Sport	Coach	Team	W/L	Opposition	Score	Comment
Basketball 29/07	Mason Manning	Senior A2	Def	St Paul's	55-48	We knew that this would be our toughest game yet against an undefeated St Pauls side. They had some talented and tall players which were difficult to handle. It was very close throughout the whole game with neither team leading by more than 5 points at any time. In the final few minutes, the boys locked in defensively and created some turnovers which put us in position to win.
Basketball 29/07	Mason Manning	Senior B2	Def	St Paul's		The boys started the game out very strong, beginning in a defensive setup that they hadn't tried before. The boys quickly adapted and put us on top early and set the tone for the game. With relentless pressure throughout the game, our lead continued to grow, and we finished with a comfortable win.
Basketball 29/07	Mason Manning	Senior C2	Def by	St Paul's		It was going to be a tough game for us against an undefeated St Pauls team. We started the game poorly which opened up a lead for St Pauls which we were never able to make up. It was a weird game where the scoreboard showed us being down by quite a few points, but if you were just watching the game, it looked very even.
Basketball	Mason Manning	Senior A	Def	Marryatville	66-36	The boys got off to a great start creating some early turnovers and pushing the pace. Marryatville had a couple of very tall players and some really talented guards. They played a really tight zone making it hard for us to get many shots inside. However, our defence was excellent, causing turnovers and allowing us to score before Marryatville had time to set up their defence.
Basketball	Mason Manning	Senior B	Def	Marryatville	53-31	The boys came out aggressive early and put a lot of pressure on Marryatville's defence. Throughout the game we continued to get out in transition off the back of turnovers caused by our great ball pressure.
Basketball	Mason Manning	Senior C	Def	Marryatville	46-21	We had a significant height advantage in this game and dominated inside the key. Unfortunately, our effort rebounding was not being rewarded as much as we hoped with most of our shots bouncing out. However, our height defensively was too much for Marryatville and forced very tough shots.
Basketball	Maddy Hinton	Middle A	Def	Marryatville	69-47	Another dominant victory from the Middle A boys this week, coming away with a fantastic 22-point win. Despite several players being unable to play due to injuries, the team all lifted the intensity and effort to play an team-first brand of basketball. Marryatville ran a zone, but the boys were able to navigate this easily, with attacking drives, finishes, assists near the rim unselfish transition play resulting in easy layups and finding their range from the three-point line, particularly Riley who made 3. Well done to all, and thank you to Jack and Aditya for playing both games and filling in.
Basketball	Maddy Hinton	Middle B	Def	Marryatville	48-25	A great way to bounce back from last week's close loss to St Pauls, coming away with a dominant 23-point win. The team applied pressure up the court, forcing the ball handlers to use their non-preferred hands to dribble and pass, resulting in many steals and turnovers. The team rebounded well, particularly down the offensive end, allowing for many second chance shots and easy baskets under the rim. Players also shot well from the midrange, finding space, time and were balanced. Well played by all.
Basketball	Liam Henning	Middle C	Def	Marryatville	54-32	The boys had another strong game, with their defensive abilities keeping Marryatville to 12 points in the first half. Improved passing and excellent full court defence allowed many transition points. It was these points that allowed to boys to get to a solid lead in the first half and go on to win the game against a solid Marryatville side.
Basketball	Max Busato & Liam Hennig	Middle D	Def by	Trinity	21-37	The Middle Ds faced a strong opposition this week. The boys started the first quarter well holding a level score at the end of the quarter thanks to some great passing and strong defence. However, the team lost their way in the 2 <sup>nd</sup> and 3 <sup>rd</sup>

						quarter with the red shirts of both teams leading to some confusion in transition and many turnovers. Despite these setbacks, the boys persisted, holding their own defensively as Trinity's continued quick ball movement allowed them to get off some easy shots. The team livened up heading into the final quarter passing and taking their time in offence which led to many consecutive baskets. This allowed the team to close the gap, ending with a respectable 16-point loss.
Football	Adrian Rocco & Mr Hennigs	First XVIII	Def by	Westminster	56-134	<p>For 3 quarters we fought extremely hard against a very good Westminster side that had 4 State players &amp; a total of 12 SANFL players.</p> <p>Their fitness, strength &amp; height got the better of us in the last quarter, but I don't believe the final score was reflective of our competitive game.</p> <p>For the first 3 quarters we matched them &amp; it was only our turnovers that hurt us as they pounced on those errors &amp; scored in an easier manner than we did.</p> <p>Cesco Lupoi &amp; Tom Humphrey stood up against extremely good players &amp; played their best games for the season to date. Hugo Black, Noah McDonald, Hugh Serocki, Ben Hogan &amp; Cody McInnes continued on with their great form and Louis Whitford was outstanding in his new role across half back.</p> <p>Special mention to our skipper Eamonn Cronin competed bravely while carrying a very debilitating injury.</p>
Football	Mr Hennigs	Second XVIII	Def by	Westminster		After a great win last week, the boys knew they were in for a tough match this week against a very strong Westminster side. The boys were able to bring the contest to them early, with plenty of forward 50 entries. Unfortunately, we struggled to convert these into goals, which saw Westminster take an early lead. The boys kept the pressure and intensity all game and made for a very tough and enjoyable game to watch. All the boys played exceptionally well, with a number of Year 10's in Levi Villios and Ed Colegate stepping up for the team. I am very proud of the boy's effort and look forward to the final few matches of the season.
Soccer	Christian Rodi	Middle B1	Def by	Nazareth	2-3	A valuable effort today from the 9 boys that did turn up. Disappointing for the players who weren't there with no explanation, however good match nonetheless considering short of 2 players and no subs. On a positive note, the boys worked hard covering more than one position at a time and keeping consistent pressure. Special mention to Paul for playing a brilliant game creating both goal opportunities. Also, congratulations to Troy on the two goals scored.
Soccer	Eddy Glavas	Middle 7B	Def by	Pedare	0-7	A very determined and spirited effort this week. Facing a strong Pedare side, the 7B's were a player down and put in 100% effort while the opposition made several rotations with substitutes. We were very competitive at the start of each half and executed many of the lessons learned at training. We created a number of attacking opportunities however as we tired, Pedare had the fresher legs due to their rotations and we conceded goals at the end of each half. All players finished the game strongly and in good spirits, knowing we improved and tried our best.

