Badminton	Binh Le	Open C Red	Def by	Gleeson	4-21	Despite the scoreboard heavily favouring Gleeson, it did not show the determination and effort shown throughout every match. All games played were very close which was a positive sign to the start of the season.
Badminton	Stella Waugh	Open C Navy	Def	Norwood	24-0	Our boys played a young inexperienced NMIH team. Our boys were empathetic towards the weaker opponents.
Badminton	Stella Waugh	Open C Navy	Def	Pembroke	26/14 – 1/0	Our boys played their very best and showed courage & determination when encountering tough opponents. Very proud of how they came through to win every set.  MVP: OSCAR LI & JACKSON CHEN both showed good role models of behaviour and determination in their play.
Badminton	Mr Toome	Middle A2	Def by	Glenunga	2-7	Despite the daunting task of fronting up to arguably the most talented team in the competition the boys played with great spirit and determination. After losing all three doubles the team remained positive for singles with Enrique and Matthew achieving success.
Badminton	Mr Toome	Middle B2	Def	Glenunga	7-2	In an inspiring start to the season, the Middle B2 boys overcame a confident Glenunga through sheer commitment. Victory in three of the four singles set up the day with another four victories in singles.
Badminton	Arron Nguyen	Middle B3	Def	Immanuel	10-2	Unfortunately, only some of the boys were able to play games this week. The games that were played were all very close with multiple games going over 21 points.

Badminton	Mr Miles	Middle C Navy	Def	St Michael's	10/20 – 2/6	A great effort by the Middle C Navy boys on Saturday. The match was closer than the scores suggest, with a number of close games, including an epic three-gamer.
Badminton	Ms Deng	Middle C Red	Def by	Scotch	6-19	Given that it was the first game this term. Our players were getting used to the game setting and their new team members. Anthonio and Michali cooperated well, shown

						their support to each other and won the double game. Edward and Samuel had tough games, even though they lost the game, they still learned a lot from it. All the boys were respectful and polite. We look forward to seeing their games next week.
Badminton	Ms Deng	Middle C Red	Def by	Blackfriars	1-9	Our players were still getting used to the game setting and their new team members. Michali and Harri cooperated well, showing their support to each other. Andrei and Samuel had tough games; though they lost the game, they realised that there were other things more important than winning. The boys were respectful and polite. We look forward to seeing their games next week.
Cricket	Mr Bell	First XI	Def	PAC	5/129-4/131	It was a great start to the season for the First XI cricket team. After PAC won the toss and batted first, the boys collectively put together a strong bowling performance to restrict PAC to 129 runs from their 40 overs. It was great to see Henry Bauze back bowling after an injury during Term 1, and wickets shared around between the bowlers. A strong batting performance by Liam Murphy and crucial partnerships in the middle order allowed the boys to chase down the target with overs to spare.
Cricket	Mr Bel	First XI	Def	Rostrevor	9/143 – 10/31	It was an excellent start for the 1 <sup>st</sup> XI boys in the Friday afternoon T20 competition after week 1 was rained off. St Ignatius batted first and, after a shaky start, put together some lower-order partnerships to get the score up to a very defendable 143. The innings was held together by Connor Teh who, only in his second game for the 1 <sup>st</sup> XI, showed a lot of maturity during the innings. The bowling performance picked up where it left off last week with a strong showing by all the bowlers, who bowled Rostrevor out for 31. Riley MacDonald, the pick of the bowlers, took 4 wickets for 1 run.
Cricket	Mr Mullins	Development Red	Def	Westminster	5/71-1/146	Despite the rain and some early dew, the Development Red were keen to start their Term 4 season well.  Having won the toss and bowled, Westminster got away to a fast start, 1/27 after 5. Our bowlers worked their way back into the game nicely. Short spells, tight bowling, and pressure in the field eventually led to some wickets. We suffocated their middle order, restricting them to 5/71 off 21 overs. Connor (1/5) and Seb (1/8) the pick of the bowlers.  In reply, Connor (58*) and Royce (14*) batted beautifully. They put pressure on the bowlers immediately, hitting the bad ball for a boundary and rotating the strike with good running between the wickets. We passed their total in the 14th over, no wickets down, before continuing to build an excellent total, 1/148 off of our 21 overs. A comprehensive batting display.
Cricket	Will O'Callaghan	Yr 7	Def	Westminster	6/87-8/56	A very positive way to begin the term! With us batting first and losing a couple of early wickets, our middle order showed great composure and awareness finding gaps and rotating the strike with great effect. Finishing with 6/87, we held the upper hand which was supported brilliantly by our bowling where we kept extras to a minimum and took wickets consistently throughout the innings.
Tennis	Emmanuel Goh	Open A4	Def	Immanuel	5-2	The Boys came out firing for the first round of the Summer Season, winning 2/3 of their doubles matches. They all impressed with fabulous footwork and improved tactical shot making, allowing for wins against tough opponents. In singles, Christian, Henry, Jerry and Brandon won their singles with ease, displaying their high level despite the

