only goal and as well as helping in defence. Goals Scored – Thomas 1
Soccer	<i>Diego Natale</i>	Year 6 Blue	L	St Paul's	2-6	St Pauls was a difficult opponent, whose players were taller, stronger, and more physical. But after a slow start the Ignatius boys gained confidence and played a very competitive second half. I was extremely pleased that the boys didn't give up and supported each other to play as a team. Best Players: Charlie, Austin and Kristian, with all the other boys contributing.
Soccer	<i>Stefan Mazur</i>	Year 6 Red	L	Immanuel College	3-4	Highlights: Big running effort from Anton. Resolute defence and confident goal keeping from Ted. Sound technique and game awareness from Elijah. St Ignatius played some excellent football against an Immanuel team with a considerable height, size, and extra player advantage. We went 1-nil up early before Immanuel scored the next 2 goals. A cameo from Jack (from the year 5 team), netted us an equaliser finishing a great run of play. Immanuel, with more power than panache, scored the next two, before a wonderful headed third goal by Marcel from a Kristian corner made the last minutes very interesting. With a slice of luck, we may have finished with a deserved draw but unfortunately not this week.

Soccer	<i>Dylan Holmes</i>	Year 5/6	L	Pembroke	0-1	Highlights: Ava had a fantastic first half as our goalkeeper. Evie made some crucial tackles in defence. Olivia worked very hard in midfield supporting the defenders and attackers. In what was an incredibly tight contest, the St Ignatius girls fought to the end of the game to try and even the score. A goal from Pembroke late in the first half meant the girls pushed hard to score in the second half. We had some great chances through both halves, but unfortunately couldn't find the back of the net.

Violette came extremely close to equalising at the end of the game from a cross from Ava but was narrowly wide.

Netball	Jacoba Clough	Year 2 Blue	W	Burnside	6-2	Ignatius Blue had a great game, beating Burnside by 4 goals. Last week, the team scored 5 goals so our target heading into our match on Saturday was to beat this, and we did. It was a phenomenal effort displayed, and everyone tried really hard. The team are continuing to learn new positions and rules and are excited for next week. Best Players: Joy Yang, Gemma Torresan
Netball	Nerissa O'Brien	Year 3/4 White	L	St Joseph's Tranmere	0-11	Our game plan this week was a focus on dodging and making space on the court which are skills we are practicing at training. Really happy with how well the team listened to instructions and started making more space on the court. We will continue to focus on this over the coming weeks. Katelyn Le was a highlight in attack and showed great speed when moving to the ball.
Netball	William O'Callaghan	Year 4 Blue	W	Loreto College	12-0	This week the group put on a dominant performance and showed why we are a division 1 team. With accurate shooting we pushed out to a final score of 12-0, getting the job done with big smiles and laughs. The team should be very proud of their efforts and take confidence to the next few rounds to remain a dominant force in division 1.
Netball	Naomi Prescott	Year 4 Gold	L	East Adelaide	3-11	Coming off the back of a fantastic win last week, the girls were slow to start on Saturday and unfortunately just couldn't catch up to a very strong East Adelaide side. We had many moments of brilliance however, and the girls should be proud off their efforts. A shout out to Tiana and Lauren who copped a few knocks and bumps during the game, but both showed resilience and Ignatian spirit. Best Players: Tiana Gentile, Sophie Cooper, Margot Perry
Netball	Julia Simcock	Year 4 Red	W	Campbelltown Comets	11-7	After a slow start to the game the girls did well to fight their way into this match against the tough Campbelltown Comets. Being down at half time fired the girls up and after a quick positional change we saw a dynamic third quarter led by the games' most valuable player, Aria Ravalico. At training this week, we practised long passes out of defence and into the goal third; Aria showed the team the benefits of direct and strong passes all around the court resulting in much needed goals. The girls attitude lifted and in the fourth quarter I saw team spirit and self-belief win this game. They played with such intensity and took on the game running away with a 4-point win. A special

