The policy that outstanding fees and charges are settled within the agreed terms will continue to be administered. This is normal practice in all schools or colleges. You will understand that the College is not in a position to carry debts outside the agreed trading arrangements and your co-operation in complying with the College policy is appreciated.

If fees are not paid promptly according to any of the above methods of approved payment, or a satisfactory agreement reached between the parents and the College, the student may not be permitted to return to the College at the beginning of the next term following the breach of arrangement.

If there is a specific difficulty concerning the payment of fees, please contact the Head of Business.

*Note: The College Board allocates some funding each year to assist parents whose financial circumstances change significantly. Priority is given to providing short term assistance to students which allows them to continue their education at Saint Ignatius' College.*

*If in real need of financial assistance, parents are invited to make application for fee relief to the Rector or the Head of Business. Such applications will be dealt with in the strictest confidence.*
