

## Junior School Sport 2023

### Term 2 Week 5

Team	Coach	Score	Highlights	Report
<b>6 Blue Netball</b>	Michael Taylor	SIC 33 d East Marden 6	Players having the opportunity to play new positions	It was a fun game of netball this week, we played in good spirits. We had the opportunity to move the girls around a bit more and still play to a strong level. Well done to all.
<b>6 Red Netball</b>	Poppy Fagan	Loreto d SIC	Jessica's leads towards the ball	Unfortunately, we saw a loss again this weekend to the top team. Special mention goes out to Jess, for having a great game, as she took on advice about forward leads to the ball, which allowed her to control the midcourt.
<b>5 Blue Netball</b>	Tahlia Jolly	SIC 34 d Nailsworth 2	Teamwork and connections	By half time, the team had managed to limit the opposition Nailsworth to only 2 goals, so we decided to have some fun and mix up the positions which showed how talented this team is. At the end, the score was 34 - 2, a huge achievement to show the flexibility the team has. The teamwork and spirit through-out the game was amazing to see showing the connections and trust they have with one another.
<b>5 Gold Netball</b>	Chloe Whiteman	SIC Gold 6 d SIC Red 5	Putting training skills into the game	An intense game against the other Ignatius team, we were happy to come away with a one-goal win. The weather was exhausting, but no-one gave up and pushed until the end. It was great to see lots of leading and creating space, which we have been working on at training. Olivia's movement down the court in attack was great, as was Taylor's consistent defence. Isla also worked well at both ends.
<b>5 Red Netball</b>	Jane Brine	SIC Gold 6 d SIC Red 5		
<b>4 Blue Netball</b>	Sarah Jackson	SIC 12 d St Joseph's Tranmere 8	Hannah's game	Our first win for the season against quality opposition. As always, the girls pulled together to play a beautiful team game. I am so proud of each player and the way they conducted themselves throughout the game in the warmer weather. Well done girls!
<b>4 Red Netball</b>	Steph Richardson	SIC 9 d Trinity Gardens 1	Multiple goal scorers	Ignatius Red are playing so well together with effective passing down the court, strong defending and having a go at goals, getting familiar with the full-size goals this year.
<b>3 Blue Netball</b>	Will O'Callaghan	Marryatville Tigers 9 d SIC 8	Aryannah, Harry, Isabella	This was an awesome game, and we should all hold our heads up high, winning in every aspect of the game apart from the score. A great comeback from 7-2 at 3/4 time to a final score of 9-8 is a remarkable effort, something that the team should be immensely proud of. We will work hard on a few things over the next few weeks, but the team showed a calibre of netball in the last quarter than I do not think many teams can match.

<b>3 Gold Netball</b>	Naomi Prescott	SIC 3 d Rose Park 2	Vera filled in for the team this week and took no time in fitting in. She and Susie worked together brilliantly in goals.	This week, we played Rose Park who sit on top of the leader board. The girls were nervous before the game, but the nerves did not show on court. Whilst the game was low scoring, it was fast paced and exciting. Margot showed no signs of the illness that plagued her earlier in the week, running all over the court and pulling off some impressive tricks. Susie led the team beautifully, taking some difficult catches and at half time the girls were gaining confidence. A fantastic third quarter from Olivia and with Sophia finding her stride in Goal Keeper, Ignatius Gold were in with a big chance at the start of the final quarter. A massive effort from everyone in the last quarter, particularly Lauren and Mariah who were trying to overcome headaches and allergies, saw the girls finish the game a goal in front of their fantastic opposition. A super proud coach of the girls' fighting spirit!
<b>3 Red Netball</b>	Julia Simcock	St Joseph's Hectorville 15 d SIC 0	Eve	This week our team experienced its' first loss. St Joseph's Hectorville were quick down the court and could anticipate our every move. Though we came away with a loss, this game gave the girls and me an opportunity to start strategizing various positions, plays and structures on court. Each of the girls showed great emotion and conviction which helped them through the game and never once did they look like giving up. By watching our opposition use space to their advantage, it helped the girls to understand that netball is a game of strategy. I would like to mention Scarlett who worked out quickly that when playing in the centre third she needed to move away from the play to create space, get the ball and encourage quick movement down the court. I would also like to mention Aria who jumped from shooter to goal keeper in the last quarter and in this quarter the team held off any further goals. She intercepted, rebounded, and dictated play from the defensive end of the court to give the girls more opportunity to get down to the offensive side. Well done girls for not losing motivation and for using their emotions positively to work through the game.
<b>Year 2 Netball</b>	Nerissa O'Brien	SIC 1 drew St Joseph's Hectorville 1	Aria and Matthew	What an exciting game. Today our focus was to move to space and pivot when we catch the ball. I was impressed with how quickly our team improved with these skills, which resulted in us having the ball for most of the game. Whilst we were able to get the ball into our goal end frequently, scoring was a little more challenging. I was so proud of Aria for moving to space and having a go at a few shots, she was so close. Her persistence was fantastic. Also impressed with Matthew's team game, he looked for all the players on the court and did his best to score when playing GA. Overall, a wonderful team effort.
<b>Year 5 Soccer</b>	Stefan Mazur	8-2 loss	Ted McCarthy and Thomas Mazur each with some great goal keeping. Liam Lenden-Barnes ran hard and created mischief at centre forward.	'If you can meet with triumph and disaster, and treat those two imposters just the same...' (R. Kipling). A strong St Michaels team got off to a good start against a previously undefeated St Ignatius and went into half-time a deserved 3 nil up. An early second half goal got us back into the game and the next goal was always going to be critical, unfortunately it went St Michaels way and from that point on, chasing the game created holes in defence which St Michaels were able to exploit to pull away. This game will be a good learning moment for the boys...and the coach.