## Ignatian Sports Reports (Girls)

### Term 2, Week 2

Ignatius  
College*

Sport	Coach	Team	W/L	Opposition	Score	Comment
Badminton	Anoushka Toh	Senior A1	Def	SAC 1	132-57	This weekend's game was engaging, with all players playing some incredible shots whilst applying skills practised during training. MVP: CATHERINE LIU
Badminton	Michael Kolisnyk	Senior B	Def	SDPC	130-90	Fine work after a long break. Good to see rustiness wearing out after some practice, like we never left. Everyone played very well, with some very close games at points, and easier ones as well. I want to say everyone is the MVP this week. Ania

						and Elizabeth have pulled together an almost professional-looking doubles partnership, and Emily and Malak have shown serious, noticeable improvement.
Badminton	Jenny Huang	Senior C	Def	Gleeson 1	140-61	Pretty good games with some personal reflections. Many players noting they weren't playing their best but still able to win the games. MVP: ALICE LI
Badminton	Arron Nguyen	Senior D	Def by	OLSH 1	79-113	A tough game for the girls this week, but despite the losses, the girls had a lot of fun this week. Doris was nervous going into her game, doubting her skills, but once she got onto the court she was able to constantly be in an advantaged state, comfortably winning her game. MVP: DORIS XUE
Badminton	Michael Kolisnyk	Middle E	Def by	SDPC 1	102-151	A tough opponent in the SDPC team allowed for good discussions about strategy and lessons that can be implemented now and in the future. Everyone did really well this week, and the 1 <sup>st</sup> singles was one of the more intense games I've seen this year. MVP: HIRAL KAIRA who is showing good improvement and is aware of her strengths and weaknesses and plays accordingly.
Badminton	Mr Miles	Middle F	Def	SAC 2	146-123	Our girls played really hard today. Nerve-racking scores for quite a few games. First Doubles and 3 singles were won by only 2 points. Our team showed determination and the whole game hung on the last singles match played by Alyssa & she came through with grit and good strategy by hitting her shots purposefully and away from her opponent. Very good effort by the whole team. MVP: JANICE LI & ALYSSA ZHANG
Badminton	Erin Goh	Middle G	Def	SDPC 4	97-95	Today saw the girls battle it out against St Dom's with some intense rallies and nail-biting points. Both teams tied in sets and games, but our girls took home the win by an incredible 2 points. A great team effort from the girls and display of sportsmanship. MVP: PRIYA MALIK
Badminton	Stella Waugh	Middle H	Def by	SDPC 6	107-128	Our girls fought hard against a much more seasoned team and managed to win 2 sets off them. Tough match for our beginners. Great learning experience for all involved. MVP: HANNAH PRIEST
Netball	Jaimee Weight	Senior B2	Def by	Marryatville 2	19-27	The Open B team had a fantastic 3 quarters of Netball against Marryatville on the weekend, but unfortunately a challenging 4 <sup>th</sup> quarter resulted in an 8-goal loss. The game remained within 2 goals for the first 3 quarters, with us even winning the second quarter. With a low whistle count, the girls adjusted well and were fighting hard for the ball and to keep possession. Unfortunately shooting inaccuracy and fatigue got us in the 4 <sup>th</sup> and we couldn't maintain the close scoreline. This was certainly a game to be proud of though, and lots of positives to come out of it.
Netball	Antonella Pittaluga	Senior B3	Def by	Gleeson 1	16-36	With a tough opposition, the girls remained positive and continued to put in effort from start to finish.
Netball	Kain Noack	Senior B5	Def	Ignatius 7	26-16	It is always hard playing another Ignatius team when students know one another so well. We were a little flat to start with but as time went on, we upped our intensity and managed to get the upper hand in a good contest. Livi, Chloe and Gabby played with energy, whilst Kulli dominated the shooting circle. Our defenders were excellent, with particular credit going to Kate and Ruby.
Netball	Lauren Palumbo & Joanna Ceravolo	Senior C6	Def	Marryatville 4	26-10	The girls on the team showed an excellent performance in the game. They exhibited progress in comparison to previous matches and demonstrated teamwork throughout. The rebounds on both ends of the court were exceptional, and the players efficiently collaborated in the ring on both sides. Their defensive pressure down the court caused a number of turnovers and overall, it was an impressive display of skills and cohesion by the team.
Netball	Alex Hinton	Senior C9	Def by	SHC	(by 20 goals)	Despite the lack of players we had, the girls did a great job at holding up against a very talented team. The last three quarters demonstrated our fitness, teamwork and skills and I was very proud of our efforts for all four quarters. Well done!

