| Badminton | Michael Kolisynk | Open B | SIC defeated Glenunga | Glenunga International High School | SIC 9 / Glenunga 3 | The final game of the term was a great one. After a tie in rubbers for doubles with some close games, the team clinched nearly all their singles – some easily, some hard fought. Looking forward to next year! |

| Volleyball | <i>Mr Harben</i> | Open B3 | Def | Pembroke | 25-9, 25-12, 15-6 | The results tell the story. We were far too accomplished for our opponents who gave of their best. The consistency of our play this term has been a joy to behold. We do not take our foot off the accelerator. Serving was sound but our general court setup proved too much for opponents. Setting in particular gave spiking opportunities to all at various times. All contributed to this comfortable win. Well done on a fine season. There is much to look forward to next year. |
| Volleyball | <i>Mr Fazzini</i> | Open C1 | | | | |
| Volleyball | <i>Mr Wentzel</i> | Open C2 | Def | Glenunga | 2 - 1 | In a solid effort to round out the season the team showed great cohesion in a convincing win. Of particular note this week was the excellent gameplay from Christian Mercurio and Leo. Both saved their best for the last game of the season, from serving at the baseline to blocking at the net both had an outstanding game. Although we did not get through the season undefeated it was nice to finish up with all but one win. |
| Volleyball | <i>Lauren Baso</i> | Open C3 1 | Def | CBC | 2 – 1 | Boy was this a volleyball game for the ages! The boys were down to 5 due to some illness and some missed busses, but this did not deter the boys from coming out strong in the first set (with the help of a borrowed CBC player). The second set saw a drop in the boy's energy as they let CBC run over them. This lack of energy continued into the playoff set, as CBC took a 12-4 lead. However, the boys band together and clawed back to claim a 16-14 victory. The boys were thrilled with the win, finishing off the season undefeated! |

| Volleyball | <i>Isaiah Greco</i> | Middle C1 1 | Def | St Peters | 2 – 1 | We didn't have our usual team today but it did not show! That's what's great about this group of volleyball boys, they are adaptable and really inclusive. The team played very well today, winning the first two sets by considerable margins. Our serving was strong as always which is great to see. Most of the points we won today, we used three hits. This is something that we have been working on all season so it was good to see it finally come together in the last game. Unfortunately we just fell short of winning the third set, going down by 2 points. Nevertheless, it was a great game. Thanks for the fun season boys! I'm proud to see how you have improved your skills over the year and I hope you all continue volleyball next year. |

| Water Polo | Nat Swan | Open B | Def | Rostrevor | 20 - 4 | <p>After a season of exams and a mix of year 11 and 12s absent, we were almost all reunited to play one last game together. This group of boys has been playing and training together since 2018 so one last win, was all the team wanted. Year 11s were happy to sit back and feed the ball to the graduating year. With a masterclass of goals from star Alex, a spectacular performance from Nick in goals keeping the opposition from putting too much damage on the board, Darcy setting up play after play and Oscar for locking down in defence. There was highlight after highlight, the shot of the day had to be the fastest and best placed backhand from Alex I have ever seen.</p> <p>The year 12s will be missed and the year 11s have big shoes to fill, they have shown so much improvement proving they are more than capable with the win last week. Bring on the 2023 summer season</p> |
| Water Polo | Mr Graham | Open C | Def by | St Peters | 0 - 16 | <p>The boys made some sloppy decisions throughout, such as unsafe passes to empty spaces, not defending/sticking to a player and a couple panic passes. A couple players managed some good shots at goals, but their goalie was quite strong. However, they have been getting better at putting pressure on their opponents, causing them to miss shots and allowing us control of the ball.</p> |
| Water Polo | Lucas Bradley & Seb Coffey | Middle B | Def by | PAC | 1 - 18 | <p>Difficult as it may seem to come out of a result like the one shown on the score line with no complaints or criticism it is the truth. In their penultimate game for the season the boys showed effort, desire and commitment to the cause throughout all four quarters continuing to listen to instructions and guidance from all members of the team throughout. This was best shown through Taran who scored the second to last goal of the game taking away a clean sheet from a much bigger and older Princes side. I can't speak highly enough of the Ignatian sporting values shown by the team in this performance and am highly confident of a more deserving score line next week for the boys in their final game for term.</p> |

| Basketball | Joyce Laroza | Senior C | Def | Cabra | 71 – 15 | <p>It was a narrow margin between the scores for Cabra and our Ignatius team as we were only slightly in the lead. However, all the girls played some beautiful basketball. Emily McGann did a brilliant job in the defensive key managing to execute some great intercepts and Tahlia Jolly put up some wonderful shots into</p> |

| Volleyball | Mr Passaniti | Senior A | Defeated by | MHS 1 | 1 set all, 41 points to 44 | <p>With the Senior A team consisting of 5 Year 12 students, all who continued to play throughout Term 4, today's game was significant and memorable – the last game for our Year 12's, and the signalling of a very different looking Senior A team for 2023.</p> <p>It was always going to be difficult with only 5 players, and after a very shaky start, Grace, Wanika, Amalie, Leticia and Monique settled, and at various times during both sets, we showed glimpses of our best. Our team spirit and support for each other was ever present. Only 3 points in it!</p> <p>Congratulations, well done, and farewell to our Year 12's, and special thanks for the tremendous leadership of our captain, Amalie.</p> |

| Volleyball | Laura Scarpantoni | Middle C6 | Def by | Kildare 1 | 1 set (66 points) - 2 sets (72 points) | After a week off, the girls were eager for a win. In the first set, the girls did really well in attempting to use 3 hits and remained calm and composed to win the first set. In the second, the opposition got off to a strong start with serving that was difficult for the girls to get back. However, they kept themselves in it with great work at the net by Lauren, Selina and Sibella but the opposition was just too strong. In the third, the girls tried their best to stay in it, keeping the scores close. Unfortunately, the opposition's returns proved too strong for the girls. Overall, the girls did well and their skills have improved greatly. |

| Water Polo | Orion Sommariva | Senior A | Def | Pembroke | 11 - 1 | The open A girls had an incredible final game of the season beating Pembroke 11-1. Lucy scored a quick 4 goals to start the game off strong with Jasmine proceeding to also score 4 before half time. Jas went on to score another 2 and Amber scored 1 to finish the game strong and really seal the deal. Congratulations to the year 12 girls on their strong effort for their last game of their school polo careers. They should be proud of their commitment and effort during their final season, ending on a high note with this win. |
| Water Polo | Jono Nguyen | Senior B | Def by | Mercedes | 4 - 7 | A good effort for the last game of the season. This week allowed for some of the younger years to come up a play a game in the B comp, filling in for year 11's. It was an unfortunate loss to conclude the season with a few questionable calls from the junior umpire. The girls have shown improvement throughout the season and we look forward to seeing what will come next year. |
| Water Polo | Alex Hinton | Senior C | Def | SHC | 8 – 4 | Ignatius 8 defeated Sacred Heart 4 The girls finished the season with a well deserved 8-4 win. It was extremely exciting to have all players available. The girls worked well as a team which allowed the distribution of goals to be spread amongst the older and younger players. Sacred Heart came out strong and immediately scored two goals putting us on the back foot. However, after a bit of readjustment in defence and discussing a strategy, we were able to change our game and come out on top! Well done to Chloe, Ella, Sienna, Emily and Juliet for their goals and to all the others for their assists. Thank you to all the girls for making this season so enjoyable, I look forward to next year! |
