Sport	Coach	Team	W/L	Opposition	Score	Comment
Basketball	Mason Manning	Senior A	Def	Blackfriars	71-48	<p>The boys came out strong and didn't look back. It was very hard for Blackfriars to score, caused by the full court pressure.</p> <p>The boys were very aggressive offensively, getting to the rim. This has been very important given their recent three-point shooting struggles early in the season.</p>
Basketball	Mason Manning	Senior A	Def	Marryatville	77-37	<p>The boys started off a bit slow in the first quarter before easing themselves into the game. This was a common theme among all teams this weekend.</p> <p>Marryatville had a couple of dangerous players including a very tall player which caused some early foul trouble all round. However, the boys adapted to the umpiring and were able to pressure without fouling.</p> <p>It was a good start to the season but there will need to be improvement for next week.</p>
Basketball	Mason Manning	Senior A	Def	Rostrevor	44-34	<p>This was going to be a much tougher game than last week, and the boys came out a lot stronger. It was very much a defensive game with neither team shooting well from outside. After weathering the initial pressure applied by Rostrevor, we were able to apply some of our own pressure and go on a run towards the end of the first half.</p> <p>The boys maintained this lead well and continued to dominate inside, frustrating Rostrevor.</p>
Basketball	Mason Manning	Senior B	Def by	Blackfriars	49-51	<p>The boys came out strong in the second, putting more pressure on the ball and making it hard for Blackfriars to score. Unfortunately, there wasn't quite enough time left in the game to recover the damage done in the first half.</p> <p>There was a lot to take away from that game both as a team and for players individually.</p>
Basketball	Mason Manning	Senior B	Def	Marryatville	56-22	<p>Another slow start to the game and we never really found our mojo. A lot of the boys hadn't played with each other before or hadn't for a while, so it was a lot of getting to know each other.</p>

						As the game went on, I started to see some promising sequences of play. As we play more and more the boys will learn how each other play and work to each other's strengths.
Basketball	Mason Manning	Senior B	Def by	Rostrevor	37-50	<p>Rostrevor were a very athletic team and played with a lot of paces. This caused us to struggle defensively and rebounding the ball.</p> <p>Whilst there were several individual lapses of concentration leading to scores, I think that the boys lack of chemistry was really telling.</p> <p>However, there were glimpses offensively and defensively where the boys clicked and were on the same page. Hopefully these are things to build on in the coming weeks.</p>
Basketball	Mason Manning	Senior C	Def	Blackfriars	37-32	<p>Up against another tall team in Blackfriars, the boys came out strong and got out to an early lead.</p> <p>Defensively, the boys were very strong in their zone, limited a lot of drives and forced low percentage outside shots. As is a common trend so far this season, the boys struggled rebounding the ball but were able to come up with some big ones down the stretch.</p> <p>It was a very close game towards the end, made even closer by poor decision making in key situations. However, it was a good win and a lot to build on.</p>
Basketball	Mason Massing	Senior C	Def	Marryatville	77-19	<p>Another slow start to the game but the boys quickly eased into the game and dominated Marryatville.</p> <p>The boys put a lot of pressure on the ball creating several turnovers due to Marryatville's lack of ball handlers. This led to several scores in transition and outrunning Marryatville all game.</p> <p>Marryatville weren't the strongest team, so we look forward to a bigger test next week.</p>
Basketball	Mason Manning	Senior C	Def by	Rostrevor	17-40	<p>Like the Bs, Rostrevor were a very athletic and tall team. This caused struggles defensively and serious problems rebounding the ball.</p> <p>This was the first week that this group of players have played together, adding additional complications with chemistry.</p> <p>However, as the game went on, the boys got better and better offensively attacking the basket and moving for each other.</p>

						Hopefully in the coming weeks, we can see more and more cohesion on the court.
Basketball	Maddy Hinton	Middle A	Def by	Blackfriars	27-48	Another tough loss for the Middle A side this week against Blackfriars. The team started well with the score being 6-8 just before the quarter time siren, until a Blackfriars player hit a buzzer beater three, extending the lead by 5. Blackfriars extended their lead in the second quarter, the half time score being 11-25 in their favour, starting to hit some outside shots which Ignatius struggled to contest. The third quarter started, and Ignatius were much more disciplined and focused, contesting their three-point attempts, significantly lowering their percentage, improving rebounding, and driving to the basket more, resulting in fouls and subsequent made foul shots. The last few minutes of the game saw Ignatius extend their defence to full court, placing the opposition under immense pressure, resulting in many more scoring opportunities and makes. Despite these improvements, Blackfriars continued to chip away and maintain their lead to win the game by 20. Well, done by all.
Basketball	Maddy Hinton	Middle A	Def by	Rostrevor	23-78	Another tough game for the Middle A side against a very skilled, high quality, cohesive and organised Rostrevor side, filled with state and club players. The boys started very well to only be down by 8 at quarter time, but turnovers and the experience of Rostrevor started to show as they rebounded well, found their form from outside the arc and started finishing well around the ring. Despite the score, all players fought hard until the final siren, still trying to score and get steals. There were also some positive things to take from the game, such as some great rebounding, particularly as Rostrevor had some very tall and skilled players, improved split line defence and defensive cohesion, as well as some great finishes and scoring shots. We take the lessons we learnt from this week and last and look forward to the next game, where we look to get our first win of the season. Well, done to all.
Basketball	Maddy Hinton	Middle A	Def by	Marryatville	27-79	A tough first game for the Middle A team against a quality and cohesive Marryatville side. The boys started strong, finishing well in the post, and rebounding hard, leading the game in the first few minutes. Marryatville began applying full court, high intensity pressure to the team, who struggling to maintain possession and navigate the defence, resulting in many loose passes, turnovers, and easy transition layups for the opposition. This was the main challenge throughout the game, which we will continue to work on throughout the season, but there were also promising signs, such as good passages of defence, good transition play and some great shooting. Well, done to all, particularly as there were only six players.
Basketball	Maddy Hinton	Middle B	Def		50-27	A great first win of the season for the Middle B team, playing fast-paced, team-first basketball. The team started strong down both ends of the court, placing

