Ignatius  
College*

Sport	Coach	Team	W/L	Opposition	Score	Comment
Badminton	<i>Michael Kolisynk</i>	Open B	Def	St Peter's	8 - 4	The team played extremely well this week against the legendary St Peters. Some games were very close while others breezed through easily, but all were focused. It's great seeing the team invested in not only winning, but improving.
Badminton	<i>Josh Wrinkler</i>	Middle B1	Def	Ignatius B2	11 - 1	A really good showing from the guys playing against another Ignatius team, Great badminton played by the guys who showed that they deserve their spots on the top Middle team in the school. MVP: Thomas Tabaranza.
T20 Cricket	<i>Mr Mullins &amp; Will Rice</i>	First XI	Def	St Paul's	5/111 8/83	We won the toss and batted first, looking to post a big score. Unfortunately, our focus and attitude wasn't quite there, which reflected in our batting. Challa and Serocki batted well together for most of the final 10 overs and lifted our score to 111, well below par and what was expected but we knew we could defend it. Alfred bowled beautifully opening the bowling and all bowlers contributed well. Miller sealed the game for us with 2 maidens in the 17 <sup>th</sup> and 19 <sup>th</sup> overs, giving us a 28 run victory. A good win for the boys but plenty of learnings to take from this game moving forward.
Tennis	<i>Mr Abela</i>	7A	Def	Pembroke	8 - 2	Great all-round performance from the team. Some very good service games along with consistent ground strokes, saw some long rallies and success in many of these.
Volleyball	<i>Mr Harben</i>	Open B3	Def	Unley	2 - 0	This was a high quality match between 2 fairly well-matched sides. Unley had clear advantage in height which, at times they used effectively. Our overall skills were superior with our serving being a highlight. Michael and Xanthus showed great control and variety in this skillset. Our ability to keep the ball live from defence was commendable and we would not give points away. This consistency made it hard for our opponents. Whilst both sets were fairly close, we continued to have the upper hand and remained very calm and played to our strengths.
Volleyball	<i>Mr Schapel</i>	Middle B3 2	Def	Pedare	2 - 1	The Middle B's started well with confidence, both Marcus and Tumbi serving well and the team working well together to win the first set 25-12. However, after an initial focused start, Iggies started to lose concentration making errors in court play, serving and miscommunications to lose the second set 20-25. After the second set loss, Iggies rallied again in the third set gaining an early lead, however a reinvigorated Pedare came back late in the set, with Iggies ending well with strong serves from Marcus and solid net play from Tumbi to win the third set, and match, 25-16.
Volleyball	<i>Mr Hennings</i>	Middle C1 2	Def	Pembroke	2 - 1	Undermanned the middle school C1 boys pulled off a win for the ages. Once again the fellas started off hot and won the first set convincingly 25-17 (hazy on scores, need to start writing them down). Our second set woes continued with costly serving errors proving the difference as we went down 21-25. In the third we found ourselves losing

						20-24 only for Nick to serve for 6 straight points and Iggies to survive a serious scare against pembroke.
Volleyball	<i>Lauren Schell</i>	Middle C2 1	Def	PAC	2 - 1	Today's game was probably the best of the term 4 season thus far! The boys worked extremely hard today and had clear goals from the start which really helped to shape the game before them. The use of three hits allowed us to set up calmly and control the ball well. Our encouragement and our "we'll get the next one" attitude allowed us to recover quickly and be eager for the next ball. Our serving was strong as always which is great to see. Well done boys, looking forward to our final game of the season next week. Go iggies!!
Volleyball	<i>Mr Hennings</i>	Middle C2 2	Def	Pembroke	3 - 0	Coming up against a Pembroke side that has not lost a set this season, the boys knew this was to be their biggest challenge yet! However, this did not phase the boys as they came together to pull off a close first win set. The boys knew it was only so close because of some easy mistakes, which made the boys eager to come out stronger in the second set. The boys delivered, with everyone pulling together. Troy and Kavisha's leadership on the court, Simar's serving, and Josh, Lucas and Callum's support around the net were all key to the boys' success. A great win that adds to our undefeated season thus far.
Water Polo	<i>Nat Swan</i>	Open B	Def	PAC	7 - 5	The team played their best game this week. We were a player down so PAC gave us one but there was no bench. We decided we were going to play defensively, but we went on to score in the first few seconds of the game. We ended up winning 7-5, playing superbly as a team.
Water Polo	<i>Mr Graham</i>	Open C	Def by	Rostrevor	1 - 5	Started down two players like last week, but made up a full team by the end of the first quarter. The boys continue to improve their defending, but there were still a few times where the goals could be better protected. Another area the team continues to work on is their passing and communication, as when someone has the ball there are times when they have no one to pass up to and thus miss an opportunity to shoot effectively. The team managed to hold off goals in the third quarter, but Rostrevor cemented their win in the final quarter with two more goals.
Water Polo	<i>Seb Coffey</i>	Middle B	Def by	Pembroke	4 - 6	This fixture presented an equal number of opportunities and challenges against an evenly matched Pembroke side in their own pool. With many enthusiastic year sixes applying their trade for only the first or second time the older boys went above and beyond in showing the younger boys the ropes and how we play with an Ignatius brand of water polo. Joey, George and Seth were as always crucial with their sustained swimming and intensity during the game. However, it is essential to note that the whole team is to be commended for showing everyone how competitive a team can be with a wide range of ages and experiences through a true Ignatius style of performance.

