AUDITIONS

Auditions will be held on **Tuesday 11 February 2025** at the Senior School, 2 Manresa Court, Athelstone. The auditioning panel will consist of the Leader of Learning for Music, the Program Leader of Co-curricular Music and a member of the Pastoral Team. The audition will allow for up to ten minutes of performed music, plus a brief sight-reading and aural test. Applicants may audition on more than one instrument, but within the total given time frame of ten minutes. Applicants are encouraged to bring their own piano accompanist as there won't be one provided. A warm-up room will be made available to each applicant prior to their audition. Applicants should prepare pieces that are contrasting in style and genre, demonstrating technique and musicianship. The Audition Panel will recommend students demonstrating musical potential, performance skill, and a strong commitment to music.

OUR EXPECTATIONS OF SCHOLARSHIP RECIPIENTS

The following points represent the expectations of the Music Department for Scholarship recipients:

- Recipients of a Music Scholarship are expected to study music as a timetabled curriculum subject up to, and including, Year 11. Whilst it is not a condition of a scholarship, recipients are strongly encouraged to continue the study of music through to Year 12.
- Recipients of a Music Scholarship are expected to participate in at least two Co-curricular Music ensembles, which includes rehearsal, workshop and performance, up to, and including, Year 12.
- Music Scholarship students will be students with a high level of accomplishment on their chosen instrument. They will:
 - Endeavour to excel in all areas of music within the College.
 - Maintain a high level of application and performance through a continued study of their instrument(s).
 - Involve themselves in the broader life of music at the College which could include: participation in music at liturgies, assisting with the running of performances and assuming a leadership role within the department.
- An annual review of the student's progress and contribution will be made. If progress is not satisfactory, the terms of the scholarship may need to be reassessed.
- It is expected that scholarship recipients will remain at the College for the duration of their scholarship. Departure from the College during the term of the scholarship, unless the departure is at the request of the College or mutually agreed to between College and parents, may require reimbursement to the College of the value of the scholarship.