			Central defensive pairing of Eli Kremer and Ben Butler with great endeavour in the middle of the backline.	
<b>Year 6 Soccer</b>	Lachlan Bartlett	SIC 4 vs SMC 1	Christopher Carroll 2 goals Dylan Gonzalez 2 goals	The team again found itself with several students either sick or unavailable for the second week in a row. However, with the sun shining the attitude was positive which flowed into the game and the team scored within the first 5 minutes. From that point on, through great team work and using structures learnt at training the Ignatius team dominated possession.
<b>Year 5/6 Girls Soccer</b>	Dylan Holmes	4-0 Loss	Leila had some great goal scoring chances. Isla and Audrey T both did a fantastic job in goal. Gracie was fearless in defence.	This week's game was a much more even contest for the girls. We created many goal scoring chances throughout the game but unfortunately we were unable to convert them. We went into halftime 2-0 down but we continued to push for a goal right until the end of the match. Gracie and Audrey C were solid in defense, Leila, Florence and Elsie both created goal scoring chances, while Isla and Audrey T both had a fantastic half in goal each. Despite the result, the girls are improving every week!
<b>Year 5/6 Table Tennis Blue</b>	Lachlan Bartlett	SIC 6 sets vs STA 22		As St Andrew's returned from camp on the afternoon of the match and they were only able to field 4 players instead of the 8 players who would normally make up a team. Our team was very accommodating and allowed the St Andrew's players to play multiple matches to make up for the missing players. The Ignatius' players put in a solid effort with a focus on improving their serving which was a great highlight seeing the improvement.
<b>Primary Hockey</b>	James Samra	4-0	Thomas Mazur Eli Anderson Charlotte Balingier	The game was a fantastic team effort overall. The passing between all three lines was fluid and we were able to work the ball to our attack and make the most of our opportunities. Thomas had an outstanding game taking it on whenever he had the opportunity, super effort. Tough opponent, however, we were able to overcome this and get the result we needed.
<b>Primary Hockey</b>	Hayley Staggs/Seb Rice	Saint Ignatius won 5-0	Well done to Xavier and Eli for working together to score numerous great team goals.	Friday afternoon saw Saint Ignatius bounce back from a previous loss. It was an amazing team win with many players from the Red team joining our Blue team and coming together to each contribute. We had a strong defence to hold off any Pembroke goals.
<b>Year 4/5 Football</b>	Michael Cronin	SIC 4.3 (27) defeated by Trinity 5.4 (34)	Goals: Nick 3, Henry 1  Best: Nick, Harry D, Dylan, Elliot, Isaac, Lucy	Last weekend was an unexpected treat to travel to Gawler to face Trinity. The big oval and hot conditions made it a tough slog all game. The contest was tight throughout as both sides went goal for goal. Nicholas imposed himself onto every contest as he refused to lose a marking contest. Harry was controlling the back end while also taking the game on at every opportunity. Elliot and Lucy had some impressive wins in the back half late. Unfortunately, Trinity kicked two late goals to seal the win. A disappointing result, but a big learning experience for the group.

<b>Year 2/3 Football Red (2)</b>	Geoff Dair	Red 8.5.53 def Pembroke 7.4.46	Best: Henry Wilhelm Hugo Alfie Milano	An excellent win by the boys. The teamwork and handball continued to improve. Henry's first goal was pleasing aided by some good team play from Alfie. Wilhelm also had his best game so far as did several others.
<b>Year 2/3 Football Blue (1)</b>	Matt Brunoli/Chris Reaich	Ignatius 113 def Puleney 28	Best players: Ollie Delvins Zavier Reach Charlie Rossi	It was another big performance from this team who are getting better and better each week. Great sharing of the ball and encouraging each other. Special mention to Rocco who really came out of his shell this week and was rewarded with a goal.
