

Junior School Sport 2023

Term 2 Week 4

Team	Coach	Score	Highlights	Report
6 Blue Netball	Michael Taylor	SIC 22 d Comets 18	All players were outstanding.	It was one of the great games of netball the team has played. Coming up against a very strong Comets team who were also undefeated they pressured us early and converted well. We continued to show great determination and belief to stay in the game and trailed at half time by 6. The third quarter was some of the best netball we have produced, we won the quarter 9-0 with amazing efforts all over the court. Then the heavens opened for the last quarter and girls held tight. Running through pools of water and a very slippery ball, we won the last quarter 6-5. It felt much closer than a 4-goal margin at the end and the girls celebrated a very hard-fought win.
5 Blue Netball	Tahlia Jolly	SIC 28 d St Joseph's Hectorville 13	A big thanks to Isla for filling in and fitting in perfectly	The year 5 blue team did not let the poor weather effect their game this week. There were some great defensive turn overs from everyone on the court. Makayla played a great game and fed well into our shooters. Another strong win this week with some good connections between plays.
5 Gold Netball	Chloe Whiteman	Loreto 15 d SIC 4	Ted's shooting was sensational and his defensive efforts at critical times helped turn the ball over	This week the team faced a tough loss against a taller, better opponent. There were lots of positives, however, that could be taken out of it. Taylor's consistency in defence and movement was great to see. When Isla moved into defence, she had an impact helping push the ball out of our defensive end. Also, Ellie came back on after a nasty tumble and showed great growth in the midcourt. Overall, a good learning experience and we are looking forward to our next game!
5 Red Netball	Jane Brine	Walkerville 17 d SIC 2	Imogen found space beautifully all game.	We got off to a slow start in the first quarter giving Walkerville Green Frogs an early lead. In the 2 nd and 3 rd quarters we held tight as the players found their rhythm. Ayesha and Eva showed great form in defence and worked hard to stop their goals. Ava worked hard in the mid court to deliver the ball to the scoring end. All players worked well and tried their best. Unfortunately, the game wasn't ours to be won, but the girls should all be proud of the game that they played. Well done St Ignatius Red.
4 Blue Netball	Sarah Jackson	Comets 10 d SIC 4	Isabella	Our score did not reflect how close the game really was this week. Once again, our defence was extremely strong turning the ball over time and time again. Everyone gave 100% for the entire game but things just didn't go our way.
4 Red Netball	Steph Richardson	SIC 17 d Comets 0	All shooters did a great job taking a shot at	The game started off with the teams well matched with the Comets showing some strong defence, but our confidence grew as the game went on with a cracker of a

			goals when they could and sharing the ball	4th quarter showing some stellar passing down the court and a strong defence. Well done Ignatius Red!
3 Blue Netball	Will O'Callaghan	SIC 7 d East Adelaide 2	Best: Harry, Oscar, Nicole	Another strong performance from this awesome team, defeating East Adelaide 7-2. We are starting to include some of our work at trainings into games which is really encouraging to see. Our pressure and hands over the ball all down the court was a major factor in turning it over and getting the goals down our end.
3 Gold Netball	Naomi Prescott	SIC 7 d East Marden 1	Lauren's time at Center was a highlight and Sophie and Susie worked well in goals together.	We welcomed back captain Mariah this week and she did a great job leading the team to another victory. The score line does not reflect the close, competitive nature of the game and the girls did a fantastic job against a very good side.
3 Red Netball	Julia Simcock	SIC 6 d Loreto 3	Mabel and Audrey	In this game all the girls were rotated through positions that were unfamiliar to them and I was super impressed by the versatility of the girls and the way they gave their positions everything they had. On a slippery court the girls kept it simple: chase down loose balls; pass in front and keep those arms up. By doing these things the girls were able to slow the game down, putting constant pressure on the opposition. The girls also demonstrated another learning from training which has been 'intercepting'. I saw focus; patience and a lot of thinking on court to ensure they were positioned well to snatch those balls; and they did it very well. One special mention goes to Mabel who played her game confidently and focussed. She was persistent in goals and positioned herself very well in the goal circle to support great success in the goal third. Another special mention goes to Audrey who played in all thirds of the court. Audrey played textbook netball. She was focussed on intercepting those balls and putting the pressure on. She stuck to her player like glue and reaped the reward of many intercepts. This was a solid game played with discipline, focus and cool heads which resulted in a great performance. Well done team!!
Year 2 Netball	Nerissa O'Brien	St Joseph's Memorial 16 d SIC 0	Amelia and Leila	A tough game for our team on the weekend. St Joseph's Memorial were a very strong side who had a little more experience than us. Whilst the score ended up quite one sided the game itself was much more exciting. Our players showed excellent effort in both attack and defence. I was really impressed with Madeline's game, she intercepted several passes and made space down the court in attack. Likewise, Amelia ran hard in centre for two quarters and was very accurate with her passing and positioning on the court. Shout out to Aria for playing her first netball game for the season!
Year 6 Soccer	Lachlan Bartlett	SIC 1 vs RC 15	Kristian D'Aloia 1 goal	The Ignatius team was ravaged by illness with 7 players unavailable for the match. Many thanks to Year 5 Kristian who filled in to assist the team and managed to score a magnificent goal. Without any substitution players on the bench the team became tired as the match progressed allowing Rostrevor to exploit this.
Year 5 Soccer	Stefan Mazur	8-7 win	Ben Butler – end-to-end running and battling	A footballing classic for the true believers! A raucous crowd on the edge of their seats until the final whistle. Things looked grim for the Year 5 undefeated start to the season when they went 6-3 down early in the second half. But the faithful

