Basketball	Blake Ferraro	Senior D	Def	Pembroke	32-13	This week the boys faced a tall Pembroke side. The game started at a fast pace, and we were able to get many good open shots, however we weren't able to convert. Fortunately, our defence was extremely strong, with the boys working together in the zone to keep Pembroke from scoring. We led 17-2 going into the second quarter, however, Pembroke went on a scoring run, breaking down our defence, cutting the deficit to 4. We managed to start the second half strong, tightening up our defence, leading to multiple steals and fast break points. The boys must be commended for their great overall team defence, keeping Pembroke scoreless in the second half, resulting in another impressive and comprehensive victory that they should be proud of. Best: Lucas, Hussain, Rudra and Jack
Basketball	Liam Henning	Middle C	Def by	Pulteney	67-17	Facing another tough opponent in Pulteney, all the boys showed exceptional work ethic and kept their heads up even when the score was not in their favour. The boys also reduced the number of turnovers in the second half which allowed them to get more scores toward the end of the game.
Basketball	Max Busato & Liam Hennig	Middle D	Def	PAC	31-30	The Middle Ds came out of the gates strong this week, setting up an organised and cohesive defence to allow them early control of the game. The boys pushed the fast breaks and held their own on rebounds to take the lead in the first half. Some slow offensive ball movement and ambitious passes lead to Prince Alfred taking the lead from the team nearing the end of the third quarter. Despite this, the boys slowed down their ball movement and looked for good shots, allowing them to ultimately reclaim the lead and the match.
Football	Adrian Rocco & Mr Hennigs	First XVIII	Def	Scotch	92-74	We were able to welcome back several key players who have missed most of the season & as a consequence fielded a more balanced & competitive team. For the first time this season we were able to get off to a great start & led by 3 goals at quarter time. Unfortunately, we lost our way in the second quarter as Scotch came back at us to wrestle the lead from us. Our last half was very pleasing as we dominated stoppages & general play. Ben Hogan was outstanding on a wing & in the midfield as was Hugo Black & Noah McDonald. The 3 gave us dominance through the midfield & gave our forwards far more opportunities than previous games. As a consequence, Cody McInnes kicked 5 goals playing forward & midfield & Eamonn Cronin was able to kick 4 playing a deep forward role. We look forward to our mid-week game against Pulteney on Wednesday as we look to secure the Aish Warhurst Cup for a second year.
Football	Mr Hennigs	Second XVIII	Def by	St Paul's College	1-3	Against an extremely strong St Paul's squad, the boys put up a valiant effort. After controlling the game for the first 25 minutes, St Pauls managed to score two quick goals in succession. The boys were spirited at half time and eager to get back in the game. We started the second half strong and managed to score a quick goal. However, after multiple attempts to equalise, we conceded a third but stood strong until the end of the game. Overall, a very strong performance defensively.
Soccer	Angelo Picca	First XI	Def by	SHC	2-4	Saint Ignatius' College were defeated by Sacred Heart College in the sixth round of the Division 1 Soccer season on Wednesday afternoon. Both squads were eager to get their first win of the season and that tone was set right from the start with chances flowing evenly across both sets of goals. Saint Ignatius were dominant in the first 30 minutes of the first half having a disallowed goal, numerous close chances and Mattias De Sciscio eventually slotting one home to put Ignatius up 1-0. After scoring that goal, Saint Ignatius demonstrated full capitulation, allowing Sacred Heart

						<p>numerous opportunities back into the game, with the opposition scoring 2 goals to close out the end of the first half – to make the scoreline 2-1.</p> <p>The second half continued much of the same way, as SHC dominated play despite Joseph De Rosa leading the way and working extremely hard for Iggies. Sacred Heart went on to score 2 more goals, with Saint Ignatius earning a consolation towards the end of the match to make the final score 4-2.</p> <p>Overall, it was disappointing to witness the capitulation from Saint Ignatius as we started the game so well, but Sacred Heart were deserving winners and worked much harder for the win than we did on this occasion.</p>
Soccer	Christian Rodi	Middle B1	Def by	Cardijn	0-3	<p>Considering there were only 8 of the boys that showed up, they held them ground strong in the first half.</p> <p>Unfortunately, this did not last as they got tired and began to fall apart, as more players of the opposition showed up, conceding 3 back-to-back goals in the process. We are grateful however to the boys that did come down to play and are proud of the effort they put in.</p>
Soccer	Declan Munn	Middle C1		Rostrevor		
Soccer	Danny Panagaris	Middle 7A	Def by	Rostrevor	7-0 (halftime)	<p>The year 7A boys were down to 7 players for the game due to sickness.</p> <p>Credit to Rostrevor college who helped by lending us two players in the second half to make it a bit more of an even contest. The second half was much more balanced, and we were able to score a few goals. Overall, credit to the boys against a tough opposition.</p>
Soccer	Eddy Glavas	Middle 7B	Def by	Cardijn	0-10	<p>A very determined and spirited effort this week. Facing a strong Cardijn A side, we were very competitive at the start of each half and executed many of the lessons learned at training. We created a number of attacking opportunities however the quality of some of the Cardijn players resulted in their dominance through their midfield and forward line, and we conceded goals late in each half.</p>

