6 BLUE Netball	Michael Taylor	Saint Ignatius 28 DEFEATED Comets Black 23	Best. A true team effort to get across the line!!	The grand final was another cracking game of netball between these two evenly match teams. For the first time this season the girls jumped out of the blocks handling the occasion extremely well. With some clinical finishing and incredible pressure defensively and in the midcourt, we moved out to a 4-goal advantage at quarter time. As expected, the Comets responded in the second quarter and cut our lead down to 2 at the half time break. During the third quarter the game was tied at 19 goals apiece, but the team showed great determination and composure in the latter half of the third quarter to regain a 2-goal advantage going into the last quarter. In what seemed like the longest quarter of the season the girl's fitness and netball smarts came to the fore to maintain the 2-goal advantage with 2 minutes to go, but it was still anyone's game. Finally, the Comets wilted under our relentless pressure and execution, and we put on 3 quick unanswered goals to see the game out. A very well deserved grand final victory. Thanks to the parents and Ms Polyak for the support over the season but a special thank you to the girls for allowing me to help them this season.