						winter break. A special mention to Ned who saved several match points to win a tough battle 7-6. Overall, can't wait to see what the boys produce in the coming weeks!
Tennis	Ms Gotting	Open C1	Def	PAC	10-0	The boys had fantastic first game for the season, coming up against a younger PAC side the boys had some fantastic rallies and displayed some excellent skill to win all sets very confidently. Well, Done!
Tennis	Mr Sturgeon	Open C1	Def by	Rostrevor	4-8	The result was closer than it looks as two of the sets went to tie-break.
Tennis	Gabe Gallo	Middle A2	Def by	Scotch	2-7	The middle A2 boys played a tough scotch college team, losing overall but putting up a great fight. Special mentions to Bryce Chen for managing to win both matches against a strong opposition.
Tennis	Max Busato	Middle B2	Def by	St Peter's	4-8	<p>Our B2 boys opened the season with a competitive match against St Peter's. Despite the final score, there were some impressive rallies and well-executed shots throughout the day. Our players showcased strong serves and consistent baseline play, with several matches coming down to the wire. Tennis	Max Busato	Middle C1	Def by	St Peter's	4-8	<p>The C1 boys kicked off their season with a challenging match against St Peter's. Despite the loss, the team put up a strong fight, with several players displaying solid serves and impressive net play. There were some intense rallies and moments of great control, but St Peter's proved to be tough competitors on the day. The boys are looking forward to refining their game and bouncing back in the next match.</p> <p><b>Doubles:</b> N. Salandra/ J. MacGillivray 6-1, L. Jackson/ Kenav 2-6, E. Taylor / P. Tennis	Mr Abela	7A	Def	Pembroke	10-2	<p>The team played an excellent round of tennis especially considering the long lay-off from Term 1. Volleyball	Nik Villios	Open A2	Def	St Paul's	2-1	<p>Saint Ignatius' A2 team defeated St Pauls 2 sets to 1 Scores were: 25 - 19 25 - 20 10 - 15</p> <p>Team started off strong showing great teamwork considering having new players in the team disrupting formation a little but rallied and everyone got up to speed very quickly.</p> <p>Strong performance by Michael in his attack and Xanthis in his setting from all around the court to win crucial points when needed.</p> <p>Great start for the team with introduction of new players will hopefully see more success in coming weeks.</p>
Volleyball	Mr Hennigs	Open B4	Def by	Nazareth	1-2	The boys started off well claiming the first set in a tight finish! The second set saw the boys drop off as Nazareth had a hot run with serves in the middle of the set. The boys looked to have it wrapped up in the third, but Nazareth clawed their way back to win another tight set. The boys showed great chemistry and teamwork throughout and will look to build on this moving into next week
Volleyball	Mr Hennings	Open B4	Def		2-1	The boys were a little slow out of the gate as they were taken down in the first set. This seemed to drive the boys as they were able to bring it home in the second set. Though not their best work as a team, the boys managed to claim the win in a close finish. The boys were a bit tough on themselves, but their resilience and persistence helped them get over the line, which should be commended.
Volleyball	Jakob Rogers	Open C1	Def by	Pembroke	1-2	A fantastic showing from the Open C1 boys last week against Pembroke on their home turf. An unfortunate 1-2 loss, but a nail biter of a game, with sets of 25-21, 20-25, and 15-11. The boys performed outstandingly on their defence, going so far as to consistently block Pembroke's 6'4 Middle. A special thank you to the Pembroke boys are in order for offering 2 players on court, who made the games incredibly fun. And congratulations to Tom O'Dea, this week's MVP, the only player to not miss a serve across all 3 sets, on both teams.
Volleyball		Open C1 Red	Def by	St Peters'	1-2	In a reduced length game with reduced numbers, we took on St Peter's College. It was a late start against only 4 players and each set was reduced to 15 points. We had four just players and called on reserves. A big shout-out to the Aaron Bui and the Canil brothers for jumping in, especially the Luke and Antony who had their first official game together. Cohesion between a new crew was perhaps the key reason for not have in a more competitive game
Volleyball	Ms Colaiacovo	Middle A2	Def by	Pedare	1-2	After a late start from the visitors, the 9A team showed their cohesiveness and great teamwork at the outset. After winning the first set, concentration waned at times, but the boys worked hard to maintain focus. The 3 <sup>rd</sup> set had to be cut short due to the late start, and while SIC was 13-12 at this point, they unfortunately lost on a points