			Kristian D'Aloia – two games back-to-back Thomas Mazur – 5 goals with some classics from range Leonardo - playing multiple positions	should never write this team off as St Ignatius continued to play their attractive passing total football style of play with an inbuilt belief that no matter how many goals the opposition score we'll just score one more. In a real triumph of team belief, St Ignatius triumphed 8-7 at the final whistle.
Year 3 Soccer Red	Damian Pozza	2 -2	Great team effort! All played well!	It was a great game played with skill and passion, with everything left on the pitch. The game was evenly poised throughout both halves, with chances a plenty. Ultimately and fairly it ended in a draw with both teams being well represented. Let's keep this momentum for the rest of the season 3 Red!! Go Iggies!
Year 3 Soccer Blue	James Atkinson	Iggies 6 goals v Rostrevor red 14 goals	Riley Neagle Terry Guo Baron Hou	Year 3 Ignatius Blue Soccer team were kind enough to lend Riley Neagle to Rostrevor as only 3 of the 4 opposition team players had showed. Rostrevor had a quick start scoring most goals early in the first half. Eventually Rostrevor's 4th player arrived and we had 4 a side with rotations on and off the bench for Iggies. Although the score was not the desired outcome, Iggies Blue never dropped their heads and continued to play hard. After being eleven goals to one down we clawed back to add some respect to the final score.
Year 5/6 Table Tennis Blue	Lachlan Bartlett	SIC 26 sets vs STA 22 sets		The Ignatius players put in a super effort against a strong St Andrew's team. Following the doubles, the score was very even and not much separated both teams. The Ignatius team pulled ever so slightly ahead during the singles and reverse singles matches.
Year 4/5 Football	Michael Cronin	SIC 10.5 (65) defeated Rostrevor 2.2 (14)	Goals: Zayden 4, Nick 1, Henry 2, Patrick 1, Henry W 1 Best: Zayden, Henry M, Henry W, Dylan, Harry D, Dylan Special Mentions: Patrick, Noah, Thomas, Jacob, Jordy	This week we faced a true challenge against a strong opposition on their big ground and in wet conditions. From the outset they showed grit, determination, and maturity to play for each other and get the job done. The midfield group worked incredibly hard all day and set up well behind the ball to ensure the ball was locked in our forward half for much of the contest. Hard to pick only a select number of best players in this one. However, Zayden's 4 goals added to his incredible start to the year.
Year 2/3 Football Red (2)	Geoff Dair	Red 2.3.15 Def by Blue 16.11.107	Goals: Aarnav 2 Best: Ashton Lex Harvey Wesley	The game was played in the right spirit. The boys of Red were overwhelmed by the Blue team but never gave up. Their willingness to 'keep at it' in a one sided match was admirable.

			Alfie Andolfatto	
Year 2/3 Football Blue (1)	Matt Brunoli/Chris Reaich	Red 2.3.15 Def by Blue 16.11.107	Best players: Aziah Reach Ollie Delvins Zavier Reach Archie Brunoli Alex Mutton	It was a brilliant performance by the team. Was very impressed by the way the boys shared the ball around and brought other teammates into the game. Special mention to Liam Cotton who had a really good crack this week and was very unselfish in his play.
