Basketball	<i>Glenn Doherty</i>	Year 5/6 White	W	PAC	19-16	PAC jumped us at the start to move to a 8 point lead mid-way through the first half. The boys dug deep with some extremely good defensive work. Moving the ball up the court, opening up scoring opportunities. By the end of the first half, we had narrowed the deficit by a couple of points. It was a big second half by Harry, Josh and Charlie to take the lead late in the second half. It was a pulsating finish, with the ball going end to end. The boys fought hard to retain the lead and take the win. A great team effort by all to hold on at the end. MVP - Harry – 7, Josh – 5, Charlie - 5
Table Tennis	<i>D Jones</i>	Year 5/6	W	St Andrews	6-4	Best player = Alessandro He beat St Andrews top player in style!
Soccer	<i>Diego Natale</i>	Yr 6 Blue	L	Rostrevor	3-0	Another game where the score did not reflect the evenness of the game. Rostrevor, a very strong opponent, were able to put away their chances. However, the Ignatius boys worked hard to set up numerous scoring opportunities but failed to convert. A hard fought game, with some great moments of play!
Soccer	<i>Stefan Maur</i>	Yr 6 Red	w	Pultney	7-0	A beautiful Saturday morning resulted in some beautiful skills demonstrated in the beautiful game. Initially Ignatius struggled with a congested pitch but once the team spread out, found space and utilised their superior passing skills and team patterns they were too strong for Pultney running out deserved 7-0 winners with goals shared amongst 5 different players including our new Year 5 recruits who have fitted in well. Another good result for a team on top of their game with thanks to the additional coaching/management input for the boys over the last few weeks Ashton continues to make right back his own with solid defence and intelligent ball use going forward. Eli – assured first half in goal and hard working second half in defence/midfield

Sebastian with a well taken opening goal

The team work the girls are showing has been a real highlight since taking on the coaching role. Handball, shepherding and talk have been a key to there success in the last 2 weeks, our defence has been strong and the flow of the ball forward with plenty of goal scoring opportunities. A special mention must go to Amelia, the smallest and youngest player on the field who probably laid 5 or 6 strong tackles on players twice her side. Goal Kickers Imogen 3, Frankie 2, Olivia, Ava and Maddie with 1 each

Soccer	<i>James Atkinson/ Diego Natale</i>	Year 4 Blue	L	Rostrevor	7-1 6-1	The boys and girls of St Ignatius over over-powered by a physically strong and talented Rostrevor. To their credit all our players kept trying right to the end of the game. A good team effort. Special mention to Sophia who continued to play after receiving an injury from a foul. And to Joseph who played a great game in goal.

Soccer	<i>Mia Dodd</i>	Year 3 Red	L	PAC	2-3	<p>The Boys went into the game with a very positive attitude. It was a tough start; however the boys kept their heads held high. It was a very close game, and they were willing to continue to play the game. Romeo played a fantastic defensive game and ensured to keep the ball away from the goals. Zavier kicked both our goals with the second one being in the final seconds of the game. Aarnav was great in the goal in the first half and no goals were conceded in the first half. He then provided his skills in the second half of the game to help the team score goals. Overall the boys played extremally well and made sure that they didn't give up until the whistle was blown.</p> <p>MVP- Romeo , Zavier Aarnav</p>
Football	<i>Chris Reaich</i>	Year 3/4	W	Pembroke	12.12 (84) 1.1 (7)	<p>Another big win for the year ¾ boys. We were too big and strong for the Pembroke who struggle to field team. Special mention to the 4 players who filled in for Pembroke. A pleasing aspect of todays game was the handball chains, were we were looking for a player in a better position</p> <p>MVP – Ollie O 5 Goals , Aziah R 3 Goals</p>
Hockey	<i>James Samra</i>	5/6	W	PAC	2-1	<p>Another well fought out game against a very strong PAC team. We showed some great fight and determination having majority of the ball in our attacking half. Some solid defending on the goal line from Alice Cappo making save after save kept us in the game and allowed us to make some strong attacks and score a goal. Unfortunately, PAC were too strong at the end of the day and scored the winner with only a few minutes left to play.</p> <p>MVP- Thomas Mazur ,Ashton Pattison , Alice Cappo</p>
Netball	<i>Chloe Whiteman</i>	6 Gold	W	Burnside	17-13	<p>This week the Year 6 Gold team demonstrated exemplary behaviour to overcome a challenging situation and take out the win against the top team! Our midcourters worked well through the middle, utilising preliminary moves and strong, long passes. Shooters Pat and Jemima moved excellently and worked well with each other. Defenders read the ball well and took some great intercepts at critical times. I'm very proud of the way the team conducted themselves, were positive and encouraging throughout the whole game, and stayed calm under pressure, which reflected in their style of netball.</p> <p>MVP- Laura, Jemima, Patrick</p>
Netball	<i>Amelia</i>	Year 6 Blue	W	Rose Park	29-19	<p>Didn't attend due to uni commitments however heard it was a very good game. Did not loose a quarter!</p>

