Basketball	Mason Manning	Senior A2	Def	Modbury	59-51	This was a big test for the team this week. The game was relatively scrappy throughout which led to a lot of outside shooting. After a defensive adjustment, we were able to limit their outside shots and get out on transition. It was close all the way and with a few big shots hit in the final few minutes we came away with a well-deserved win.
Basketball	Mason Manning	Senior B2	Def	Modbury	61-29	We had a significant advantage in both the speed and size against a much smaller Modbury team. We used this and dominated the rebounding and in transition. Unfortunately, a couple of the boys picked up injuries during the game, but we continued with our effort and came away with the win!
Basketball	Mason Manning	Senior C2	Def	Modbury	55-35	It was an off game for us to start, with few of our shots dropping. Defensively, we picked it up and created opportunities to push the ball in transition. This sparked great energy in the team and led us to a convincing win!
Basketball	Maddy Hinton	Middle A	Def by	Modbury High School	52-50	A fantastic game from the boys, fighting hard until the very end to only go down by two points to a quality Modbury side with several high-level district and even state players. Modbury started strong, hitting many outside shots and tough finishes scoring 22 points in the first quarter. Leading by as much as 10, Ignatius lifted their defensive intensity and pressure, bridging the gap with poised secondary offense and fantastic passing in transition. Modbury attempted a full-court press in the third quarter, but it was no match for Ignatius as we broke it with ease, scoring several open layups. Ignatius were down by 5 in the last two minutes, but Remy closed the gap with a great an-1 finish and made free throw. Despite the loss, the boys played extremely well and should be congratulated for their efforts. Best Players: Mtende, Ari, Adam
Basketball	Maddy Hinton	Middle B	Def by	Modbury High School	71-34	A tough, well-fought game from the Middle B team, holding their own against a skilful and experienced Modbury side. The boys started well, playing strong man-to-man defence and finding the open players in offence, utilising the post players effectively. However, Modbury soon found their form and our transition defence dropped off. The third quarter saw Ignatius grab the momentum and close the gap, but Modbury yet again proved they were the stronger side, taking the momentum back and finishing the game with lots of easy transition baskets. Best Players: Lennon Chi, Will Lee
Basketball	Liam Henning	Middle C	Def by	Modbury	62-74	Modbury proved to be the toughest opponent of the season thus far. In such a high scoring game the boys did a great job at rebounding and transition offence. The transition points were critical in keeping us in the game. The boys also did a good job of learning from their mistakes in defence, early in the game Modbury would get easy layups which was limited in the second half. Although the score was not in their favour all the boys put in an exceptional effort.
Basketball	Max Busato	Middle D	Def by	Pembroke	21-26	The Middle Ds faced a skilled Pembroke team this week. The boys had a slow start, finishing the first quarter down by five points. However, strong defence and fast-paced transition passing allowed them to tie the game and take the lead in the third quarter. The boys continued to push in the fourth quarter with good defensive pressure leading to Pembroke turning over the ball almost every possession. Unfortunately, some lucky shots and fouls in the final two minutes of the game allowed Pembroke to steal the lead and ultimately take the win. Despite this, the boys played some great basketball and should all be proud of their improvement across the season thus far.
Football	Adrian Rocco & Mr Hennigs	First XVIII	Def by	St Michaels	50-118	We completed the first round of 5 games with a home game against St Michael's & although we didn't secure the win, we did take another step forward in our development.