						Blackfriars under pressure defensively resulting in deflections and steals, leading to open transition scores. The transition play throughout the game was fantastic, starting from strong defensive rebounds, running the lanes wide and unselfish passing. The defence improved throughout the game as well, with a focus on applying pressure on the ball and containing players and getting off-ball steals rather than on-ball steals, a strategy that proved effective and resulted in more transition. When transition was halted, the team executed offensive actions and sets worked on at trainings, resulting in more scores. A great way to mark the first win of the season for the B's, with all players performing their roles and contributing to the team-orientated style excellently. Well, done by all.
Basketball	Maddy Hinton	Middle B	Def by	Rostrevor	34-50	A great effort from the B's today against a quality Rostrevor side. The first quarter began, and Rostrevor came out firing, rebounding hard making tough contested finishes. In the second quarter, Rostrevor outscored Ignatius 23-8, resulting from a lack of split-line defence and lots of turnovers. After being down 34-12 at half time, the team tighten their defence, applying more pressure on Rostrevor's ball handlers, causing many steals and fast break layups. The cohesiveness of the team's offence improved as well, finding each other on cuts and executing offences. The team outscored Rostrevor 13-7 in the third term and both teams scored 9-9 in the final quarter, showing significant improvement. The team kept Rostrevor to just 16 in the second half after a big scoring first half, which is a credit to the team's defence, spirit of never giving up and making necessary adjustments. Well, done to all.
Basketball	Maddy Hinton	Middle B	Def by	Marryatville	31-60	A solid start to the season from the team despite the result. Early on, the team found success at the foul line, driving aggressively to the basket, forcing their defence to concede many fouls. As the game progressed, the defence tightened and rebounding improved, limiting Marryatville's ability to gain second chance scores under the ring. Offensively, the spacing and team cohesiveness improved, players finding more lanes to the basket and converting midrange floaters and jump shots. Towards the end of the game, as the opposition started to fatigue, the team were able to get many transition layups and scores, originating from pressure defence. Well, done to all.
Basketball	Max Busato	Middle Navy	Def by	Glenunga	10-16	In a fiercely contested match against Glenunga, the Middle D basketball team displayed remarkable defensive prowess, holding their opponents to a tie in every quarter. Despite their valiant efforts and commendable defence throughout the game, a few critical lapses in the closing minutes allowed Glenunga to secure a narrow victory. Although disappointed with the result, the team showed resilience and determination, promising to learn from their mistakes and bounce back stronger in future games.

Football	Geoff Riddle	First XVIII	Def	CBC	66-42	<p>With some key playing personnel out including skipper Ben Hogan it was a great opportunity for others to step up and for us as coaches to see how far we've developed the players both individually and as a group.</p> <p>We controlled the game getting it played on our terms and although we were dominating the Inside 50 count, we couldn't capitalise in front of goals leaving us only with a 4-point lead at ¾ time.</p> <p>With the game in the balance the message at the last break was about being better for longer than the opposition and getting reward for our effort having been the best team on the day thus far. Our persistence finally paid off as we were able to kick a few unanswered goals to run away with a relatively comfortable victory.</p> <p>Max Barilla stood up as a full-time midfielder setting the tone for us early and hitting the scoreboard while Seb Rice and John Dwyer controlled our defence all day.</p> <p>It was pleasing to play consistent over 4 quarters of football and show the players that what we are doing is working.</p>
Football	Geoff Riddle	First XVIII	Def	St Peter's	98-23	<p>This week was about backing up the good work we did last week and trying to install some consistency in our game. Our focus was worrying about what we can control and sticking to our structures knowing if we do this we would win and gain further confidence than our new style holds up.</p> <p>Our 'team' defence was exceptional all day and for the 2nd week in a row we were able to stop the opposition generating any sort of ball movement forward, only conceding 8 scoring shots is a credit to that whilst our 'team' offense was the best it's been all year seeing us kick our highest score for the year with 7 different goal kickers.</p> <p>Hugo Black and Max Barilla in the midfield set the tone early providing numerous forward entries allowing us to dominant the scoreboard while John Dwyer and Nick Holt controlled the backlines setting up several offensive plays from the back half. Year 9 Harry Hodges showed plenty at Centre Half Forward kicking 3 goals.</p> <p>Overall, another fantastic team game and reward for the hard work the boys have been putting in and we look forward to taking on Mercedes again with some newfound confidence.</p>
Football	Daniel Wakim	Second XVIII	Def	St Peter's	55-51	<p>We were off to a sluggish start, shown through a lack of urgency, pressure, and execution of fundamental skills. Fortunately, we remained within a goal of St Peter's at the quarter time break. It was very pleasing to see the boys respond and</p>