Netball	Jordan Cowles	Year 9 B1	Def by	SHC	25-18	In what was a physical and fast game, the Ignatius players worked hard to maintain possession and score from our centre passes. We adapted our game during the second and third quarters; however, in the end we ran out of puff in the final quarter and lost touch with Sacred Heart. There were some highlights across the court including Zara Parashkevov's excellent defence in the circle and Abby Beinke's ability to stand up to lots of physical contact in the shooting circle. Mikayla Callisto learnt some new moves in the shooting circle and Montana Marranya showed great control in the defence end. Well done to Kari Tripodi, Grace Pertl, and Sabina Di Iulio whose work rate was enormous through the mid court all game.
Netball	Amelia Fule	Year 9 B2	Def by	OLSH	8-24	The team played well this week, with incredible team work moving the ball down the court and even when there was a turnover they worked hard to get it back, often being successful. Unfortunately, our shooters had some trouble scoring, but it was still a great game from everyone.
Netball	Abbie Gordon	Year 9 C3	Def	Loreto	21-12	In a thrilling netball game before finals, our year 8 fill ins, shooters led a powerful attack, supported by our united nearly full team. With precision passes, unyielding defence, and unbreakable spirit, we secured a triumphant win. It was a day to remember, showcasing the strength of teamwork and the joy of victory when everyone works and attends the game.
Netball	Molly Ingram	Year 8 A1	Def	Mercedes	46-17	The girls finished the minor round with an excellent win over rivals Mercedes. Each player contributed to the win immensely, all playing their roles well. Caitlin was able to get countless rebounds as GK, with Kemi also causing many turnovers. Our passing has improved significantly since last game, with some amazing passages of play with the ball transitioning from defence to attack seamlessly. The lobs into our goal circle were working extremely well, especially between Chloe and Ailish. Zara worked hard all game, managing to play 3 quarters of Centre without running out of energy. Tilly and Lily lead well and were always presenting as an option for our shooters around the circle. Maisie stepped up into the unfamiliar position of GS and worked extremely well with the other shooter, as well as scoring quite a few goals of her own. This was our highest score of the season, and we hope to carry the momentum of this win into Finals next week! Best players: Chloe, Kemi, Ailish
Netball	Lauren Schell	Year 8 B2	Def by	Cardijn	27-23	The girls got off to a great start today. Energy was high as always, as was the defensive pressure throughout the whole game. Each week we focus on a few key things, today was passing in front and sticking to your player. Having these focusses allows the team to have something to work towards. Our first half really showcased our skills, we were up by 9 at half time but unfortunately passing over hands and a boost from that opposition let us down. I'm proud to say that every team member worked very hard all 4 quarters and did not give up. good try girls!!
Netball	Katie Gue & Alec Davis	Year 7 A1	Def	St Mary's	35-3	All players contributed to the win for the team this week. Heidi, Ottavia, and Sophia were able to take many intercepts and rebounds in the defensive third of the game. Georgia, Lola and Kesia dominated the mid court, working hard to make best use of the middle of the court. Olivia and Evie combined brilliantly in the goal circle and their perfect timing made the play look smooth and easy. Well done to all players for listening to the coaching advice and working on the team game plan at all times.
Netball	Will O'Callaghan	Year 7 B2	Def by	Kildare	14-18	This was one of our best performances for the year and we were able to keep up with a skilled Kildare outfit. We nearly stole victory as we got on a 3-goal streak early in the quarter to bring the margin back to one goal, unfortunately Kildare pushed back and got some easier goals as a result of our risk vs reward style which worked very well.
Netball	Emma Radbone	Year 7 C4	Def by	St Mary's	5-33	Each week our team sets little goals for ourselves and this week we almost got to our goal of 8! It was a tough game but the girls showed so much enthusiasm. Isabelle did a terrific job in defence, and it was helpful to have two reserves this week to rest our players. Amy/Alinta and Aaliyah worked well in the ring when the pressure was placed on the girls due to a tall defence. Cate steadied play very well through the mid court. Well done girls!
Soccer	Rachel Hay	Middle B	Def	SAC	7-2	In the first game back for Term 3 the girls played the best match that they have played all season. Every single player was individually excellent, but their teamwork was what shone on the pitch. The girls upfront utilised some excellent passing and plays to score and the defence was extremely solid. I was also impressed with how much they improved their intensity in the second half. Overall an outstanding match. Best players: Sophie Tukja, Mia Kozlowski, Birdie Black, Dori Sabo