						mention goes to Mia Ikonomakis who pushed herself to play out a tough, full game.
Netball	<i>Angela Klawitter</i>	Year 5 Blue	L	Nailsworth	11-12	The score was close all match, but the cookie didn't quite crumble our way today. Following a defensively focused training and without our primary goalkeeper I was very happy to see all the girls step up their defensive pressure which reaped rewards with lots of intercepts by everyone, even those that are vertically challenged. Best Player: Samara – big improvement in her defence.
Netball	<i>Sarah Jackson</i>	Year 5/6 White	W	St Joseph's	6-2	With the warmer weather it took a little while to find our groove. In the end we had a convincing win and the children pulled together to play a beautiful team game. I am so proud of each player and the way they conducted themselves throughout the game. An extremely pleasing display of teamwork. Special mention: Sinchana
Netball	<i>Chloe Whiteman</i>	Year 6 Gold	L	Stradbroke	13-14	A frustrating result for our second game, as our second half comeback was so strong against a taller opposition. After a bit of a frazzled first quarter, the team regained their composure and were able to draw an even scoreline at half time. Attackers worked hard to control their passes and commit to their leads, whilst our defenders in Elsie, Dylan, Laura and Ayesha stuck tight to their players with unwavering effort, which was particularly impressive. A stressful last quarter looked promising for the team, as good teamwork and communication resulted in a short stint in front, but the attack and height from Stradbroke proved too great a challenge. Lots of positives to take out of the game, we look forward to improving every week!
Football	<i>Kylie Covark</i>	Year 2/3	L	PAC		Year 10 students George and Alex came to coach our littlest AFL team in the first game. Although the result did not go our way, everyone played with heart and were so happy to have the 'big kids' there to support them. Thanks George and Alex! Jayden scored our first game of the season.
Football	<i>Chris Reaich/Matt Brunoli</i>	Year 3/4	W	CBC	SIC: 4.5 (29) CBC: 2.2 (14)	We arrived at CBC early Saturday morning with a group of many Years 3's playing on a full oval and tackling for the first time, not knowing what was to eventuate. What occurred was a brilliant display of great football, great teamwork, and tenacity by all players. Aziah and Ollie led the younger boys to a memorable first victory, with the younger boys growing in stature as the game went on. I was very proud of the first up effort today.
Soccer	<i>Antonio Giordano</i>	Year 4 Red	W	St Peters	3-2	An excellent start to the new season in the shining sun! It was great to see all students enthusiastic and showing excellent skills. While Ollie Devlin and Jack Cappo shone as the goal scorers, all team members showed wonderful skill and determination. Well done Iggies!

Table Tennis	<i>Dominic Jones</i>	Year 5/6	L	St Andrews	SIC: 8 sets St Andrews: 10 sets	The first competition week proved to be a challenge, but one that we were up for. All players were good sports and competed in fun and good spirit. Special mention to Wayne who played an outstanding game of singles.
Hockey	<i>Stefan Mazur</i>	Year 5/6 Red	L	St Peters	1-2	Best Players: Jemima battled all afternoon in the midfield. Alice played with dare in her first ever game. Sophie provided a great outlet up front. Against a well-stocked St Peters, Iggies played with no subs and a novice hockey coach but were in the game till the final whistle. All players worked hard for the whole game, played an expansive game attempting to spread the field and keep the ball moving and then funnelling back to be compact in defence. Whilst good for our 1-0 lead (well taken goal by Sophie) we were unable to keep the opposition out who pegged back the initial goal and then took the lead on a fortuitous fast break with limited time remaining. A great game.
Netball	<i>Jacoba Clough</i>	Year 2 Blue	W	Stradbroke	8-1	Ignatius Blue had another fantastic game, beating Stradbroke 8-1. The team were eager to score more goals than last week, which they did. To score 8 goals in a game was an awesome effort by the whole team. Joy did a great job in the goal circle, shooting 5 of those goals. The team got to try new positions during the game as they continue to learn where each player can go on the court. We are looking forward to our upcoming game where we will focus on passing to each other. Best Players: Penelope, Joy, Scarlett
Netball	<i>Natasha Morgan</i>	Year 3 Blue	W	Marryatville	12-4	The year 3 blue team had a good game on the weekend, resulting in a win against Marryatville. Madeline was moved out of centre and placed in goalkeeper for the entirety of the game and played amazing, keeping her opponent out of the shooting circle for the majority of the game, stopping them from scoring. Nicholas and William worked fantastically in shooting positions together, Nicholas barely missing. Sophia and Jemma attacked hard, rotating through WD and WA. MVP: Nicholas Carter 2 nd MVP: Madeline Carter
Netball	<i>Julia Simcock</i>	Year 4 Red	W	St Martins	10-6	This weekends' game showed how powerful a strong, long ball can be. At training the focus has been on strong and long shoulder passes, and the girls certainly delivered on Saturday. Our balls cleared the centre third into the goal circle within 3 passes. This gave our shooters plenty of space in the circle and opportunity to score. The defence, led by this weeks' most valuable player, Eve Simcock, was hard and tough and difficult to get past. Basic pressure and direct passing put the girls in good stead to win this defensive game. This game saw different positional rotations and the girls worked together to create a great flow on court. Well done girls!
Netball	<i>Angela Klawitter</i>	Year 5 Blue	W	East Adelaide	14-13	Our never give up attitude delivered a narrow one-point win. We started strongly with some lovely passages of offensive play. When the opposition subbed on