						<p>put together a dominant second quarter; we lead by a few goals at half-time. The final two quarters were an arm-wrestle, as we were unable to extend our lead. Our missed tackles costed us on a few occasions, however, during the times we had possession, we looked threatening entering our Forward50. St Peter's gathered momentum in the last quarter to hit the front, before our boys were able to kick back with five minutes left. After a very tense last few minutes, we were able to hold on to a 4-point win. This performance taught us about resilience, the standards we set for ourselves to keep becoming a better team, and composure under pressure.</p>
Football	Tom Pontt	Middle 8/9	Def	Pembroke	68-44	<p>The boys played well as a team. Strong tackles, shepherds, contested possession wins and daring runs across halfback assisted clean delivery to our forwards who split the uprights. Our 3rd quarter saw our lads take hold of the opposition and set up the win in the last quarter. The momentum is building each week and we a strong cohort of keen footballers. GO WOLVES!!</p>
Soccer	Mr Picca	First XI	Def by	Rostrevor	0-3	<p>3 – Atem Ring 2 – Luca Larobina 1 – Marcus Vernillo</p> <p>The First XI Soccer Boys were unfortunate to lose against a strong opposition in Rostrevor College in Round 2 of the Div 1 competition on Wednesday evening. Despite SIC facing illness, injuries, and inexperience, the boys put up a strong fight against Rostrevor and demonstrated some strong passages throughout the match. The first half was dominated by whichever team had the possession, and who played with more composure. There were passages where both teams shared this domination, but ultimately it was Rostrevor who were able to open the deadlock with a long ball over the top, with their striker running on to a 1-v-1 to put themselves up 1-0.</p> <p>After some half-time changes, Saint Ignatius came out firing and nearly evened up the scoreline with fantastic opportunities through a push on Rostrevor's defence. But, against the run of play, Rostrevor were able to counter-attack and put another at the back of the net to go up 2-0. From then on, it was a difficult fightback more mentally than physically, and Rostrevor's clear experience and depth proved too strong, ultimately winning the match 3-0.</p> <p>We showed passages of fight, but with such a young squad, there were a few learning opportunities to reflect upon, and take with us through the rest of the season. Special mentions go to Ring, Larobina, Vernillo, and our Goalkeeper Tumbi Kalua for putting in some very impressive saves.</p>

Soccer	Cristian Rodi & Pietro Totani	Third XI	Def	Pembroke	8-4	The boys played great in both halves having improved their chemistry greatly in such a short amount of time. Although the team is slack with arrival time, they take the game seriously and put in their best efforts
Soccer	Declan Munn	Middle B	Def by	Nazareth	1-5	This week, the boys displayed remarkable determination and spirit in their match against a formidable Nazareth team. Despite the disappointing score line, our team gave their all. We started each half with strong competitiveness, implementing many tactics practiced during training and generating several offensive opportunities. However, even with ample service our attack was unable to find the back of the net. While the result was a loss, our players ended the game on a positive note, recognizing their improvements and showing great promise for future matches.
Soccer	Eddy Glavas	Middle C	Def	St Peter's	5-2	A spirited performance by the Middle C team. After a narrow defeat last week, the team fought hard right to the final whistle to consolidate the win from an early lead.

Ignatian Sports Reports (Girls)

Term 2, Week 3&4

Saint
Ignatius
College

Sport	Coach	Team	W/L	Opposition	Score	Comment
Badminton	Michael Kolisnyk	Senior A	Def	Loreto	6-0	A completely clean sweep this week with no games or sets lost. A great start to the season and hopefully we can continue this to finals
Badminton	Michael Kolisnyk	Senior A	Def	Nazareth	6-0	Another great game this week against Nazareth. While we're on a streak so far, it's important to be humble in victory, and it's good to see everyone doing so.
Badminton	Arron Nguyen	Senior B	Def by	SDPC		A very close game for the girls this week. Every game was hard fought for.
Badminton	Arron Nguyen	Senior B	Def by	Norwood	117-111	Although winning more points overall, the girls struggled to close out their games. The girls tried to adapt and incorporate different tactics in between sets which helped them close the narrow gap.
Badminton	Mr Miles	Senior C	Def	Mercedes	6-0	Unfortunately, Mercedes did not turn up for the match, resulting in our girls winning by forfeit.
Badminton	Erin Goh	Senior C	Def	Kildare	131-106	Today's matches consisted of good use of strategy and effective shots. Well, done to Oceana and Naomi for their great wins in their singles games. The girls displayed good sportsmanship and looked out for each other.
Badminton	Tinara Dona	Middle B	Def by	SDPC	96-121	The team put on a pretty good fight against a tough opponent. It was nice to see evidence of everyone attempting to hit towards the sides and weaker spots of their opponent (which in this case was the backhand side).

Badminton	Tinara Dona	Middle B	Def by	SAC	96-136	The team put on a decent fight especially considering it was an early game on a cold Saturday morning. It was nice to have the whole team present and see evidence of each of them attempting to hit away from their opponent.
Badminton	Arron Nguyen	Middle D	Def	Marryatville		Very well played games by the girls this week. Everyone won their games with high confidence.
Badminton	Emmanuel Goh	Middle E	Def	Norwood	143-59	Today the girls came out extremely motivated against a great Norwood side. Winning all their matches and dropping just one game, the girls used great tactics and effortless power to outmanoeuvre Norwood. This puts them in a great position in just the second week as they eye a finals spot later this season.
Badminton	Emmanuel Goh	Middle E	Def	Marryatville	114-86	The girls faced an extremely tough opponent in Marryatville High school, with the first doubles losing in straight sets and the second going to three sets. However, the girls showed great determination to recover in their singles matches, winning 3/4 of all singles to take home the win. Looking forward to what the rest of the season brings!
Badminton	Erin Goh	Middle G	Def by	SDPC	89-129	The girls made full use of their warmup and were keen to get straight into their games. St Dom's kept them on their toes today, with lots of fast-paced rallies. Great job to Charlotte who made a confident comeback after a tight first game.
Badminton	Erin Goh	Middle G	Def	SDPC	128-127	The girls have shown great improvement in their game play with their first win this season! The team maintained good stamina throughout their matches and persevered when games went into the third set.
Badminton	Stella Waugh	Middle H	Def	OLSH	136-57	Our girls played with determination and displayed cheerful sportsmanship towards the opponents who were also beginners. Great outcome in boosting team confidence.
Badminton	Stella Waugh	Middle H	Def	OLSH	129-90	Our girls showed camaraderie & support for each other within the team. All played their best thus far to win comfortably, especially Diya K.
Football	Jaz Egan & Alex Hinton	First XVI	Def	Cabra	71-0	Dominant performance from the girls with a huge win of 71-0. Their relentless offense and impenetrable defence left the opposition scoreless. The six goal kickers include: Phoebe, Lily, Montana, Tanya, Lola, and Lucy. Overall, awesome effort from the girls!
Football	Jaz Egan & Alex Hinton	First XVI	Def by	St Michael's	8-34	Physical game by the girls. Leading for the first half of the game not only on the scoreboard but also with their repeated efforts and disposals. Unfortunately fell away in the last half with SMC kicking four goals on us. Despite this the girls maintained great sportsmanship and continued to tackle hard, while honouring the important round that is Reconciliation Round.
Football	Mrs Freeman/Ms Tompkins	Middle A	Def	Trinity	50-29	On Friday night the Middle Years Girls Football team had the opportunity to play Trinity College at Home on the Atkinson Oval. After a week filled with activities, the team was ready to take their momentum to the field and convert this into a