						countback 56-52. A tough conclusion, yet there are more positives than negatives. Our challenge will be to keep everyone focused to make sure every point counts.
Volleyball	Ms Minucci	Middle B2	Def		2-1	With 2 players down and Nick D filling in, the boys gelled together quickly showing some excellent team play. Some great serving from Ryder and Myles and excellent pickups from Raf and Ben. Well, done to all players and thanks to Alex and Cameron for umpiring and scoring.
Volleyball		Middle B3	Def by		1-2	The team had a good close game with a couple of sets that could have gone either way. Some strong service points were won commandingly. An area for focus is making sure the boys vocalise a loud call for the ball early as several points were lost as an incoming ball hit the floor between teammates.
Volleyball	Mr Bauze	Middle C2	Def by	Rostrevor	0-4	The Middle C2 Boys played with grit and determination against a much bigger, older and stronger Rostrevor team. Every set was close, and the boys serving was a highlight. One thing we will work on at training will be to use our 3 hits. Best players – Peter and Harry Scalzi

Basketball	Maddie Hinton	Senior B	Def	SHC	111-13	A dominant display by the girls this morning, showing no signs of rustiness for the first game back. The game started and it was clear Ignatius was the superior skilled team, applying great pressure on the ball, getting steals and making easy transition layups, creating an early lead which the team continued to build. The girls played a great team game, passing the ball around to ensure everyone hit the scoreboard. We had some great defensive blocks from Ava and Ella, some awesome buzzer beater deep three's from Kulli at the quarter and half-time siren, great contested finishing from Abby, excellent transition passing from Elisa and superb finishing from Ava. I am very impressed with the way the girls conducted themselves during the game despite the score, staying humble and disciplined throughout. Great performance by all and a great way to start the Term 4 season, well done everyone.
Basketball	Mr Dodson	Senior C	Def	Nazareth	47-28	A pleasing start to the season with a comfortable win against an evenly matched side. The game was played in great spirit by both sides, with enjoyment being the key goal. The team worked well together, reflected by the fact that all players managed to score. Well done.
Basketball	Mason Manning	Middle B	Def	Trinity	41-28	This was the girls' first game of the season against a new team. After a scoreless first 5 minutes from both teams, the rust started to wear off. Both teams had periods of continuous scoring with multiple lead changes. The game was really fast-paced, and it became a game of fitness and speed. The girls wanted the ball a lot more than Trinity and were able to get out in transition. There were numerous periods of great teamwork

