Basketball	Max Busato	Middle D	Def by	Pembroke	31-48	The Middle D team entered the first quarter in good form, holding Pembroke to within two points thanks to some great defence and good passes on offence. Unfortunately, some unsafe passes in the second quarter allowed Pembroke to extend their lead. Despite this, the boys persevered putting up some excellent shots and making some great passes in offense. Entering the final quarter, the boys continued to push, holding their own in defence, however, the ball just didn't seem to want to go into the hoop, leading to a loss to end the season. All the boys have played an amazing season and should be proud of their individual development as well as their growth as a team.
Basketball	Tyler Brogan	Year 7	Def	Blackfriars	52-42	Great match, everyone had fun and we had good numbers. Great match today, everyone played well and with effort. We let them score a bit much in the final quarter but as its the final match of the season it was okay. Special mentions go to Kanav, Will, Rohan, Garry, and Joe as they all played very well.
Soccer	Christian Rodi	Middle B1	Def	CBC	4-1	Excellent game today by the boys. They played with intensity and adapted quickly to the new formation resulting in strong midfield play. Great result to finish off the season. Highlights of the game were goals by Eric, Jack, Domenic, and Nick. Thanks again to a couple of the Middle A players for filling in.

Badminton	Anoushka Toh	Senior A1	Def by	Norwood 1	100-163	This weekend's game was a tough one for the team, having already been defeated by Norwood 1 earlier in the season. Albeit, the team played exceptionally; teamwork was great, and communication on the court during doubles was fantastic. Singles were also played well, with energy and enthusiasm being high this weekend. For some exceptional plays against a tough opponent MVP: SHU YI
Badminton	Michael Kolisnyk	Senior B	Def by	SDPC 1	74-136	A pretty good fight to end the season against a tough opponent. Fourth place is still great! Very proud of how far everyone's come this season and I'm looking forward to seeing (most) of the team again next year. Emily, who not only played very well but showed some great use of strategy! MVP: EMILY FIDOCK
Badminton	Jenny Huang	Senior C	Def by	OLSH 1	91-118	Amazing games as always with OLSH. They tried their best and played hard and most of all had fun in their games. They have played well all season and ended with a good friendly competition with their best opponents. MVP: BIANCA GIORGI

Badminton	Arron Nguyen	Senior D	Def	SAC 2	153-99	A great win to finish of the season. All the girls played extremely well, garnering a 3 rd place for the team. Emilie and Stephanie put their months of practice into use as they won both their singles and doubles, surprising themselves in the process. MVP: EMILIE SPANDLER + STEPHANIE PRIEST
Badminton	Michael Kolisnyk	Middle E	Def	Marryatville 1	117-105	Third place feels pretty good! A great way to end the season with everyone playing well and showing some great development this week. Looking forward to seeing everyone again next year. MVP: ERICA NGUYEN
Badminton	Chris Miles	Middle F	Def by	Marryatville 2	131-147	Our girls lost to a very strong Marryatville team in the final match of the season. Whilst the majority of the sets were very tight, Marryatville were certainly the deserving winners. I would like to thank the girls very much for their commitment throughout the season. You displayed great spirit and sportsmanship and were a pleasure to work with. MVP: ALYSSA ZHANG
Badminton 24/6/23	Erin Goh	Middle G	Def	SDPC	99-97	Today's much anticipated Grand Final match was nothing short of exciting. The girls had to adjust their attack and defence approaches as St Dom's brought a good challenge in each game. Teamwork and tenacity were rewarded with a victorious win today. Congratulations to each of the girls for their hard work in making it through the season undefeated. It has been amazing to see the growth of each player and the camaraderie shared between team members that led to a well-deserved end to the season.
Badminton 24/6/23	Stella Waugh	Middle H	Def	Marryatville 4	132-39	Our girls were absolutely AMAZING!! We came out with guns blazing, deep serves making the opponents run left & right & smashing. The shots played were just incredible winners. Straight sets 6-0 win. We came Third in our division! Fantastic result for the beginners this season. Well-deserved! Best match of the year! Very proud of our FAB FOUR!!
Netball	Emma Curnow	Senior B4	Def	Loreto 3	39-14	The girls had an amazing last game to their proper season prior to intercom, giving them confidence for the big shield game ahead. The girls worked together well in the wet conditions and were able to come through with a convincing win. All the girl's positive attitude should be commended for the entire season and I'm very proud of the skills they've developed over the year.
Netball	Joanna Ceravolo & Lauren Palumbo	Senior C7	Def by	Marryatville 4	12-14	Despite only having 5 players the girls held their own and played an excellent game. It was a difficult game with two less midcourt players to get the ball down the court especially considering the drizzly weather conditions, but the girls never gave up. I'm very proud of everyone on the court for playing in positions that they haven't had much experience in and putting their all into the game, resulting in a very close final score.
Netball	Amelia Fule	9B2	Def by	Norwood	14-19	The game this week was very exciting to watch as it really close for majority of the game, and the team played their best throughout it. Thanks to the two year 7's who filled in, and definitely helped score some goals. Defence made lots of great turnovers and then transitioned the ball nicely down to the attackers each time who continued the pace. Whenever we lost the ball, someone from our team would be there to recover it swiftly. It was a great final game to the season, even if we didn't come away with a win.
Netball	Emma Radbone	7B4	Def	MMC	16-14	I am so incredibly proud of these girls. After some really tough games, the girls banded together and played the game of the season. There was no definitive standout player this week. All the girls put in an absolutely outstanding effort. This team are one that have fire in the belly, and I cannot wait to see what they achieve next year. Thank you so much to our parents, support crew and most of all... the girls! If there was a team who had the most spirit in the competition... We definitely had this!
Football	Mr Grundy	MY A	Def	Mercedes	5.8 -2.5	In a highly anticipated Catholic Girls AFLW Grand Final, we came up against a much stronger, arch-rival Mercedes team. We spoke before the game about the privilege and rare opportunity to play in a Grand Final, and our hard work throughout the season has got us to this point. In an incredibly tight first quarter, the scores were 0.3 to 0.2, and the contest and ferocity around the footy were at a level we had not experienced this season. To the girl's credit, in the second and third quarters were got the game on our terms thanks to some brilliant defensive efforts and winning the

						footy more through the centre of the ground. All girls played their role and what a season it has been. One to go in intercol this week.
Soccer	Rachael Hay	Middle B	Def by	Nazareth	3-4 (Penalties)	Our last match of the season was very exciting. In a very fast paced match, the girls were able to get an early lead with Sophie Tukja scoring. The defence were as always very solid. In the midfield Lily Mangion played her best game of the season. An even, hard fought second half took us to penalties where Lucy Scalzi was excellent in goals. Unfortunately, we fell just short of emulating the Matildas but it was a fitting end to a very fun season!
Soccer	Leticia Pham	Middle C	Def by	SDPC	1-2	Lucy Scalzi scored a beautiful goal outside the penalty box right after getting back onto the pitch due to injury.

Hockey	Will Mencil	Middle Years	Def by	PAC	2-3	After a tough defeat last match, the team bounced back nicely and showed many great signs of continual improvement. Despite conceding a couple of early goals, the team stayed positive and dominated the majority of the game. Unfortunately, they were unable to fully capitalise on the opportunities created and fell short of PAC by one goal. Great efforts from the team nonetheless!