						<p>win. A steady start saw the team adjust to playing on a smaller field and become comfortable in new positions. Ava Thomson set the game alight with her impressive work in the ruck. The team effectively maintained possession, with midfielders Evie Till and Amelia Pertini tirelessly driving the ball forward. They were well-supported by successful leads from Nieve Hannon-Tan and Grace McCarthy. The team entered the halftime break with a lead over Trinity College. Despite the physical nature of the game, the team remained focused under pressure. Amelie Kelly was crucial in commanding the defensive half, consistently seeking the best options on the field. Her control in the backline assisted our midfielders to collaborate and link up handballs to move the ball forward. The team ultimately secured a victory with a score of 50-29. We look forward to our next opposition of St Michaels next Friday.</p>
Football	Mrs Freeman	Middle A	Def	St Michael's	40-39	<p>Another impressive performance from our Middle Years team. As we travelled across to St Michaels' College on Friday evening, we knew it would be a tough competition. Before the match Nieve Hannon-Tan led us through an Acknowledgement of Country to recognise and celebrate Reconciliation Round. Filled with inspiration and excitement we took to the field. Ava Thomson broke the game open with two impressive goals within the first 5 minutes. It was a physical game that saw many players putting their bodies on the line to keep possession of the ball. St Michael's College had some talented players that put pressure on our defenders. Hadley Kent and Olivia Dair stood up to the challenge and took multiple impressive overhead marks when required. Our midfielders worked tirelessly to break through the congestion and consistently applied pressure through strong tackles. There were multiple successful passages of play which saw the ball transition from the back line of defence towards our forwards. Amelia Kelly was a utility player across multiple areas of the field. Going into the last quarter we were 10 points behind. Our intentions were clear, and our focus was on obtaining the win. A selfless player, Scarlett Whiteman set up opportunities for her team to be successful in the forward line. Her spatial awareness allowed Phoebe Doyle to find her straps as a handy forward pocket. The Middle Years team worked tenaciously to come away with a one-point win, 39 – 40 points. Special mention to Ruby Hinton who played her first football game today. We look forward to taking on our next challenge of Loreto College next week.</p>

Netball	Ms Besanko	Open A1	Def by	Mercedes	28-31	The girls were caught by a slow start in the first quarter. Megan and Ella stood up well in the shooting circle to the much bigger Mercedes defenders. After a rest at the quarter break, the team focused on finishing leads fast and increasing pressure in the defensive circle. This worked to our favour for most of the Quarter and Jas combined well with Tahlia to make some good entries into the circle. The second half of the match we started to find our rhythm and trust in each other on the court. After going into the final quarter 11 goals behind, every player worked extremely hard to close the gap to just 3 goals at the final whistle.
Netball	Ms Besanko	Open A1	Drew	SHC	31-31	The girls responded positively to feedback from our last game and started with intensity and focus in the first quarter. Maddy and Megan worked hard through the mid-court, providing strong options for Lily and Funke who were effectively bringing the ball out of defence. We were able to capitalise on some good defensive pressure from Sarah and Grace with Ella and Tahlia combining well to score quickly in the second and third quarters. As the game continued we found it challenging to maintain our lead and were impacted by our opposition's pressure. However, this game provided us with an opportunity to learn how to 'hang-on' for a draw, an important skill that will serve us in close matches in the future,
Netball	Jordan Cowles	Open B2	Def by	SHC	20-30	Although we didn't come away with the win, we had a great start to the season with some impressive talent on show. Our whole court defence was very tight with lots of intercepts and touches consistently in all four quarters. It was promising to see such strong drives throughout the midcourt and lots of circle edge feeding into the goalies. Special mention to sister combination Abby and Chloe who read of and worked together beautifully
Netball	Jordan Cowles	Open B2	Def by	Mercedes	10-24	It was a tough game this week coming up against such a tall and strong side. Our goalies struggled to get into good positions under the ring at times, but they persisted and continued to work with the mid court to feed the ball in from the circle edge. After an injury sub after the first quarter, we adapted quickly and worked through several rotations of talent through the mid court. Our defensive end was particularly impressive with special mention to Mackenzie and Lily who applied great pressure from the centre passes through to the ring.
Netball	Jordan Cowles	Open B2	Def	Nazaret	21-20	This game showed the standard of netball that can be achieved if all players play together and to the team plan. The first quarter set the intensity of the contest and every player realised that if we wanted to win the match we would need to work hard for every position on the court and every ball. Mackenzie steadied the team through the mid court in the first quarter and was an excellent link between every dynamic Abby in attack and the superb defender Olivia. Chloe Whiteman worked her way into the game in the second quarter and made a massive impact through her pressure on the ball in the mid court in the final three quarters as she directed play and valued possession of the ball. Sofia played brilliantly in the defensive circle and made many valuable turn overs. Evie grew in confidence as the game progressed, working hard in both the goal ring and the wing attack