						and passing from the girls, making it look as though they had been playing with each other for weeks.
Basketball	Mason Manning	Middle B	Def	Cardijn	61-14	In term 1, the girls beat Cardijn by only 14 points so we knew it could be a difficult game. The girls got off to a very slow start in the first quarter, potentially due to the 8am start! However, the second quarter was the complete opposite with multiple turnovers created and excellent shooting. This continued for the next two quarters where the girls prevented Cardijn from scoring for the whole third quarter! It is really great to see the girls work together as a team on both defence and offense.
Tennis	Mr Massy Gartly	Open B2	Def	PAC	11-2	Plenty of good games, and challenges. Doubles Sehar/Amy 6-2, Dior/Emily 6-0(forfeit), Ade/Phoebe 6-4, Mia/Katia 6-0. Singles Dior 6-4, Sehar 6-0, Amy 6-2, Emily 6-3, Ade 6-4, Phoebe 2-6, Mia 6-2 and Katia 6-.
Tennis	Mr Picca	Senior 1	Def by	Loreto	0-6	In a tough morning of competition, the Saint Ignatius' Senior 1 Girls team faced a challenging Loreto team, ultimately falling 6 sets to 0.  Despite the final scoreline, the Ignatius girls showed great skill and determination throughout the games, with several tightly contested rallies and moments of brilliance. Their effort and teamwork were commendable, and they demonstrated resilience in each set. However, Loreto's strength and consistency proved to be overwhelming, as they dominated play from the start and maintained control across all six sets. While it was a difficult loss, the Ignatius team can be proud of their efforts and take valuable lessons from this experience as they continue to develop and strive for improvement.  Special mention goes to Ella and Mia who fought well in their Doubles Match.
Tennis	Ms Capitaine	Senior 2	Def by	Loreto	0-6	These are the results for the game today. Zara 0/6 Lipi 2/6 Mathilda 0/6 Amelia 3/6  Zara and Lipi 0/6 Amelia and Mathilda 0/6  Girls played well but the opposition was too strong for them.
Tennis	Mr Donato	Senior 3	Def by	Senior 2	2-4	The girls were defeated by the team from Ignatius Senior 2 Team, 2 sets to 4.
Tennis	Tinara Dona	Middle 1	Def by	SHC	23-26	The team fought hard and had some exceptional rallies. It was a very close game and most the matches went to deuce multiple times, so the girls played really well and showed a lot of perseverance.
Volleyball	Mr Passiniti	Senior B5	Def by	MMC	1-2	This was a good start to the Term 4 season, especially the effort in the second set where we came from behind to win a thrilling set 26 points to 24. The team played well in the 1st and 3rd sets but more unforced errors than our opponents, and the inability to set up enough effective attacking shots, was the difference. The team will be keen to practise and improve now that we are playing in one division higher than in Term 1 and can expect even tougher opposition each week. Evie Emanuele made an impressive

						debut for the team, Cheryl Nithyananth was very effective when serving and around the court and Lana Haese and Keira Wakefield combined well at the net.
Volleyball	Wanika Gordo	Middle B1	Def	SDPC	2-1	The girls played a most impressive game this weekend against St Dominic's taking the win 2 sets to 1. Their gameplay was consistent and strong from start to finish despite the opposing team making a comeback in the third set. Leah and Lala had impressive and consistent serves throughout the whole match making it difficult for St Dominic's to receive and return. I was most impressed with how the girls made sure to go for every single ball and communicate effectively to ensure there were no ball drops. Throughout the whole match I can only recall one time that the ball dropped which shows just how well the girls worked together as a team. Mai and Zara worked well up at the net to defend by blocking the ball as well as using three hits to set up attacking shots.
Volleyball	Wanika Gordo	Middle B2	Def by	SMC	1-2	The girls played a tough match this weekend against St Michaels, losing the first two sets but making a comeback to win a set in the third. As the game progressed, the girls got into a better rhythm on court using their three hits to set up some attacking shots. Selina's impressive serving was a highlight as it was consistent and deep into the court making it difficult for the opposing team to receive and return. The third set really showed how well the girls worked together to defend and attack, calling for the ball and communicating with each other effectively especially at the net. Clara and Mia had some impressive saves at the net as well as setting up attacking shots that made it hard for the other team to return. Although the girls didn't get the win today, their encouragement towards each other and their lively spirit showed just how much fun they had playing as a team.
Volleyball	Ms Tompkins	Middle C1	Def by	OLSH	1-2	For a first game of the season without training during the week, the girls played excellently! They girls came out blazing in the first set taking it out. However, unfortunately went going down in the last 2 sets. Each set was competitive and close in points. Many positives to take away from today's game along with some areas of development.
Volleyball	Mr Rossi	Middle C2	Def by	OLSH	0-3	Despite only having 6 players, the girls who represented the College did a sterling job. They tried their very best and were very competitive as the score line indicates.
Volleyball	Lucy Hay	7A	Def by	Cabra	1-2	The team played well this morning. They came out with a desire to win and proved that it is possible. As the first game of the Term, the girls showed areas that needed improvement but also showed how well they have remembered the skills they learnt in Term 1.
Volleyball	Lucy Hay	7B	Def by	Kildare	0-3	The team should be super proud of themselves for their efforts. They showed up, ready to put in their best game play. Unfortunately, they were beaten, but they showed strength in defeat as they continued to be keen players, ready for the ball.