Netball		Year 6 Gold				
Netball	<i>Sarah Jackson</i>	5/6 White	W	Linden Park	15-2	Our team started positively this week. There was consistent ball movement and smooth transition from defence to attack from all players. Small things that we have been working on became evident throughout the game and it was enjoyable to see that the children were having fun as well. An extremely convincing win.
Netball	<i>Angela Klawitter</i>	5 Blue	L	St Martins	21- 26	The team played the best game of the year so far this week, equalling their highest recorded score. It was pleasing to see every single play contribute and all thirds of the court perform at the best. Sophie and Hannah's vision and passing in the goal circle was amazing. Violette, Evie and Eadie showed fearless determination against a very strong opposing centre, their teamwork and superior fitness evident in the last quarter. Samara, Isabella and Livinia's defence was rock solid against a first-class opponent.
Netball	<i>Natasha Morgan</i>	5 Red	W	Dernancourt	11-6	Lovely win over Dernancourt this week despite being short on players with Eva and Laurel absent. Due to this we had to move players out of their usual positions to make up for the lack of defence players. Fortunately we had Greta come and help out at 3/4 time, which was a massive help. MVP – Abby and Leila
Netball	<i>Naomi Davies</i>	4 Gold	W	Loreto	7-4	<ul style="list-style-type: none"> <li>- good, contested game with goals hard to come by</li> <li>- perseverance, great team work and finding space worked to our advantage in the second half</li> <li>- big thanks to Audrey for filling in for us and playing back to back games</li> <li>- best players Tiana, Sophie and Sophia</li> </ul>
Netball	<i>Will O'Callaghan</i>	Year 4 Blue	L	Walkerville	13-15	This week the team came up against a very similar match up in Walkerville. For a team who is still adjusting to the new grade and age group, this was such a great effort. We were able to transition the ball fluently for most of the game and found our short and sharp passes often resulting in a rewarding goal. Unfortunately, we went down 13-15, after some great pressure by everyone down the court to keep us in the contest. We will look to improve and show our full potential in this higher age group over the coming weeks. Best: Isabella, Harry, Ivy
Netball		Year 4 Red				

Netball	<i>Nerissa O'Brien</i>	Year 3/4 White	L	Linden Park Grey	3-7	Great to have our first game back for the term. A big thank you to Amelia for joining our team and helping us work towards finishing the season. Amazing teamwork in our attacking third to score three quick goals. Madeleine and Katelyn H shared the ball beautifully around the ring and Amelia was a great support in Centre feeding the ball in. Some great pressure from Jasper, Scarlett and Patrick to help with some strong turnovers. MVP- Madeleine Piscioneri and Amelia Spencer
Netball	<i>Julia Simcock</i>	Year 3 Red	W	Norwood Blue, Maylands	20-4	Saturday 10 August Ignatius Red defeated Norwood Blue 20 – 4. This week we worked on reducing 'stepping'; 'moving the ball out of the defensive zone into the goal third using only defensive positions' and 'lobs into the goal circle'. The GD, GK and WD in each quarter worked very hard moving the ball around the defensive and mid court thirds. I saw great passing into the goal circle clearing the defence quickly and easily. Best players were Sophie and Imogen. Sophie continues to chase each loose ball as well as prove that the 'little touches' in defence force necessary turnovers. Imogen's positioning on court and strong passes stood out, putting her in great stead for a great game. A special mention goes to Eve whose constant defensive pressure reduced the amount of time the opposition spent in their attacking third. Well done girls!! Best Player(s): Sophie Butler and Imogen Hill Special mention: Eve Simcock
Netball	<i>Natasha Morgan</i>	Year 3 Blue	L	Charles Campbell	6-16	Tough game this week against Charles Campbell. Positive note that we lost by less this time from memory. Everyone tried their hardest and very proud of the teams efforts. MVP: Nicholas and Jemma
Netball	<i>Natasha Morgan</i>	Year 2 Red	W	St Joseph Payneham	6-4	Awesome game from everyone. Logan settling in, understands the rules of the game a lot more now which is great. Amazing team work all around. MVP: Vivienne and Charlotte

Basketball	<i>E Lillev</i>	Year 5/6 Red	W	PAC	36-14	A fantastic final game to end our season! The boys have played with such commitment throughout the season. With only five players, they worked hard week in week out, attending training and committed to game day. Today, all players played so well, demonstrating their improvement in skill, confidence and responding to feedback. Ben continued to look for opportunities to drive and shoot and rebounded confidently. One of Ollie's best games, getting hands on the ball in defence and becoming more confident in positioning and passing under pressure. William put up some shots and looked for opportunities as the ball moved into offence. Noah and Sam remained confident in their ball control and read of the play, Noah present and reliable under the ring and Sam speedy on the intercept. Thanks to the parents for their support.
Basketball	<i>Glenn Doherty</i>	Year 5/6 White	W	PAC	19-18	<p>In the last game of the season, PAC jumped out to an 8 point lead midway through the first half. Samuel Davies managed to kick a classy 2 goals. Dylan Wright fought hard in the ruck, while Henry McKay continued to dominate. One more game to go