						position. Eva Di Iulio never gave up in her effort through the mid court, creating great pressure and opening up space. Chloe Beinke was a weapon as well as a leader at both ends of the court and she assisted the younger players to deal well with the pressure of the opposition. Leni shone in the final quarter as she directed play through the goal circle and finishing her shooting with accuracy ensuring that we won by the narrowest of margins at the final whistle.
Netball	Will O'Callaghan	Open B3	Def by	Cabra	19-30	The team came up against a well drilled Cabra side but did not let the skill and physicality from the opposition affect our effort and resilience for the entire game. Our end scoreline of 19-30 was very consistent and at no point did we drop our heads which was very impressive, especially with most of the team running out full games in a high intensity game. It was a promising sign to see some of the structural work we have focused on being implemented into our first game and looks like very exciting things are ahead for this team.
Netball	Will O'Callaghan	Open B3	Def by	SHC	24-26	Wow what a game! Coming up against a strong Sacred Heart team the girls knew it was going to be a fight till the end. We started strong turning a few centre passes and executing the structures previously worked on to perfection, which is a very promising sign for the long season ahead. Sticking with this very talented team until very late was a great effort from the team and even though we did lose 24-26, we showed a lot of signs of the things to come. It was very pleasing to see some of the defensive structures we have in place come off successfully.
Netball	Amelia Wilson	Open B4	Def by	SHC	7-35	The girls went down to a high-quality team in Sacred Heart. The score did not reflect the overall effort and resilience of the team with the girls giving it their all throughout the game. The game was a good learning opportunity moving forward. There were a lot of positive signs with lots of tips and touches from our defenders and Kari played a great game throughout the mid court and Montana provided lots of run and movement in attack.
Netball	Amelia Wilson	Open B4	Def	Loreto	18-12	The girls should be very proud of their effort in today's game. We started with only 5 players and then a sixth joined halfway through the first quarter. The girls brought the fight to this week's game and were much improved from last week. Lara played an outstanding game in defence and generated many turnovers and touches. Great determination and effort from the girls.
Netball	Amelia Wilson	Open B4	Def by	Cabra	18-31	Not for the first time this season, the scoreboard didn't reflect the pressure and effort from the girls. We had a slow start which allowed Cabra to find their groove and we took a while to recover from this. Sabina played an outstanding game dominating her opponent and creating a lot of our offensive play. Our basic skill execution didn't come as naturally or as often as it needed to in order to put up a really strong fight and ultimately get the result.
Netball	Kain Noack/Ms Carey	Open B5	Def	MMC	23-15	A great start to the season. Led by our defence, in particular Ruby, and Captain Kez who was awesome, we played with confidence from the get-go. Our double Mignone duo dominated the mid court whilst our front court of Inara and fill ins Ava and Jess out the cream on the top for some great connected team play. Fun, energy, intensity, and a bit of craziness makes for a good team.

Netball	Kain Noack/Ms Carey	Open B5	Def	SAC	27-16	Another great win from the girls. With only 7 players, we played some great team netball. Tight defence from Kate and Gabby created multiple turnovers resulting in some excellent transition play. Our front court combination of the Mignone twins and Inara proved effective. Our timing of leads and utilisation of space was a highlight throughout. Two from two – what a start and so much fun.
Netball	Kain Noack/Ms Carey	Open B5	Def	OLSH	30-14	The winning streak continued. Another excellent team performance highlighted by great composure and decision making. Lily returned as if she'd never left, with her and Mia dominating the mid court. The great connection between Inara and Zara continued in the ring. The wise defensive heads of Kate, Ruby and Ella created multiple turnovers resulting in attack transition. Thanks to the fabulous Lehmann family for providing biscuits to help celebrate Indigenous round.
Netball	Layne Emmanuel	Open C6	Def by	Open C7	18-25	The girls played their first game against Ignatius which was hard. They started with a strong first quarter and despite losing in the end they displayed good effort and enthusiasm throughout the game. The girls can bounce back next week.
Netball	Layne Emmanuel	Open C6	Def	Loreto	16-11	Despite having a few absences, the girls played a good game today to get their first win. They worked very well together as a team at both ends of the court, utilising clever passes into the shooters and putting the Loreto attackers under pressure. Big thanks to our fill ins Kiara and Gaby.
Netball	Layne Emmanuel	Open C6	Def by	Cabra	14-32	It was another tough game for the team today. However, as in previous weeks, the player's effort and enthusiasm persisted until the end. They improved throughout the game and played a good second half. The shooters worked well together in the ring and a couple of the girls had good performances in positions that were new to them.
Netball	Mia Kelly	Open C7	Def	Open C6	25-18	The girls came together and had a great time on court, and this was clearly reflected in the result of the game. They were communicating effectively, and everyone played their role effectively. Kiara was a standout player, driving into the ring along with Isabel who turned the ball over often in defence. A great game overall.
Netball	Mia Kelly	Open C7	Def	OLSH	28-5	With only 7 players, the girls had to fight exhaustion and push through. The ball movement down the court was smooth and fast and there were many turnovers made by a variety of players. All players put in a big effort but most importantly they had fun for the whole game. The C7s really came together as a team and their hard work paid off.
Netball	Soraya Barone	Open C8	Def	OLSH	26-3	The Open C8 team started the season strong with a great performance. Down one shooter, the girls had to adapt to new positions, and they exceeded expectations. Grace Pertl was a standout playing all positions.
Netball	Soraya Barone	Open C8	Def	Cardijn	20-19	The girls started the game very strongly gaining an early lead. The girls adapted to all the different positions that they were asked to play. All players worked hard right to the final whistle allowing us to come away with the win.
Netball	Soraya Barone	Open C8	Def by	Loreto	9-25	The Open C8 Team were defeated by Loreto today and it was a tough game with most of the opposition being much taller than our team. The girls worked really well to spread out and work on leading towards the ball. Lauren played a great

