Cricket	<i>Tony Wright</i>	Year 5/6	W	CBC	SIC 1/110 CBC 9/80	Sayan 15* Noah 12* and 2/1 Ashton 9* and 1/4 Henry 8* and 2/6 Isaac 2/3 A comfortable win for SIC with CBC being bowled out for 80 with an even contribution from our bowlers and multiple wicket takers in Noah, Isaac and Henry. Chasing the 80 SIC batted well and again it was an even contribution across the team with 11 of 12 batters retiring and the only SIC wicket to fall was a good run out (direct hit) by CBC. Highlights batting were Sayan 15* and Noah 12* off only 10 balls each. It has been pleasing to see significant improvement across the team in this short season in all facets of the game, in particular, the backing up in the field and clear calling by the batsman has improved the running between the wickets. Thanks again to all our team members that fielded for CBC.
Tennis	<i>David Carey</i>	Primary B Red	W	Pulteney Grammar	SIC 9 sets 54 games Pulteney 0 sets 0 games	The students played a great match and displayed wonderful sportsmanship, encouraging each other and the students on the other team. Everyone worked well together and communicated effectively on the court through their doubles games. Well done team!

KANGA Cricket	Justin Carter	Year 3 Blue	W	Norwood Primary School	SIC 93 (5/58) NPS 75 (7/50)	Charlie (3/4 + 2 ROs[2]) Nicholas (24 runs) Arthur (not out and tidy bowling figures) St Ignatius Blue played out a closely fought match this week against Norwood Primary School. SIC scored 58 runs compared to Norwood's 50 and took 7 wickets to Norwood's 5 which ensured their victory. The tight bowling from both sides restricted scoring opportunities, however Nicholas was back to his best with 24 runs. Xavier also scored double figures with 12. Charlie was the stand out bowler with 5 wickets taken from his 2 overs which included a close in reflex catch taken by Harvey.
KANGA Cricket	Dinesh Anthony	Year 3 Red	W	Marryatville Primary	SIC: 96 Marryatville: 93 Won: by 3 runs	Batting: Henry – 22 runs Bowling: 3 Wickets by Arnie Fielding: Excellent team work Excellent game of cricket in tough conditions. The day was very windy, and it was a very difficult wicket to bat. Not many runs were secured off the bat. Fielding was kept tight by a team which has grown in their skills. Luca, Issac, William, Leo, Louis, and Quinn demonstrated significant progress, and this reflected on their performance on the field today. Henry and Zavier produced some stunning runouts. Alfie remained very economical and secured 1 wicket. The team was driven to perform at its best to secure a victory when Arnie and Henry got extra overs to bowl. Arnie got 3 wickets off his last over conceding no runs and Henry conceded only 2 runs in the last over. This was just enough to secure a win with the narrowest margin of 3 runs in the last match of the Term 1. SIC Red have remained unbeaten this term and this has been possible because of playing cricket in the right Ignatian spirit and supporting each other to do their best. A fitting end to a great season.
Teeball	Lachlan Bartlett	Year 4/5	W	PAC	SIC 17 runs PAC 7 runs	In a very pleasing sign, the team put together their most complete all-round performance for the Term. All students contributed across the game whether with the bat, or in the field where there were brilliant catches and run outs. It was very pleasing to see the team play cohesively for the entirety of the match.
