Term 4 Week 4 – Round 4

Team	Coach	W/L	Best Players/Highlights	Report
Year 5/6 Girls Football	Mr Lachlan Bartlett	SIC 8 goals 6 behinds defeated Wilderness 1 goal 3 behinds	Goal Scorers Ottavia 2 Sophia 2 Hadley 1 Georgia 1 Adelaide 1 Amelia 1	Being the final match off a short season the team were very keen to remain undefeated and conclude the season on a high. Wilderness opened the game with great run and carry and placed pressure on our players. After the first quarter it was very even with Ignatius' ahead by only one goal. The momentum swang back and forth but the team first mentality of our players proved too strong, running out the game with a solid win.

To bowl the opposition out inside 8 overs was just phenomenal and not only the bowling, but sharp catching by Joe, Alex B and direct hit run outs from Alex A and Harry O were also contributors. A high percentage of our bowling was on the stumps which was a testament to us being fully switched on from the get-go. Our batting was no different as we batted with supreme confidence. Special mention to Nick D in a true showing of Ignatian spirit, he went and played for the Year 5/6 RED team who were a player short! Thanks to Franco Canil and to all the parents for their support.</p> <p>ROUND 4 I'm so proud of the level of confidence and maturity that I see from the players in this team week in, week out. With ominous weather threatening to cancel the match, the boys came out trying to replicate a repeat of last weeks' 8 over bowling performance. Although it took 16 overs this week, I'm so pleased that we have been able to bowl out an opposition side 2 weeks in a row. We took some great catches today as well as some direct hit run outs, and did well to adjust our bowling and fielding according to the tough conditions. Our batting was extremely impressive which started with a great opening stand from Xav and Pranav and then continued by the rest of the team. Also for the second week in a row, we saw true Ignatian spirit with Alex Barona who was rostered off, come and support the team in full playing kit in case someone was sick or got injured. This is a true testament to the Ignatians we have in the squad! Thanks to Glenn Doherty for his help with the scoring and to the wider parent group for their support.</p>

Year 5/6 RED Cricket	Mr Lachlan Bartlett	N/A	N/A	BYE – NO MATCH THIS WEEK
Year 4 BLUE Modified Cricket	Nick Delvins	SIC 3/170 defeated CBC 15/23	Harry D 36* and 2/2 Henry M 22* Sam D 3/3 Patrick B 2/1 Ted M 2/3	In perfect parkland conditions the boys were dominate with the bat; Harry, Henry and Nick leading the charge. We are becoming more damaging thru the offside, and combined with our newly found confident calling and running between the wickets, is setting our boys up beautifully for more senior levels of cricket. Our bowling performance speaks for itself; we had a lethal combination of accuracy and hitting the deck hard, producing eight maidens. What was most pleasing was our fielding; we backed up both ends, communicated well, and put relentless pressure on the batsmen to generate 4 run-outs - including a Thomas 'Maxwell-esque' direct hit run-out from the boundary. Ted played one of his best games and was unlucky to miss out on a hat-trick being called for a waist high no-ball after knocking the stumps flying. Patrick and Sam are keeping the dream alive both on hat-tricks for next week.
Year 4 RED Modified Cricket	Tony Wright and Clint Pattison	St Ignatius 7/98 Defeated by St Peters 10/118	Thomas hooking a head high full toss for four on his last ball. Dylan taking two (nearly 3) catches at Cover Bivor's 1 st over wicket with an in-swinging Yorker.	Despite the best efforts of the umpires and scorers, the maths scholars in both teams ensured the players knew there were only a few runs between the teams in the final few overs. This provided some extra excitement for the players late on a Friday. Both teams were excellent with their encouragement of team-mates and acknowledgment of good play by their opponents. St Ignatius was particularly good in the field taking a number of catches and run outs and showed good improvement with their batting losing only 7 wickets for the match and hitting a number of boundaries. Lastly a special thanks to Liam for generously fielding (very well) for St Peters when they had a player withdraw late.

It was another opportunity for us to learn from some quality tennis players.

			singles 6/0 in a blistering display of power tennis.	
Primary B GOLD Tennis	Mr David Carey			
Primary B BLUE Tennis	Mr Lachlan Bartlett	SIC 5 Sets 33 Games defeated St Peter's 2 Sets 20 Games		The team was excited to play their first home matches on the new Junior School courts and was it was spoilt with perfect weather conditions. St Peters started strongly in doubles with their ability to win the clutch point proving the difference. The players knew what they had to do with their singles matches and they certainly swung the momentum back in our favor with determination and patience.