						game in defence picking off many rebounds and Grace fought really hard against an aggressive player.
Netball	Mrs Freeman	9A1	Def	SHC	34-32	The girls played a great game today.
Netball	Mrs Freeman	9A1	Def by	Nazareth	28-32	Going up against Nazareth we knew it would be a tough game. With players in different positions and new players filling in, the 9A team were met with a challenge from the start. Our mid-court players were put to work with Zara Valente ensuring the ball was kept in possession of our goalers. Ailish O'Callaghan worked the circle well to convert many scoring opportunities to goals. The team found composure and string together three great passages of play in the second quarter to give us a nice lead. Kemi Odusanya was a reliable player in defence who caused many intercepts. Unfortunately, Nazareth converted four goals in the final quarter to come away with the win. Given the circumstances, the team should be very pleased with their efforts.
Netball	Mrs Freeman	9A1	Def	St Michael's	42-36	To celebrate Reconciliation Round we listened to an Acknowledgement of Country. The team was filled with inspiration and excitement ready to take on St Michael's College. It was a physical and fast paced game. We started well scoring a few goals early. Chloe Cox used space well and created multiple scoring opportunities for herself and Ailish. We went into the half time break even with our opponents. The team came out strongly in the third quarter. It was then that we were able to reap the rewards of the hard work the team had been putting in at training. Together, we were able to have composure around the ball, make perfectly weighted passes and be aggressive in defence. Amelia matched St Michael's physicality and this allowed our mid courters the opportunity to create space and move the ball well into our goalers. Our defenders consistently applied pressure and Kemi was a fierce competitor and forced multiple errors from her opponent.
Netball	Mia Eliseo/Emily Washer	9B2	Def	SHC		The girls had a great first game coming away with a solid win against a competitive side. Our shooting and defensive efforts were impressive all game especially from Ava who played a great game in defence. With lots of turnovers coming our way we were quick to transition the ball and capitalise. Credit to Grace for her repetitive leading and great shooting.
Netball	Mia Eliseo/Emily Washer	9B2	Def by	SHC		A tough game for the girls today against a strong opposition. Despite the margin, the girls kept fighting all games and produced some great passages of play. Shout outs to Grace and Alannah for having a go in defence and both doing a great job. This allowed Ava an opportunity to have ago in shooter and show off her basketball skills.

Netball	Mia Eliseo/Emily Washer	9B2	Def	MMC	43-12	The girls had a massive win this week as sadly the opposition only had 6 players. Despite this, it was a great opportunity for the girls to work on their attack and try some new positions. Shout out to Lily and Khyara for doing a great job in shooter.
Netball	Lucy Hodges/Grace Carter	9B3	Def by	Marryatville	21-36	The girls started strong, and they were able to work together in the defensive third. There was strong competition through the mid court, but some ineffective passes allowed the opposition greater scoring opportunities. Overall, the shooters flourished throughout and started to build a strong partnership throughout the quarters.
Netball	Lucy Hodges/Grace Carter	9B3	Drew	St Miichael's	22-22	The Ignatius 9B3 team had an extremely tight match against a strong St Michael's team. St Michael's dominated the first half; however, our girls rallied at half time and produced some excellent netball to come away with a draw. It was extremely encouraging to see this team start to form a real camaraderie and there was individual player improvement across the board. Our ball movement down the court and shooting accuracy kept us in the game.
Netball	Lucy Hodges/Grace Carter	9B3	Def by	SHC	16-31	The girls were very motivated to get a win after the heart-breaking draw last week. In the first quarter it took time to get the momentum going but the team held their ground. Unfortunately, in the third quarter, Sacred Heart got the lead due to our own silly errors and converting them into goals. Overall, the team tried hard but were unable to hold it all together for the whole game.
Netball	Sarah Douglas	9C4	Def by	SHC	13-28	This was always going to be a challenging game as our opposition were significantly taller than us. We started well, by running in front and passing strongly. Leah showed great confidence to play in goals for the team and grew in confidence in this position. Sibella was excellent in goal attack as she never stopped making great leads and taking good shots at goal. Our highlight for the day was our individual defensive effort. Every girl improved in their ability to stay in front of their player and put pressure on the passes. If we continue to work on our ball handling, we can start to make the most of this pressure. Well, done to all girls and especially to captain Charlotte who led the girls as captain this week.
Netball	Sarah Douglas	9C4	Def	Loreto	Forfeit	
Netball	Ms Gue	8B1	Def	St Michael's	31-10	The girls had an amazing first game. It was incredible to witness the girls working together – it was like they never had time off. I was super impressed with their full team pressure in defence and the smart drives and passing in attack. A huge welcome to Michaele, Lauren and Chloe who all worked seamlessly with the team.
Netball	Ms Gue	8B1	Def	Mercedes	40-8	This was another incredible game from the 8B1 team. The team are working so well together, with constant full court pressure and seamless transitions down the court. Our defensive end was outstanding, causing constant turnovers