Soccer	<i>Stefan Mazur</i>	Yr 6 Red	W	St Peters	10-0	<p>And so the season came to pass with a final game at home. In a fitting finish to the season the team played some elegant football with multiple passages of play starting from our own goal, utilised quick passing and running and culminating, more often than not, with a shot at goal.</p> <p>As a consequence St Peters were not able to get much of the ball and the final score reflected this.</p> <p>A strong finish to a strong season.</p> <p>Many thanks to Adam Krammer, who spent a lot of time coaching and managing the boys when I was unavailable.</p> <p>MVP- Anton worked tirelessly bringing team mates into the game</p> <p>Leon scored a good goal and with a bit of luck could have had a couple more</p>

It was once again a difficult game for the Ignatius teams, but they stuck out and all players did their best.
Football	<i>Chris Reaich</i>	Year 3/4	L	Scotch	11.7 (73) 5.6 (36)	We met our match on Saturday coming up against a side who ran all day and used the ball well. We tried very hard and won the 2 quarter which was very pleasing. Thanks to Scotch players who filled in for us as we had many away. MVP – Xavier c – 2 goals, Ollie, Aziah 2 goals
Netball	<i>Chloe Whiteman</i>	Year 6 Gold	W	Comets	17-13	In wintry and rough conditions, Ignatius Gold played well to secure the win against Comets. Our consistent effort and brilliant defence kept us in the game. We adapted to the conditions and adjusted our playing style, using shorter passes where possible, and also reduced stepping from last week. One more game of the minor round!  best Jemima Laura Ayesha
Netball	<i>Amelia</i>	Year 6 Blue	W	East Marden	29-22	Came to the game with it very wet and rainy! Kids knew they needed to do a good warm-up to have a good first quarter. Came out the blocks with a 6-3 up first, ending the game loosing the last quarter but still winning 29-22. Very good and intense game
Netball	<i>Sarah Jackson</i>	5/6 White	L	Dernancourt	14-16	Our first game all season in the wet conditions made things a little tough. The girls started strong and lead at each break. Things just didn't go our way in the last quarter. A big thank you to Anna for filling in due to sickness. Overall, a lovely team effort.
Netball	<i>Angela Klawitter</i>	5 Blue	W	Walkerville	16-10	It was a low scoring and even start for both teams.

						<p>We stepped up a gear at half time, finding our inner Space Jam. Livinia the road runner running through the oppositions passes and Isabella backing her up with rebounds.</p> <p>Sophie and Hannahs speedy Gonzales passing in the goal circle, was a highlight.</p> <p>Samara again displaying the flexibility of much loved Bugs Bunny playing confidently in all three thirds of the court. Violette, Evie and Eadie showing the winning determination of Marvin the Martian through the middle.</p> <p>A winning result for this group of looney tunes. Yibbe de yibba that's all folks.</p> <p>MVP: Samara &amp; Livinia</p>
Netball		Year 3/4 White	D	Trinity Gardens	3-3	<p>The team welcomed Jack to their group and he made an immediate impact in the game taking many intercepts in the first quarter. As he found his feet, and balance, we were able to get the ball into our goal third as a result. Amelia contributed with many intercepts of her own, proving themselves to be a solid defensive unit. At times we found it difficult to get the ball into our circle, however we were thrilled as Patrick scored his first goals for the season. The mid court continued to bring the ball down, getting stopped only by a very strong GD from the opposition. Needing to adjust to taller players and windy conditions proved challenging but the focus on one handed shoulder passes improved our results. I saw wonderful support of our team players and heard a little more voice during the game as well. A strong result as we head towards the last two games of the season.</p>
Netball	<i>Julia Simcock</i>	Year 3 Red	W	Campbelltown Comets Maylands	12-5	<p>Saturday 17 August Ignatius Red defeated Campbelltown Comets 12 – 5. It was a wet and miserable day and the girls passing and on court position easily won them the game today. Comets were a great opponent and put excellent defensive pressure on the mid court. However, our long and strong passes and ability to run out a full game stood out and it was one of the best games I have seen this season. Aria Lalic receives best player for this game. She played strong and aggressively in defence and was able to switch into the goal circle and 'hit' most of her goals. Her positioning on court, along with Imogen and Aria R (special mention), was outstanding. The girls worked hard to create space and make 'good position'. This put the team in great stead to make and receive strong and long passes. It was a great game to watch. Well done girls!!</p>

						Best Player(s): Aria Lalic Special mention: Imogen Hill and Aria Ravalico
Netball	<i>Natasha Morgan</i>	3 Blue	D	Comets	6-6	Vivienne & Charlotte from the year 2 red team filled in today, as we thought we would have some absentees, however this was not the case, we just had a few players arrive after the game had already commenced. Good effort from everyone today, despite the score everyone tried really hard and Vivienne and Charlotte had amazing performances playing up as well.
Netball	<i>Natasha Morgan</i>	Year 2 Red	W	Stradbroke	10-1	Awesome game today. Everyone arrived early and we got to warm up prior to the game commencing which was a first. Everyone came to the game with 100% focus and determination. We had a few issues with players getting hurt but these were quickly solved and no one was benched for too long. We have some touch cookies on this team. MVP – Aaron and Maria Rosa