						<p>their best player it took us by surprise in the second quarter and we gave away eight goals. Our defence, led by Isabella, kicked up a giant gear in the third quarter as we managed to hold them to one goal for that quarter. A whole team effort (and some fabulous big sister cheering from Grace on the sideline) in the fourth quarter meant we came away with the win.</p> <p>Best Players: Isabella, Hannah, Violette, Sophie</p>
Netball	<i>Natasha Morgan</i>	Year 5 Red	W	East Para	8-5	<p>The year 5 Red netball team won their game against East Para on the weekend. Alesha was fantastic in the goals again. Abby shows she is becoming an amazing defender with interceptions left right and centre. Laurel, despite not being in her usual position, was promising in the goals as well. Rihanna despite playing on a tricky opponent played well in centre and worked well with Aria in WA. All the girls had a great time, and it was nice to see them rewarded for their efforts with a victory. MVP: Abby Ruston 2nd MVP: Alesha Rutt</p>
Netball	<i>Adele Polyak</i>	Year 5/6 White	L	Stradbroke	5-13	<p>The team started well and were able to move the ball down the court, pinpointing Ted under the post. Chen Xi and Sinchana were able to gain multiple intercepts giving us a strong chance as the game continued. Only one down at half time, we had positive thoughts as we focussed on controlling the ball and awareness of umpire calls. Unfortunately, we were unable to be consistent with getting three feet in defence creating many lost balls down the court and then reducing opportunities for our shooters. More changes were made in the last quarter, but Stradbroke continued to improve where we struggled. The team should know that we were capable of a closer game against this opposition, and we need to improve basics to show it.</p>
Netball	<i>Amelia Bennett</i>	Year 6 Blue	W	East Marden	26-20	<p>The team played in a tight tussle against East Marden last weekend. It was a fast-paced, contested game with the half-time score being 8-10 St Ignatius way. The goalies were working together in the circle seamlessly, defenders were getting touches to almost every transition from East Marden. Our midcourt was smart and mixed up the set plays when required for us to be settled. After half-time we started converting off turnovers which made us walk away with the win 20/26 win. The team played a hard-fought game and was proud of them stepping up to the contest.</p> <p>Best Player: Alice</p>
Netball	<i>Jane Brine</i>	Year 6 Gold	W	East Marden	7-5	<p>What a game! Tough and low scoring.</p> <p>East Marden took an early one-point lead in the first quarter, which they held in the second and stretched to two points by the end of the third.</p> <p>Our players showed determination and worked well as a team throughout the whole game, communication was great, and they continued to stick with their strategies.</p> <p>East Marden are a tall and strong team and made it difficult to get through their structured defence, this meant rebounds were a challenge for us and our opportunities to shoot were limited. East Marden kept sending the ball into their</p>

						<p>attack our defenders kept the pressure on and did a brilliant job of keeping their goalies at a distance to the ring.</p> <p>The mid-court players were tireless, switching from defence to attack, all were outstanding.</p> <p>In the fourth quarter we scored with a long shot from Pat, which sent the team into overdrive, Pat and Jem continued to score bringing home a two-point win.</p> <p>Great game Saint Ignatius Gold!</p>
Football	<i>Chris Reaich/Matt Brunoli</i>	Year 3/4	W	Pembroke	SIC: 19.10 (124) PEM: 0.1 (1)	<p>Another great display of team football by the boys. It was a perfect morning for football, and we started brilliantly led by Ollie D in the middle and never looked back. Special mention to the two players who played for the opposition each quarter. Also to the multiple goal kickers; Zavier R 5 goals, Aziah R 4 goals, Alex M 3 goals, Ollie D 2 goals, Charlie R 2 goals, and Archie B 2 goals.</p>
Soccer	<i>Diego Natale</i>	Year 4 Blue	D/L	PAC	5-5/1-7	<p>Highlights: Both Ignatius teams played well and contributed to 2 exciting games, especially the 5 – 5 game.</p> <p>Both Ignatius teams are made up of players who either play for a club team or those who have never played before, making it difficult to play a flowing game. However, it was pleasing to see all the boys and girls contributing and working together as a team.</p>
