

Junior School Sport 2023

Term 2 Week 9

Team	Coach	Score	Highlights	Report
6 Blue Netball	Michael Taylor	SIC 48 d Stradbroke Wallabies 13		A big thank you to Florence and Charlotte who came to help us this week, with a few players out. They did an amazing job!. Overall, the team played well against some taller players. The focus during the week of driving on the player started to show in the game play, which allowed us to control the ball when in possession. Some very high-quality passages of play which we can build on after the break.
6 Red Netball	Poppy Fagan	15 d SIC 5		Losing players at the last moment we needed to borrow from the Year 5 team and then even a younger brother to fill all positions. Thank you to Matilda for stepping into the team and contributing Big congratulations and thank you to Harry! For helping us for three quarters throughout our game, as we were down to six players. Harry played exceptionally well for being so young and for playing a game just before ours - managing to score some amazing goals. Well done to everyone for the season so far!
5 Gold Netball	Chloe Whiteman	Comets 17 d SIC 9	Lots of positives as well, good to see people taking onboard constructive feedback.	Another tough loss against an older, taller, and stronger opposition. Ted never gave up, continually leading and fighting hard for the ball. Ted also worked very well with Isla in goals, the pair shooting well to get us back into the game. Taylor's defence and movement into attack through the midcourt was impressive. Olivia's movement and direct passing was remarkable, particularly as direct passing has been a focus this term. We go into the break with some things to work on for the upcoming term of netball, and we are up for the challenge!
4 Blue Netball	Sarah Jackson	SIC 8 d Burnside 3	Special Mention to Sophie	With 3 of our players missing this week we welcomed Samara & Rihanna to join our team. It took the first half to find our groove. With a few positions' changes, the girls had some amazing passages of play. Well played all 7 girls.
3 Blue Netball	Will O'Callaghan	Rose Park 10 d SIC 8	Harry, Nicole, and Ivy	Such an amazing effort from everyone, to only lose by 2 with no subs. It was a hot game too with lots of running so everyone should be super proud of

				<p>their efforts. This game was one of our better games and although we lost to Rose Park 10-8, improvements in our game and major improvements in everyone and their skills are really pleasing and promising signs for next term. A successful term as year threes playing against people as old as year fives, the sky is the limit for this group. Looking forward to next term, bring on some more great netball.</p>
