Football	<i>Matt Tydeman</i>	4/5/6	L	Loretto	4.7 (31) 6.6 (42)	Another great game by the girls and their effort was outstanding. Loretto kicked away early with the breeze which was the difference between the two sides. Unfortunately we didn't capitalise when we had the breeze in the 2 nd quarter. They gave their all and the final quarter was outstanding, we came home kicking 3 goals and 4 points just to come up short. I think today was the best the side played as a team, the flow of the ball from the backlines and through the centre to the forwards was really pleasing to watch. Another highlight was the tackling, we maybe lacking in size but not in heart and effort. Goal kickers Ava 3, Frankie 1 MVP : Ayesha, Frankie, Adele, Imogen

Soccer	<i>James Atkinson/ Diego Natale</i>	4 Blue	L	CBC	2-1	For the first time in the season, the final game was played on a full pitch with 11 versus 11. It was a new experience for everyone, but considering how good the opposition was the Ignatius players put up an incredible fight, losing by just one goal. A great game and a great way to finish off the season for 2024. A great team effort from all involved

Football	<i>Chris Reaich</i>	3/4	L	CBC	3.4 (22) 1.8 (14)	We finished off the year with a a close lose to a bigger CBC team. Although we had our chances and had more scoring shots we couldn't convert. All in all, we have had a very successful year winning 6 games out of 10 and I am very proud of the way the team has progressed.
Netball	<i>Amelia</i>	Year 6 Blue	W	Comets	26-25	Very close game! We were down by two most of the game, with our last quarter getting up by 1 to win! The kids played really intensely, and defense got lots of touches and mids transitioned it down very well. Goalies had to work so hard to get the ball close to the ring as Comet's defenders were very good. Overall a really good game and learnt a lot about pressure just before finals! MVP: Sukti
Netball	<i>Sarah Jackson</i>	5/6 White	D	Linden Park	18-18	This was another strong performance from a group that continues to build positive connections with each other on court. We were down by 10 goals at half time, a couple of first-time position changes worked to our advantage. Our defensive pressure was outstanding, our attacking end worked hard to maintain both front and back space and were clever in their communication and passing. Amazing comeback ladies!
Netball	<i>Will O'Callaghan</i>	4 Blue	W	East Marden	28-1	In a completely different game from last week the team came out in blasting heat and sunshine, securing the victory over East Marden 28-1. This was a comprehensive victory and we played with some great movement down the court implementing our work from training. Our shooters shot very accurately and had plenty of opportunity as a result of some great mid court pressure especially off their centre pass. As we look to finals in the next few weeks, the group will continue to work hard and strive towards the grand final as we keep growing in confidence in the new age group. Best: Isabella, Harry, Aryanah
Netball	<i>Nerissa</i>	3/4 White	L	Nailsworth Primary	2-5	Great game on the weekend by all. Excellent positioning on the court and a lot of very strong shoulder passes. Really pleased with Jack Cappel's second game. He was reading the play extremely well and took a lot of pivotal intercepts. Patrick provided great pressure in defence to stop the other team from scoring and Katelyn Le did so well sticking with her player and switching from defence to attack.
Netball	<i>Julia Simcock</i>	3 Red	W	St Josephs Payneham	15-3	Saturday 24 August, Ignatius Red defeated St Joseph's Payneham 15 – 3. It was a beautiful day out and St Joseph's came out firing in the first

						<p>quarter, bringing amazing pressure. It took the girls a quarter to settle in when our defence stepped up showing their strength and speed with quick and long balls out of defence through to the mid court. In the attacking zone, the girls worked hard to make front position against a defence who worked out pretty quickly, that we like the long passes. Best player(s) today goes to Eve, whose passing and defence work was unbeatable and Aria L, whose goals were again, on point. After the oppositions threat in the first quarter, it was great to see the girls come together and put on an unbeatable performance again for the remaining three quarters. Well done girls!</p> <p>Best Player(s): Aria Lalic / Eve Simcock Special mention: Audrey Covark</p>

All girls played their positions correctly and the all-round team performance was brilliant. Maddie played her best game kicking 6 goals, Imogen used her run and kicked 5 goals. Frankie was strong playing in the middle and in defence repelling numerous attacks, with Jemima playing an important role locking the ball in the forward lines. Ava again was strong in the ruck, winning many taps to our advantage and Adele was solid in defence stopping numerous attacks and had a great quarter in ruck too. Other goals kickers were Frankie with 3, Ava 2 and Jemima 1</p> <p>MVP: Maddie, Frankie and Imogen</p>

Netball	Angela Klawitter	5 Blue	L	St Josephs	16 - 24	<p>The team put in a good effort against a very strong opponent. We managed to win the 2nd and 4th quarters, Livinia demonstrating height is not everything defending a much taller shooter, Violette controlling the mid-court and Hannah feeding Sophie in goals. Unfortunately, in the other two quarters St Joes got well away from us and we couldn't quite make up that deficit.</p> <p>MVP: Violette, Livinia and Hannah</p>
Netball	Naomi Davies	4 Gold	W	Marryatville	14-7	<p>What a fantastic end to the season! The girls gave everything they had in the final game for Winter 24 and the result reflected this. Margot was on fire in attack, proving to the coach her versatility. Tiana, Susie and Lauren worked hard as always in the engine room and Sophie set up numerous plays as only she can. Olivia starred in goals with the help of Mariah and special mention to Sophia who played even though she was unwell. I'm so proud of my girls and wish them the best of luck for their careers at the Thunderbirds!</p>
Netball	Julia Simcock	3 Red	L	St Martins Sky	4-10	<p>Saturday 31 August, Ignatius Red suffered their first loss of the season against St Martin's Sky 10 – 4. In this game, St Martin's took over the court and beat us at our own game. The team did not drop their heads; yet continued to fight through the game but it just wasn't our day, and that is ok. Best player goes to Eve Simcock who played in GD, GA and C and whose presence on court was formidable.</p> <p>This team has so much to be proud of this season. They have come together to deliver a champion side; undefeated for all but one game. I saw them grow in skill, capability but most importantly, confidence. It was a privilege coaching a team full of individuality, varying skill and just that little bit of quirkiness; I couldn't have asked for a more enjoyable season as a coach. Thank you to the team, the parents and the school for the opportunity to have been part of this journey.</p> <p>MVP: Eve Simcock</p>

Netball	<i>Natasha Morgan</i>	3 Blue	W	Rose Park	24-8	<p>This game marked the close of the regular home and away season, which we finished in fine style winning over Rose Park with a result of 24-8. We continued to show our dominance through the mid court and transition and our spacing and timing is still developing nicely, building to the important time of the season. Finals will be an exciting new experience for this group, and no matter how the rest of the season goes they should be immensely proud of their efforts in their games and individual improvement.</p> <p>Best: Harry, Aryanah, Nicole</p>