						<p>We played aggressively in the first half &amp; led by 4 points at half time after a 5 goal to 2 second quarter.</p> <p>Unfortunately, we couldn't maintain the level of intensity in the second half which is something we will work on as we move forward into the next phase of our season.</p> <p>Hugo Black continued his outstanding season winning our Indigenous Medal closely followed by Noah McDonald, Eamonn Cronin &amp; Hugh Serocki.</p> <p>This four have been our best in each of the 5 games &amp; lead our team with wonderful skill &amp; endeavour.</p>
Football	Sam Armitage	Middle A2	Def by	Adelaide		<p>Unfortunately outplayed in the first half but the team bonded well together to gather momentum in the second half. Scoreboard aside, our lads continued to display vast effort, commitment, and great game ethics.</p> <p>Mani Armitage – best game of the season</p> <p>Joseph Mazur – played a solid role in the second half his strong attack on the ball was commendable.</p> <p>Ralph Hutchinson – his courageous efforts are becoming a norm.</p> <p>James Butler – showed good courage when facing strong opposition.</p> <p>James Noble – quickly becoming a reliable and valued team member with his strong efforts down back.</p> <p>Henry and Fraser – both got on the score board with good goals.</p> <p>Alex Gunther – provide great support and structure in the back.</p>
Football	Tom Pontt & Josh Abbott	Year 6/7	Def	Pulteney	75-51	<p>The boys took the chocolates against a talented and speedy opposition. Some fantastic individual efforts but we worked best as a team in a challenging encounter with great passages of play and took out the win! Well done, Wolves! <b>Best:</b> Dante Guerra, Harrison Mullins, Theo Poulton, Xavier Abbott, Alex Ainscough, Harry Hodges. <b>Goals:</b> Toby Pontt (3), Harry Hodges (3), Theo Poulton (2), Xavier Abbott (1), Alex Ainscough (1) Michael Giorgi (1).</p>
Soccer	Angelo Picca	First XI	Def by	PAC	1-5	<p>The First XI Soccer Boys from Saint Ignatius' College succumbed to their first loss of the season against Prince Alfred College in the fourth round of the Division 1 Soccer season. Once the game started, both sides seemed to be pressuring the opposition's defence regularly and it was positive to see some healthy competition between both teams throughout the first half. PAC broke the deadlock halfway through the first half from a poor clearance from Saint Ignatius and converted their opportunity to make the scoreline 1-0 going into halftime – despite a very close chance for Saint Ignatius to level the scoreline right at the end of halftime, it was not to be.</p> <p>Saint Ignatius came out with a blistering start to kick off the second half, with Jonathon De Conno, Atem Ring, and Elijah Drewniak-Sandery linking together beautifully to level the game at 1-1. Despite continual pressure of PAC's goal, it was an unbelievable strike from outside the area from their midfielder that allowed PAC to retake the lead making the score 2-1. PAC continued the pressure throughout the second half, and with Saint Ignatius losing confidence after conceding, due to poor communication in the backline, PAC eventually scored to make the scoreline 3-1, and eventually won the match very comfortably, running out 5-1 winners.</p> <p>In honour of Reconciliation Week, it was special to share an acknowledgement of country and photo with the team from Prince Alfred College before the game.</p>
Soccer	Matt Centofanti & Nick Hagi-Diakou	Second XI	Draw	PAC	1-1	<p>An amazing game for the eleven players that came to the match against a strong PAC side. With players having soreness prior to the game commencing and cramping throughout the game, the boys did well to hold on and were unfortunate to not get the win.</p> <p>Just want to commend the boys with the hunger and fight they displayed throughout the entirety of the game, and the desire it brought out within them to start communicating with each other and leave everything out on the field, a real great game! Best: Levi, Matt, Pierre</p>

Soccer	Nick Mander & Tony Bianco	Third XI	Def by	Pembroke	5-0	A solid performance from the boys. After conceding four goals in the first half, the boys showed grit and determination to keep the game at 5-0 by full-time. In what was our best game structurally, the boys show gradual improvement every week. This improvement will grow as the boys learn how to better play their field positions.
Soccer	Nick Budin	Middle A1		Rostrevor		
Soccer	Christian Rodi	Middle B1	Def	Nazareth	4-3	Another excellent and hard-fought win by the lads. The players were not used to the warmer climate but overall adapted and secured the win. Highlights of the game were goals by Yuna, Marc, Jack, and Dante.
Soccer	Danny Panagaris	Middle 7A	Def by	Nazareth	4-1	Saint Ignatius played a great game considering we were playing with ten-men for the duration of the game. Great improvement in formation with free-flowing passing. Would love to see the boys, continue the good progress for the next game. Good game from Javier Pogliacomi who played injured for the whole of the second half. Fantastic performance from Alex Corbo who caused constant problems for the opposition= best on ground. Also, a special mention to Louis Willoughby who was solid at left back and played his heart out.