						throughout the game. The whole team worked tirelessly to produce a solid win, but better yet, was seeing them play four full quarters with grace and humility.
Netball	Ms Gue	8B1	Def	MMC	35-7	Another incredible win from the Year 8 B1 team. The Iggies girls had a slow start heading into quarter time only ahead by 2 goals. They responded from the quarter break and kept McKillop scoreless for the next two quarters. The girls worked well together to clean up loose balls and dominate the game. There were some lessons from the game which I am sure they can take on, heading into a top of the ladder clash against Nazareth next week.
Netball	Alicia Hammond	8B2	Def	SHC	22-21	The girls played well for their first game with Amy and Hadley showing their excellent teamwork in the attack circle. Holly was amazing in GD, reading the ball beautifully and making so many important turnovers. The mid court led by Emily was so important to the team's success. Great linking play was shown by Adelaide and Allegra. Captain, Sirat, was a great leader on and off the court and Julia's sportsperson ship was excellent.
Netball	Alicia Hammond	8B2	Def	St Michael's	31-15	The girls had a great game this week, sporting Ignatian values on and off the court. Special mentions to Holly Roberts and Juia Lei for holding a strong defensive line and making skilful intercepts. Well, done to Sofie Kelly, who although injured, managed to score goal after goal.
Netball	Alicia Hammond	8B2	Def	Cabra	40-9	The girls bought home a massive victory against Cabra and showed amazing spirit during Reconciliation Round. Special mention to Hadley and Amy for their ability to score every centre pass and work as a dynamic dup impressing our crowd of supportive parents and team members.
Netball	Zara Burgess/Mel Richichi	8C3	Def	SDPC	18-12	The 8C3s played well together across all four quarters. They were able to create a defensive wall due to our opponent having one less player. This enabled them to create defensive pressure and turn the ball over. The mid players worked the ball down quickly and the shooters were always in the right spot ready to take a shot.
Netball	Zara Burgess/Mel Richichi	8C3	Def	Cabra	Forfeit	Win by forfeit
Netball	Zara Burgess/Mel Richichi	8C3	Def	Loreto	11-3	The girls were able to stay calm and make good space and leads once the ball was turned over during the game. They communicated well with each other and started to get into a rhythm when working the ball down to the ring. Across the court, the girls created great defensive pressure by sticking tight to their players and having their hands up at all times.
Netball	Ms Tompkins	7A1	Def by	Cardijn	27-32	The girls came our blazing for their first game. Amelia Kelly stepped up to play GD where she excelled at shutting down their GA and she applied great defensive pressure alongside Anhad Brar. Leila, Scarlett, Erin, and Dahlia were strong through the mid court. Jasmine and Charlotte made a stop in at goal town which

						none of their teammates were complaining about! Lots of positives to take away from the game with some areas of learning as well.
Netball	Ms Tompkins	7A1	Def	St Michael's	30-21	The 7As had a point to prove today that they can most definitely be a winning team! They played well against a strong St Michael's side. Charlotte, Jasmine, and Dahlia sunk goals left, right and centre. Erin, Scarlett, and Leila ran beautiful passages of play through the midcourt while defender Anhad and Amelia were able to shut down their attackers and took show stopping intercepts. A great game by all team members.
Netball	Ms Tompkins	7A1	Def	St Paul's	53-10	It was a great game today. The girls played clean and strong team netball by shutting down the opposition's attacking attempts and moving the ball swiftly but smoothly down the court in attack. Scarlett Whiteman was all over the court today taking some great intercepts, taps into space and feeds into our goalies. Special thanks to Olivia Wang who stepped into the team to help out this week. What gun she is at GK. An excellent game played by all.
Netball	Molly Plant	7B2	Def	St Michael's	50-2	The girls started the game exceptionally well, leaving them with a very strong lead in the first half. In the ring on the offensive and defensive side, the girls made consistent efforts at rebounds whilst the wing players provided outstanding support from the outside. They all showed incredible sportsperson ship towards our less experienced opposition. Despite receiving fewer centre passes in the second half of the game, the mid court players worked hard to turn over almost every one of the opposition's centre passes. Well, done girls.
Netball	Molly Plant	7B2	Def	MMC	34-13	Whilst a slower start, the girls played an outstanding second half leading them to win convincingly. Our WDs and GDs worked hard to put pressure on MacKillop's centre passes leading to countless turnovers. Olivia in GK also made consistent efforts at intercepts in the defensive goal circle. Our shooters worked well together in the ring, moving around taller players, and putting up accurate shots.
Netball	Molly Plant	7B2	Def	Loreto	55-9	The girls put in another consistent effort throughout the whole game leading to an exceptional win. The shooters worked hard to get in front and support each other in the ring as well as put up some amazing goals for the team. Our mid court and defence players applied great pressure at centre passes and in Loreto's goal end, resulting in many quick turn overs that lead to goals for our team.
Netball	Joanna Ceravolo	7C3	Def	Cabra	20-5	A great start to the season coming away with our first win. Everyone worked hard the whole way down the court pushing through to the end of the game. The girls managed to get several intercepts and fought hard for the loose balls. Their movement into and around the ring was excellent.
Netball	Joanna Ceravolo	7C3	Def	MMC	16-3	The team played another excellent game earning their second win. Their defensive pressure was evident causing several turnovers and loose balls which