# Ignatian Sports Reports (Girls)

## Term 4, Week 4

*Saint  
Ignatius'  
College*

Sport	Coach	Team	W/L	Opposition	Score	Comment
Basketball	Joyce Laroza	Senior C	Def	MMC 1	41 - 28	A challenging game for our girls managing to keep up the fierce competition without any subs. It was quite a close game for the first half as both teams were consistently putting up shot after shot. However, our Ignatius girls pushed through against Mary MacKillop's girls. Emily McGann was able to maintain a strong defence especially under the ring, executing some wonderful intercepts. An honourable mention to Elisa Hinton for providing the viewers with some beautiful three-point shots.
Basketball	Lauren Palumbo & Alyssa Booth	Middle C1	Def	Cabra 4	38 - 5	Today's game started off low scoring as the girls found their pace and place on the court again. From the second quarter however, the girls' newfound confidence and team chemistry helped them to secure an exceptional lead and the win on Cabra. All players - including Kemi Odusanya who played for us this week - should be proud of their efforts. Special mentions go to Funke Odusanya for her relentless pressure on the ball, and to Zara Rboub and Monique Varricchio for their sharp shooting.
Tennis	Mr Donato	Middle 5	Def	SDPC 1	5 - 0	The girls had a strong win, defeating the team from SDPC1 5 games to 0. Zoe Yang joined up with Stephanie Priest as the number one/two combination, and won their doubles match 6-2. Doris Xue and Emily Demosthenous were unable to play doubles as SDPC only had three players. This was Emily's first game for the season and she played with great enthusiasm winning her singles match 6-4. Zoe, Stephanie and Doris all won their singles matches 6-0, 6-3, and 6-1 respectively. Doris Xue played only her second game for the year as the number three player. The girls played confidently and warranted the great result! We look forward to playing at home this week against SHC2.
Volleyball	Laura Scarpantoni	Middle C6	Def	Ignatius C7	3 - 0	On Wednesday morning, the girls were keen to face off against their fellow team. In the first set, the girls did really well in attempting to use 3 hits and bounce off each other when needed. Unreturnable serving from Martha assisted the girls to win the first and second set. In the last, the opposition had settled in and the score was close. The girls had to dig deep to secure the last with some great net work by Mai and Selina together, winning them the game.
Volleyball	Laura Scarpantoni	Middle C7	Def by	Ignatius C6	0 - 3	
Water Polo	Brae Rawnseley & Seb Coffey	Middle C	Def	SAC 1	10 - 5	The girls once again demonstrated the massive strides they have made across the duration of this term. Olivia Dry and Alice Mee dominated offensively once again but it was the defensive efforts of Cady, April, Emily and Grace that proved the difference. The determined defensive effort coupled with ever growing leadership and direction from Jennifer Carroll meant the girls eventually opened up breathing room on the scoreboard against a bigger and more experienced Aloysius side. With two games to go the girls should be encouraged by the improvement that has been evident over the course of the term so far.