Soccer	Eddy Glavas	Middle 7B		St Michael's

Badminton	Anoushka Toh	Senior A1	Def	SDPC 1	156-89	This week's games were played fantastically, displaying excellent teamwork and great in-game strategizing. MVP: CATHERINE LIU
Badminton	Michael Kolisnyk	Senior B	Def	Norwood 2	139-104	Another win this week for the Senior B team is proof of their continuing development - everything is getting better every week! MVP: ELIZABETH NGUYEN for some excellent dropshots and shot placement
Badminton	Jenny Huang	Senior C	Def	Gleeson 1	88-32	Great teamwork despite having to change doubles partners. They moved well around the court and made good decisions in shot direction as well as some point winning serves. MVP: BIANCA GIORGI for performance in singles & doubles
Badminton	Arron Nguyen	Senior D	Def by	SAC 2	121-139	With some substitutes for the team, the newly paired doubles partners did well despite having new partners. Despite playing against an older age group and in a new team, Jiya easily won her games being able to hit great shots and returns. MVP: JIYA SHRIVASTAVA
Badminton	Michael Kolisnyk	Middle E	Def	SDPC 1	137-110	Despite the team being down on numbers this week, everyone powered through with a decisive yet close victory against a strong opponent. MVP: ERICA NGUYEN for playing, and winning, double singles
Badminton	Mr Miles	Middle F	Def	SDPC 3	159-141	In what was an engrossing and very tight match throughout, our Middle B Girls just managed to outlast a strong St Dominic's team. Several sets went to the full three games, with a number of those games being extremely tight. A great start to the season, unbeaten as we go into the long weekend break. MVP: Whole Team –A true all-played-well effort!
Badminton	Erin Goh	Middle G	Def	St Michael's	139-67	The girls should be congratulated for a brilliant win this week. Sanulya and Chloe focused their shots down the centre line which was effective against their opponents. The girls did not let St. Michael's take a single set today, winning all their doubles and singles matches. MVP: SANULYA DISSANAYAKE

Badminton	Stella Waugh	Middle H	Def	SDPC 7	132-53	Our girls showed more confidence this week. Hitting harder, serving better & aiming at open space away from the opponent. MVP: LAUREN SLOAN for her incredible effort despite a tough week.
AFLW	Adam Grundy	Middle A	Def	Woodcroft College	91-0	With another long journey on the schedule, this week the Middle Years AFLW side made their way down to Woodcroft. Unfortunately, they only had 11 players at the commencement of the game, meaning we had a quite a few rotations to make and the game was immediately on our terms. We kicked 4.5 to nothing in the first quarter thanks to some excellent work from <b>Montana</b> in her first game back, and <b>Lily</b> and <b>Lucy A</b> generating movement out of the middle. We spoke a lot about it not mattering who kicks the goals, and rotating positions, and using it as an opportunity to keep practicing how we want to play. The contest wins, to outside run, to kicks to dangerous spots, and link play was excellent. We look forward to a bigger test against Mercedes this week.
Netball	Jaimee Weight	Senior B2	Def by	SHC	15-31	The girls had a strong and competitive start to the game against Sacred Heart. The team have developed significant trust and communication with each other which has greatly improved their ball movement down the court and into the shooters. Defence remains our strength, and we applied some great pressure throughout the game. However, we lost some confidence after half time and with an increase in turn overs and penalties against us, the margin started to increase further and further away from us unfortunately. I was very proud of the girls and how they remained united as a team and with a respectful attitude during the face of some challenges throughout the game.
Netball	Antonella Pittaluga	Senior B3	Def by	Marryatville 3	15-22	Great effort from the girls in defence throughout the entire game. Despite the loss, they all still worked hard and maintained high levels of effort.  <b>Sofia Byk, Layne Emanuele.</b> Sofia secured many intercepts and deflections throughout the game and helped bring the ball down the court into attack. Layne made some great movement in the goal circle. Despite the taller opposition she worked her way around them and secured goals for the team.
Netball	Emma Curnow	Senior B4	Def	Loreto 4	32-14	An amazing game with full effort from all the girls throughout the entire game. I was very impressed with how the girls integrated the work and set plays we worked on through training and it definitely paid off through their continuous movement. All aspects of the game were amazing, and the girls should be very proud with their efforts. I am very excited to see where the rest of the season takes us!