						they all worked hard to pick up. The team's movement down the court was excellent creating a lot of opportunities into the ring.
Netball	Joanna Ceravolo	7C3	Def	Loreto	17-9	The girls put in another consistent effort throughout the whole game leading to an exceptional win. The shooters worked hard to get in front and support each other in the ring as well as put up some amazing goals for the team. Our mid court and defence players applied great pressure at centre passes and in Loreto's goal end, resulting in many quick turn overs that lead to goals for our team.
Netball	Ms Middlemiss/Ella Pacor/Kari Tripodi	7C4	Def	Loreto	35-20	This was a great game that had many moments of awesome sportsperson ship Well done to all players for rotating fairly and working so well together. This team has a lot of potential and the attack and defence was excellent from all players.
Netball	Ms Middlemiss/Ella Pacor/Kari Tripodi	7C4	Def	St Michael's	32-5	The defence were tight and placed a lot of pressure on the opposition. This resulted in many turnovers and hence many scores. This meant that the opposition received more centre passes than us, but the girls never gave up. Sophie in GS drove out of the ring well making a lot of space for Alexis and Kiara also found good space. Mahyuka and Alissa were great team players as well.
Netball	Ms Middlemiss/Ella Pacor/Kari Tripodi	7C4	Def	MMC	22-11	The girls all played well, especially as height was against us. The attacking team did a great job at finding space and we had good accuracy despite the tall defenders. It was a hot day so by the end we were feeling it and need to work on getting in front as we bring the ball down. The defending team did well to implement the base line throw ins.
Soccer	Mr Borgo	Senior B	Def by	Senior A	0-3	This was a challenging game, against the Senior A squad, on a pitch that was a little heavy underfoot. The Senior B players worked very hard to hold their opponents to a 1 – 0 score at half time, which was a tremendous effort considering some of the finishing skills and experience of the opposition. Despite a gallant effort to complete through to the end of the game, Stella Mediati scored two long range goals late in the game to seal the win for the A Team. In the end, it was a valuable learning opportunity, especially regarding defensive structure.
Soccer	Mr Borgo	Senior B	Def by	SHC	0-3	Despite a valiant effort from our girls, the Sacred Heart team were too strong in the end. They had some talented and obviously experienced players who were difficult to contain. Our learning journey continues, and we look forward to a challenge against Kildare soon. Well, done to Nieve who is showing exceptional promise in goals, including stopping a penalty kick.
Soccer	Hannah McBain, Mia Sergiacomi & Lucy Hay	Middle A	Def by	Loreto	0-7	This week the Middle girls' team had an away game at Loreto College against tough Loreto opposition. Despite the score, all players worked well together as a team and took on all feedback given at training and on the day. Amelia and Leila did an outstanding job as both goalkeepers and on-field players and the effort level of all the girls until the final whistle was excellent.

Ignatian Sports Reports (Mixed)

Term 2, Week 3&4

Saint
Ignatius'
College

Table Tennis	Mr Lodge	Open A	Def by	PAC	4-16	The SYA1 table tennis team had a difficult game against PAC on Friday afternoon. All the players played well and fought hard in a tough contest. Well, done to Harry Jiang for winning all of his matches.
Table Tennis	Mr Lodge	Open A	Def by	Pembroke	2-18	We played against a very strong opposition and were down two of our regular players. Cameron and Thomas T played well in their singles, and both had a win which was pleasing.
Table Tennis	Mr Fazzini	Open B	Def by	Pembroke	3-17	We were outclassed by a very strong opposition. There were some close games, but we were not able to win the points when it was close. Ryan and Hayden had good close wins.
Table Tennis	Mr Rossi	Open C	Def	Norwood	12-8	An even match in the singles, but SIC played well in the singles to win all 4 doubles game. This gave us a hard-fought win 12 – 8.
Table Tennis	Jasmine Fung	Middle A1	Def by	SPSC	7-13	Overall, a very good effort from everyone. There are many close games played with quite a few deuce points. Well, done to Jacob for winning his 16-14 game and Taran for winning all of his matches.
Table Tennis	Jasmine Fung	Middle A1	Def by	Glenunga	3-17	Everyone's skills have significantly improved since the start of the season, despite once again facing a highly skilled and experienced team from Glenunga. Although the final score may not reflect it, the effort displayed on court was commendable. Best players: Parker, Chris, Taran, Kanav
Table Tennis	Mr Kapnistis	Middle B1	Def	SPSC	8-7	A good performance by the team in what was a very tight game as indicated by the scores. All players played well but special mention to Jayveer Budwal who won both singles and his doubles games.
Table Tennis	Mr Kapnistis	Middle B1	Def by	Glenunga	6-14	Unfortunately, we were beaten by a better team. Credit to all the players on putting up a good fight with some close games. Special mention to Aidan Lee who won both his singles games.
Table Tennis	Ms Henning	Middle B2	Def	CBC	11-9	Students who played exceptionally Dominic Eckermann, Elijah Eliseo. All students played well
Table Tennis	Ms Hennig	Middle B2	Def	Blackfriars	16-4	Team played very well with several extra students available after the Year 8 Camp. Excellent result.

Table Tennis	Ms Minucci	Middle Yellow	Def	Pembroke	14-1	Again, the team has been amazing with the skills that they continue to improve on. There were some (literally) David and Goliath moments especially when Year 7 Ethan beat a Year 9 Pembroke imposing physical giant! Jonathan and Charles had some awesome rallies chasing the ball and stepping back to return the ball with force winning their matches. Each week the players improve especially Jamie and Sam who are new to the sport. Well, done to another exciting week.
Table Tennis	Mr Donato	Middle Red	Def	CBC	8-2	A strong performance by all players against only 4 players from CBC. The games were played in excellent spirit. Well, done to the team for an enthusiastic effort by all. Best players were Michael Giorgi and Diya Jacob.
Table Tennis	Mrs Black	Middle White	Def by	Middle Red	3-12	An entertaining match, with both sides displaying some good skills. James and Andrei won their doubles convincingly, and Chen also displayed some good skills in his singles game.
Table Tennis	Mrs Black	Middle White	Def by	Norwood	6-11	Deandrae and James played well in their winning doubles teams. Andrei and Akarsh both won their doubles, singles, and reverse singles! Renzo had tough competition but rose to the challenge. Well, done to all for great endeavour.
