Uniform & Personal Presentation

Go, set the world *alight*.

Uniform and Personal Presentation

Saint Ignatius' College is a school of excellence with a rich tradition. We are proud to be on this Ignatian team. Presentation and uniform are key parts of how we demonstrate pride and belonging within our strong and connected community.

At Saint Ignatius' College, we place a high value on the personal presentation of our students. Wearing the College uniform engenders a sense of belonging, cohesion and equality, and helps to create a safe environment for learning and personal growth.

Personal presentation encompasses hair styles, jewellery, piercings, tattoos, shaving, fingernails, hygiene, body odour and make-up. We expect our students to take personal responsibility for wearing their uniform correctly, together with the support from their families and members of the College staff.

Applying consistent and clear expectations in relation to personal presentation and uniform is not a judgement on individual character or fashion preferences. Whilst recognising the human desire for self-expression, the fundamental objectives of our personal presentation and uniform expectations are to:

- foster a sense of inclusion, belonging and pride in our school community;
- prepare students for other contexts;
- promote safety and good hygiene; and
- encourage student responsibility and accountability.

Students are expected to wear correct PE or sport uniform for all training and competition. Where students have a College cocurricular sport commitment before or after school and do not have a PE lesson during the day, students will need to get changed into or out of formal uniform for the school day. Students who are required to change during the school day because of sporting commitments can only change into correct PE uniform. All on-field garments, for example, multi-purpose tees, athletics singlets, football socks, etc are not allowed to be worn during the school day, unless they are worn under the College tracksuit. In the Senior School parents/caregivers should notify their child's Mentor Teacher and House Leader on the rare occasions where the HPE uniform may need to be worn outside of these guidelines. In the absence of prior notification, and where concerns cannot be rectified immediately, students will be withdrawn from classes to access learning via SEQTA until parents/ caregivers are contacted, and the situation resolved.