Badminton	Michael Kolisnyk	Senior B	Def by	Norwood 1	44-132	A very challenging but rewarding game against the legendary Norwood 1 team saw some good lessons develop for everyone. Despite the loss, the team put up a great fight! MVP: ELIZABETH NGUYEN, for putting up a great fight at number 1.
Badminton	Jenny Huang	Senior C	Def	SAC 2	132-56	Lots of good movements and intentional hits to empty spaces as well as tramline shots. Doubles teamwork improving every week! MVP: MARLA APOLLONI
Badminton	Arron Nguyen	Senior D	Def	SDPC 4	126-110	Wow, what a close and exciting match! In the end, the teams could not be separated by sets or games, just a few points. Well done to our Senior C4 girls for just pipping a gallant St. Dominic's at the end. Wonderful efforts from all players, but especially Emilie and Doris for winning both their singles and doubles. MVP: DORIS XUE
Badminton	Michael Kolisnyk	Middle E	Def	SDPC 2	149-115	It's great to see the team becoming cohesive in both singles and doubles, tipping close games such as this one in our favour. Everyone is playing to and developing unique skills nicely. MVP: SHARON ZHANG, for playing and winning the longest singles game I've seen in Girl's Badminton: 22/20.

Badminton	Mr Miles	Middle F	Def	Norwood 1	129-141	Our Middle F Girls continued their unbeaten run... but only just. In what was an extremely tight and entertaining match, only one game separated the two sides at the end. Well done to all the girls, who all experienced one win, either in doubles or in singles. MVP: A true all-played-well effort.
Badminton	Erin Goh	Middle G	Def	Marryatville 3	125-90	Well done to the girls for their consistent effort and great sportsmanship to achieve another winning week. Priya and Nisha kept their opponents on their toes with powerful returns throughout their doubles match. Sanulya and Stephanie showed great teamwork and took advice well, strategizing against their opponents using deep serves and drop shots. MVP: STEPHANIE WILLIAMS
Badminton	Stella Waugh	Middle H	Def	OLSH 2	153-67	Our girls displayed some amazing strategies today! Lauren fought hard to overcome her opponent in 3 games. All our girls displayed support for each other and showed much better tactical responses on court. Good effort. MVP: JOSIE SPANDLER for showing ability to read opponent's moves and purposeful shots.
AFLW	Adam Grundy	Middle A	Def	Nazareth	90-0	We were confident that Nazareth would be our biggest test yet for the season, and we were looking forward to implementing more of what we have been doing at training. From the outset, we were able to assert midfield dominance, win the contest first and get the ball on the outside by hand to our runners. We also spoke about being 'next kick', and forwards always moving to be no more than 30m away from the ball. With both focuses looking good, we kicked 5 goals in the first quarter to none. This allowed us to move the magnets and try some players in different positions throughout the rest of the game, and with 8 individual goal scorers it was a genuine, 4 quarter team effort. The girls should be very proud of our undefeated season so far.
Netball	Emma Curnow	Senior B4	Def by	Marryatville	23-25	The girls had a great game today and fought all the way to the end to try and get the win. Although Marryatville came out on top, the girls should be proud of their ongoing support to each other and ability to come back from the first quarter. Starting the game off slowly and being 9-1 down after quarter time, the girls pushed and managed to turn the game around which I'm very proud of them for.
Netball	Alex Hinton	Senior C8	Def by	Loreto	33-9	We found today that it is very tough to compete against a team with one extremely dominant player. However, there will still many positives that we can take from the game! I enjoy watching the teamwork of the girls and how they can seamlessly change positions yet still work as a well-oiled machine. I love that the girls are flexible and adaptable to the games each week and bring about an open mind and growth mindset which allows for improvement. I love that the team supports each other through the small wins. With time, I am sure this will correlate to scoreboard pressure. Well done girls!
Netball	Alex Hinton	Year 9 B2	Draw	Mercedes	10-10	Despite a slow start in the first quarter leaving us down 6-1 at the break, the girls were able to lift their intensity and demonstrate what a talented group they are. They used their understanding of the game to correct their position around the ball and create more space/time for themselves to execute their passes. The girls' teamwork was excellent, and the ball seamlessly transitioned from defence to attack on many occasions. Well done!
Soccer	Rachel Hay	Middle B	Def	St Paul's College	3-0	Once again, the girls worked very hard to secure the win. Against a tough opponent, the girls worked well as a team and stuck to our values. The midfield worked particularly well to get the ball through to the forward line. Special mention to Lucy Scalzi in goals for some awesome saves!
Soccer	Leticia Pham	Middle C	Def by	Loreto	3-2	The girls played very well and scored 2 lucky goals on the edge of the penalty box. Rianne Nithyananth and Leila Rachid both played in goals for the first time. Both girls gave their best effort and did not disappoint. Leila Randell scored 2 goals.
