

## DRAKES COMMUNITY DOLLARS

### ***What are Community Dollars?***

The Community Dollars Program was established by Drakes Supermarkets to regularly give back to groups and schools in the community.

### ***How Does it Work?***

For every \$2 spent at a participating Drakes store in South Australia (see list below); 1 cent will be accredited to the College's Parents and Friends Committee. Over the year we will be able to redeem these points towards goods and products for future P&F events and activities.

### ***Where to Collect Barcode Tags?***

Collect a Community Dollar Key Tag from the Junior School or the Senior School Reception Offices for yourself and for family and friends and ensure the barcode is scanned by the Drake's staff each time you shop.

### ***Participating South Australian Drakes Supermarkets***