Netball	Lauren Palumbo & Joanna Ceravolo	Senior C7	Def by	Mercedes 5	17-34	The girls put up a tough fight despite the score. They kept their energy up throughout the entire game not losing their spirits. This game proved more difficult for the team and highlighted some key areas which we will focus on at training and hopefully bring that knowledge into the next few games.
Netball	Amelia Fule	Year 9 B2	Def	Norwood 1	21-18	This week the girls were very motivated to get our first win and that determination really showed on court as they played their best game so far. It was a very close game with some excellent intercepts and great teamwork. This game was especially challenging as we only had one of our shooters, but the girls still persisted. The defence worked really hard at preventing the opposition from scoring and worked it back seamlessly.
Netball	Abbie Gordon	Year 9 C3	Def by	Loreto	8-21	Despite some challenges for our team this week with having six players, the girls played a hard-fought game of netball, displaying a strong sense of camaraderie throughout each quarter. The girls continued to drive and re-offer for the ball, contributing to the overall flow down the court. Their spirit, tenacity, and effort cannot be faulted. Our defensive pressure was excellent, with the girls taking several intercepts and creating turnovers throughout. The girls have continued to work hard throughout the season, and I am extremely proud of the culture we have developed as a team. It is essential we continue to work on our ability to take rebounds, as well as being strong with the ball. Overall, it was a great game of netball and the girls should be extremely proud of their efforts.
Netball	Lauren Schell	Year 8 B2	Def by	Loreto	19-28	The girls worked extremely hard today and the score did not reflect that! Massive intercepts throughout the game let to constant changes of possession but unfortunately, we did not capitalise on the intercepts. We always place a large focus

						on encouragement and teamwork and the girls did not disappoint in this area. The energy on court is always high with encouraging words heard in all thirds. Good try girls!
Netball	Katie Gue & Alec Davis	Year 7 A1	Def by	St Michael's	11-37	In perhaps our toughest match yet, the Ignatius team came up against the strong and well-structured St Michaels. Despite the strong lead from St Michaels, the girls never once dropped their heads. We set ourselves small goals each quarter and with everyone in the team playing their part. The girls did an amazing job of listening to the coaches and implementing what was being asked. Well done!
Netball	Will O'Callaghan	Year 7 B1	Def by	Sacred Heart	13-32	Although the score line looks like a dominant performance from the opposition, the fight and spirit of the girls made it look like an even contest. We played probably our best game for the year, connecting nicely down court, and defending well and working hard on skills and movement. The work is starting to pay off, progressing really well and we will look to get on the winners list soon.
Soccer	Rachel Hay	Middle B	Def by	St Michaels	1-5	In very hot and difficult conditions the admirable work ethic of the team was unwavering. The midfield were very strong with those girls continuing to work very well together. The score was no reflection of a very hard fought game.

Table Tennis	Mr Lodge	Senior A1	Def	Glenunga	13-4	The SYA1 table tennis had a very convincing win at Glenunga. All the team members played a high level of table tennis, but a special mention to Harry Jiang, Harry Gupta, and Michael Olesen for winning all their matches. Thank you to Khiem Nguyen who turned up despite a serious leg injury to make sure we had our full quota of players.
Table Tennis	Mr Fazzini	Senior A2	Def	Adelaide High	9-8	In a very exciting and close contest against a talented opposition we managed to get the chocolates. Most of the matches were extremely close with only a few points separating the players. We still need to be a little more discerning with our shot selections and when to be attacking or defensive. Overall, a very good performance though and I can see the team starting to build momentum. Thanks to Chen for filling in for us and winning his match convincingly.
Table Tennis	Jasmine Fung	Middle A1	Def by	Glenunga	2-18	Another challenging week facing strong and experienced opponents from Glenunga. Great sportsmanship from everyone and well done to Jacob and Thomas for winning their singles.
Table Tennis	Mr Sturgeon	Middle A2	Def	Adelaide High	15-5	A convincing win this week with some hard-fought victories against quality opponents. Great Sportsmanship displayed from both teams.
